Item 1.01 Entry into a Material Definitive Agreement.

On November 27, 2024, SEACOR Marine Holdings Inc. (the “Company”), as parent guarantor, SEACOR Marine Foreign Holdings Inc. (“SMFH”), as borrower, and certain other wholly-owned subsidiaries of the Company, as subsidiary guarantors, entered into a credit agreement providing for a senior secured term loan of up to \$391.0 million (the “2024 SMFH Credit Facility” and such agreement, the “2024 SMFH Credit Agreement”) with an affiliate of EnTrust Global, as lender, Kroll Agency Services Limited, as facility agent, and Kroll Trustee Services Limited, as security trustee.

The 2024 SMFH Credit Facility is divided into two tranches, Tranche A in an amount of up to \$350.0 million and Tranche B in an amount of up to \$41.0 million.

The proceeds from Tranche A of the 2024 SMFH Credit Facility will be used to: (x) refinance up to approximately \$329.1 million of existing principal indebtedness comprised of: (a) \$109.8 million incurred under that certain credit agreement originally dated September 8, 2023 with SMFH, as borrower, (b) \$22.7 million incurred under that certain credit agreement originally dated June 16, 2023 with SEACOR Alps LLC, SEACOR Andes LLC, and SEACOR Atlas LLC, as borrowers, (c) \$59.8 million incurred under those certain deferred payment agreements with respect to shipbuilding contracts originally dated January 18, 2018 with SEACOR Amazon LLC, SEACOR Congo LLC, SEACOR Demerara LLC, SEACOR Murray LLC, SEACOR Nile LLC, SEACOR Ohio LLC, SEACOR Parana LLC and SEACOR Yangtze LLC, as respective borrowers, (d) \$11.8 million incurred under that certain credit agreement originally dated April 21, 2016 with Sea-Cat Crewzer III LLC, as borrower, (e) \$90.0 million incurred under that certain exchange agreement (Guaranteed Notes) dated October 5, 2022 with SEACOR Marine Holdings Inc., as issuer, and (f) \$35.0 million incurred under that certain exchange agreement (New Convertible Notes) dated October 5, 2022 with SEACOR Marine Holdings Inc., as issuer, and (y) satisfy accrued and unpaid interest and fees, and for general corporate purposes. The parties expect to fully drawdown the funds available under Tranche A of the 2024 SMFH Credit Facility by the first quarter of 2025.

The proceeds from Tranche B of the 2024 SMFH Credit Facility will be used to make a portion of the payments to Fujian Mawei Shipbuilding, Ltd. with respect to the shipbuilding contracts for the construction of two platform supply vessels (“PSVs”) for a contract price of \$41.0 million per vessel. The PSVs are each 4,650 tons deadweight with a 1,000 square meter deck area and equipped with medium speed diesel engines and an integrated battery energy storage system for higher fuel efficiency and lower running costs. The PSVs are expected to be delivered in the fourth quarter of 2026 and the first quarter of 2027, respectively. Up to \$20.5 million of the commitments available under Tranche B of the 2024 SMFH Credit Facility may be used for payments under each PSV’s respective shipbuilding contract, for a total of \$41.0 million of commitments available to put towards the cost of both PSVs. The parties expect to fully drawdown the funds available under Tranche B of the 2024 SMFH Credit Facility by the first quarter of 2027.

The 2024 SMFH Credit Facility matures on the fifth anniversary of the date of initial funding (the “Maturity Date”), with quarterly amortization payments of (i) \$5.0 million on March 31, 2025 and \$7.5 million on each quarter thereafter with respect to Tranche A of the 2024 SMFH Credit Facility and (ii) beginning March 31, 2027, 2.13% of the principal amount outstanding under Tranche B of the 2024 SMFH Credit Facility, in each case with the remaining outstanding principal amount due on the Maturity Date. Principal amounts drawn under the 2024 SMFH Credit Facility bear interest at a fixed rate of 10.30% per annum. In addition, undrawn amounts committed under the 2024 SMFH Credit Facility bear a commitment fee until such commitments are drawn or cancelled.

The loan may be prepaid at any time in amounts of \$1.0 million or greater, subject to: (a) prior to the 12-month anniversary of funding, a premium equal to the remaining unpaid interest due over the first 15-months of the loan, and (b) after the 12-month anniversary of funding and prior to the 30-month anniversary of funding, a decreasing premium ranging from 2.50% to 1.00%.

The 2024 SMFH Credit Facility contains customary covenants for financings of this type including financial maintenance and restrictive covenants, such as the aggregate collateral vessel value to the sum of the outstanding principal amounts of the loans. The 2024 SMFH Credit Facility restricts the payment of dividends and distributions and the ability of SMFH to make certain investments, subject to important exceptions. In addition, the 2024 SMFH Credit Facility includes customary events of default.

In connection with the 2024 SMFH Credit Facility, the Company issued a guaranty with respect to the obligations of SMFH under the 2024 SMFH Credit Agreement and related documents (the “2024 SMFH Credit Facility Guaranty”). The 2024 SMFH Credit Facility Guaranty includes, among other customary covenants, various financial covenants, including (A) minimum Cash and Cash Equivalents (as defined in the 2024 SMFH Credit Facility) of the higher of \$20.0 million and 7.5% of Net Interest-Bearing Debt (as defined in the 2024 SMFH Credit Agreement), (B) minimum Equity Ratio (as defined in the 2024 SMFH Credit Agreement) of 30% prior to and including the period ending December 31, 2026, and 35% thereafter, (C) maximum Debt-to-Capitalization Ratio (as defined in the 2024 SMFH Credit Agreement) of 65%. The 2024 SMFH Credit Facility Guaranty also restricts the payment of dividends and distributions.

The foregoing description of the 2024 SMFH Credit Agreement and the 2024 SMFH Credit Facility Guaranty does not purport to be complete and is qualified in its entirety by reference to the full text of the 2024 SMFH Credit Agreement, a copy of which is filed as Exhibit 10.1 hereto, and the full text of the 2024 SMFH Credit Facility Guaranty, a copy of which is filed as Exhibit 10.2 hereto, and the terms of each of which are incorporated herein by reference.

If a Replacement Vessel (together with its related assets) does not become Collateral hereunder by the relevant Replacement Date, the Net Sale Proceeds held in the Escrow Account shall be applied as a mandatory prepayment of the Loans.

In the event of a Total Loss of a Vessel, upon the earlier of (i) the Total Loss Date of such Vessel or (ii) the date on which the insurance proceeds in respect of such Total Loss are received by the Borrower or the Security Trustee as assignee thereof, the Borrower shall make a mandatory prepayment of the Loans in an amount equal to the most recent Fair Market Value of the Vessel lost divided by the aggregate Fair Market Value of all Vessels multiplied by the Loans then outstanding.

- (iv) with respect to a prepayment of a Tranche made after the 25-month anniversary of the Applicable Funding Date until (and including) the 30-month anniversary of the Applicable Funding Date, an amount equal to the product of (A) Prepaid Amount and (B) 1.00%; and
- (v) with respect to a prepayment of the Loans made after the 30-month anniversary of the Applicable Funding Date, no Prepayment Fee shall be due.

For purposes of this paragraph (b), the “Applicable Funding Date” in respect of any Prepaid Amount shall be (A) first, the initial Funding Date in respect of the relevant Tranche, until the aggregate amount of all prepayments (the “Total Prepayments”) of the Tranche equals the amount of the Tranche advanced on the initial Funding Date for such Tranche, and (B) thereafter, each subsequent Funding Date in respect of the relevant Tranche on which the aggregate amount of the Tranche advanced on or prior to such subsequent Funding Date is not less than the Total Prepayments relating to such Tranche.

(c) Each partial voluntary or mandatory prepayment of the Loans shall be applied against the repayment instalments of the Loans in inverse order of maturity (including any amounts due on the Maturity Date). No amounts of the Loans pre-paid or repaid will be available for re-borrowing.

6. INTEREST AND RATE

6.1 Fixed Interest Rate. The Borrower shall pay to the Facility Agent for the account of each Lender interest on the unpaid principal amount of the Loan at the Fixed Interest Rate. Accrued interest on the Loans shall be payable in arrears on each Repayment Date.

6.2 Default Rate. Notwithstanding the foregoing, the Borrower agrees that after the occurrence and during the continuance of an Event of Default, the Loans and any other outstanding amount under the Loan Documents shall bear interest at the Default Rate. In addition, the Borrower hereby promises to pay interest at the Default Rate on any other amount payable by the Borrower hereunder or under any other Loan Document which shall not be paid in full when due (whether at stated maturity, by acceleration or otherwise), for the period commencing on the due date thereof until but not including the date the same is paid. Any interest at the Default Rate (if unpaid) arising on an overdue amount will be compounded with the overdue amount on each Repayment Date but will remain immediately due and payable.

6.3 Maximum Interest. Anything in this Agreement or the Notes to the contrary notwithstanding, the interest rate on the Loans shall in no event be in excess of the maximum rate permitted by applicable law.

7. PAYMENTS; SHARING AMONG THE FINANCE PARTIES

7.1 Payments to the Facility Agent.

(a) On each date on which a Transaction Obligor or a Lender is required to make a payment under a Loan Document, that Transaction Obligor or Lender shall make an amount equal to such payment available to the Facility Agent (unless otherwise expressly provided for in a Loan Document) for value on the due date at the time and in such Dollars. All payments to be made hereunder by the Borrower shall be made to the Facility Agent, not later than 2:00 p.m. London time on the date on which payment is due (and any payment received after such time on such date shall be deemed to be paid on the next Banking Day).

(b) Payment shall be made to such account as notified by the Facility Agent.

7.2 Distributions by the Facility Agent. Each payment received by the Facility Agent under the Loan Documents for another Party shall, subject to Sections 7.3 (Distributions to a Transaction Obligor) and 7.4 (Clawback and Pre-Funding) be made available by the Facility Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement, to such account as that Party shall specify to the Facility Agent in an Administrative Questionnaire or administration form satisfactory to the Facility Agent or, in the case of the Loans, to such account of such person as may be specified by the Borrower in the relevant Funding Notice.

7.3 Distributions to the Transaction Obligors. The Facility Agent may apply any amount received by it for that Transaction Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Transaction Obligor under the Loan Documents or in or towards purchase of any amount of any currency to be so applied.

7.4 Clawback and Pre-Funding.

(a) Where a sum is to be paid to the Facility Agent under the Loan Documents for another Party, the Facility Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.

(b) If the Facility Agent pays an amount to another Party and it proves to be the case that the Facility Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Facility Agent shall on demand refund the same to the Facility Agent together with interest on that amount from the date of payment to the date of receipt by the Facility Agent.

7.5 Application of Receipts; Partial Payments.

(a) If the Facility Agent or the Security Trustee (as applicable) receives a payment that is insufficient to discharge all the amounts then due and payable by a Transaction Obligor under the Loan Documents, the Facility Agent or the Security Trustee (as applicable) shall apply that payment towards the obligations of that Transaction Obligor under the Loan Documents in accordance with Section 9.2 (Application of Moneys).

(b) Paragraph (a) above will override any appropriation made by a Transaction Obligor.

7.6 No Set Off. All payments to be made by a Transaction Obligor under the Loan Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

7.7 Currency of Account.

(a) Subject to paragraphs (b) and (c) below, Dollars is the currency of account and payment for any sum due from a Transaction Obligor under any Loan Document.

(b) Each payment in respect of fees, costs, expenses or Taxes of any Lender (excluding fees due and set forth in the relevant Funding Notice) shall be made directly to the applicable Lender in the currency in which the costs, expenses or Taxes are incurred. Each payment in respect of fees, costs, expenses or Taxes of the Facility Agent or the Security Agent shall be made directly to the Facility Agent or the Security Agent, as applicable, in the currency requested by the Facility Agent or the Security Agent, as applicable.

(c) Any amount expressed to be payable in a currency other than Dollars shall be paid in that other currency.

7.8 Change of Currency.

(a) Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognized by the central bank of any country as the lawful currency of that country, then:

- (i) any reference in the Loan Documents to, and any obligations arising under the Loan Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Facility Agent (acting on the instructions of the Majority Lenders, after consultation with the Borrower); and
- (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognized by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Facility Agent (acting on the instructions of the Majority Lenders).

(b) If a change in any currency of a country occurs, this Agreement will, to the extent the Facility Agent (acting on the instructions of the Majority Lenders, after consultation with the Borrower) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the London interbank market and otherwise to reflect the change in currency.

7.9 Currency Conversion.

(a) For the purpose of, or pending any payment to be made by the Facility Agent or Security Trustee under any Loan Document, such Party may convert any moneys received or recovered by it from one currency to another, at a market rate of exchange available to that Party in its usual course of business.

(b) The obligations of any Transaction Obligor to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

7.10 Disruption to Payment Systems etc. If either the Facility Agent determines (in its discretion) that a Disruption Event has occurred or the Facility Agent is notified by the Borrower that a Disruption Event has occurred:

(a) the Facility Agent may, and shall if requested to do so by the Borrower, consult with the Borrower with a view to agreeing with the Borrower such changes to the operation or administration of the Loans as the Facility Agent may deem necessary in the circumstances;

(b) the Facility Agent shall not be obliged to consult with the Borrower in relation to any changes mentioned in paragraph (a) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;

(c) the Facility Agent may consult with the Finance Parties in relation to any changes mentioned in paragraph (a) above but shall not be obliged to do so if, in its opinion, it is not practicable to do so in the circumstances;

(d) any such changes agreed upon by the Facility Agent and the Borrower shall be binding upon the Parties and any Transaction Obligors as an amendment to (or, as the case may be, waiver of) the terms of the Loan Documents notwithstanding the provisions of Section 18.7 (Entire Agreement; Amendments);

(e) the Facility Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Facility Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Section 7.10 (Disruption to Payment Systems etc.); and

(f) the Facility Agent shall notify the Finance Parties of all changes agreed pursuant to paragraph (d) above.

7.11 Computations; Banking Day.

(a) All computations of interest and fees shall be made by the Facility Agent or the Lenders, as the case may be, on the basis of a 360-day year, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which interest or fees are payable. Each determination by the Facility Agent of an interest rate or by the Lenders of a fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Banking Day, such payment shall be due and payable on the next succeeding Banking Day unless the next succeeding Banking Day falls in the following calendar month, in which case it shall be payable on the immediately preceding Banking Day.

7.12 Conduct of Business by Finance Parties. No provision of this Agreement will:

- (a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;
- (b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or
- (c) except as provided in Section 8.5 (FATCA Information), oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

7.13 Payments to Finance Parties. If a Finance Party (a "Recovering Finance Party") receives or recovers any amount from a Transaction Obligor other than in accordance with this Section 7 (Payments) (a "Recovered Amount") and applies that amount to a payment due to it under the Loan Documents, then:

- (a) the Recovering Finance Party shall, within three Banking Days, notify details of the receipt or recovery, to the Facility Agent;
- (b) the Facility Agent shall determine, based solely on the entries in the Register, whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Facility Agent and distributed otherwise in accordance with this Section 7 (Payments), without taking account of any Tax which would be imposed in relation to the receipt, recovery or distribution; and
- (c) the Recovering Finance Party shall, within three Banking Days of demand by the Facility Agent, pay to the Facility Agent an amount (the "Sharing Payment") equal to such receipt or recovery less any amount which the Facility Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Section 7.5 (Application of Receipts; Partial Payments).

7.14 Redistribution of Payments. The Facility Agent shall treat the Sharing Payment as if it had been paid by the relevant Transaction Obligor and distribute it among the Finance Parties (other than the Recovering Finance Party) (the "Sharing Finance Parties") in accordance with Section 7.5 (Application of Receipts; Partial Payments) towards the obligations of that Transaction Obligor to the Sharing Finance Parties.

7.15 Recovering Finance Party's Rights. On a distribution by the Facility Agent under Section 7.14 (Redistribution of Payments) of a payment received by a Recovering Finance Party from a Transaction Obligor, as between the relevant Transaction Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Transaction Obligor.

7.16 Reversal of Redistribution. If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

(a) each Sharing Finance Party shall, upon request of the Facility Agent, pay to the Facility Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the “Redistributed Amount”); and

(b) as between the relevant Transaction Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Transaction Obligor.

7.17 Exceptions(a) . (a) This Section 7 (Payments; Sharing among the Finance Parties) shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Section 7 (Payments; Sharing among the Finance Parties), have a valid and enforceable claim against the relevant Transaction Obligor.

(b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:

- (i) it notified that other Finance Party of the legal or arbitration proceedings; and
- (ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

8. TAXES

8.1 No Set Off. All payments to be made hereunder by the Borrower shall be made without set-off or counterclaim and free from, clear of, and without deduction or withholding for, any Taxes; provided, however, that if the Borrower shall at any time be required by applicable law to withhold or deduct any Taxes from any amounts payable to the Lenders hereunder, then the Borrower shall pay such additional amounts in Dollars as may be necessary in order that the net amounts received by the Lenders after withholding or deduction shall equal the amounts which would have been received if such withholding or deduction were not required and, in the event any withholding or deduction is made, whether for Taxes or otherwise, the Borrower shall promptly send to the Facility Agent such documentary evidence with respect to such withholding or deduction as may be required from time to time by the Lenders.

8.2 Tax Credits. If a Lender obtains the benefit of a credit against relief or remission for, or repayment of any Tax imposed by any taxing authority for all or part of the Taxes as to which the Borrower has paid additional amounts as aforesaid, then such Lender shall pay an amount to the Borrower which such Lender determines will leave it (after such payment) in the same position as it would have been had the Tax payment not been made by the Borrower. Each Lender agrees that in the event that Taxes are imposed on account of the situs of its loans hereunder, such Lender, upon acquiring knowledge of such event, shall, if commercially reasonable and if, in the opinion of such Lender, it is not prejudicial to it, shift such loans on its books to another office of such Lender so as to avoid the imposition of such Taxes. Nothing contained in this clause shall in any way prejudice the right of the Lenders to arrange their tax affairs in such way as they, in their sole discretion, deem appropriate. In particular, a Lender shall not be required to obtain such tax credit if this interferes with the way such Lender normally deals with its tax affairs.

8.3 Exclusion of Gross-up for Taxes. Borrower shall not be required to pay any additional amounts to or for the account of any Lender pursuant to Section 8.1 (No Set Off) to the extent that:

(a) the applicable Lender was not an original party to this Agreement and under applicable law (after taking into account relevant treaties and assuming that such Lender has provided all forms it may legally and truthfully provide) on the date such Lender became a party to this Agreement withholding of Taxes would have been required on such payment, provided that this exclusion shall not apply to the extent such withholding does not exceed the withholding that would have been applicable if such payment had been made to an applicable Lender that was an original party to this Agreement; or

(b) the applicable Lender has changed its lending office and under applicable law (after taking into account relevant treaties and assuming that such Lender has provided all forms it may legally and truthfully provide) on the date such Lender changed its lending office withholding of Taxes would have been required on such payment, provided that this exclusion shall not apply to the extent such withholding does not exceed the withholding that would have been applicable to such payment and with respect to which such Lender would have been entitled to receive additional amounts pursuant to Section 8.1 (No Set Off) hereof if such Lender had not changed its lending office; or

(c) withholding would not have been required on such payment if such Lender had complied with its obligations to deliver certain tax forms pursuant to Section 8.4 (Delivery of Tax Forms) below.

8.4 Delivery of Tax Forms.

(a) On or prior to the Effective Date (or in the case of a transferee Lender, the date that it becomes a party to this Agreement), and thereafter when reasonably requested by the Borrower or the Facility Agent, each Lender or transferee that is organized under the laws of a jurisdiction outside the United States, any state thereof or the District of Columbia (a “Non-U.S. Lender”) shall deliver to the Facility Agent two properly completed and duly executed copies of (as applicable) U.S. Internal Revenue Service (“IRS”) Form W-8BEN, W-8BEN-E, W-8ECI or W-8IMY or, upon request of the Borrower or the Facility Agent, any subsequent versions thereof or successors thereto, in each case claiming a reduced rate (which may be zero) of U.S. federal withholding tax under Sections 1441 and 1442 of the Code with respect to payments hereunder as such Non-U.S. Lender may properly claim. In addition, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code, such Non-U.S. Lender shall, on or prior the Effective Date (or in the case of a transferee Lender, the date that it becomes a party to this Agreement), and thereafter when reasonably requested by the Borrower or the Facility Agent, provide to the Borrower and the Facility Agent in addition to the applicable IRS Form W-8 required above a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Code), and such Non-U.S. Lender agrees that it shall promptly notify the Facility Agent in the event any representation in such certificate is no longer accurate.

(b) In the case of a Non-U.S. Lender that is a party to this Agreement on the Effective Date and that fails to provide an IRS Form W-8ECI or the certificate described in the last sentence of Section 8.4(a), the IRS Form W-8BEN, W-8BEN-E or W-8IMY provided by such Non-U.S. Lender on or prior to the Effective Date shall claim the benefits of an income tax treaty providing for no U.S. federal withholding tax under Sections 1441 and 1442 of the Code with respect to payments hereunder.

(c) On or prior to the date hereof (or in the case of a transferee Lender, the date that it becomes a party to this Agreement), and thereafter when reasonably requested by the Borrower or the

Facility Agent, each Lender that is not a Non-U.S. Lender shall deliver to the Borrower and the Facility Agent executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax.

(d) Without limitation on the foregoing provisions of this Section 8.4 (Delivery of Tax Forms), to the extent it is legally entitled to do so, any Lender shall when reasonably be requested by the Borrower or the Facility Agent provide such forms as (i) will reduce or eliminate the amount of any Taxes imposed on payments to the Lender under this Agreement or (ii) are necessary to comply with the Common Reporting Standard issued by the Organisation for Economic Cooperation and Development (OECD), or similar legislation, regulations or guidance enacted in any jurisdiction that seeks to implement equivalent tax reporting and/or withholding tax regimes.

(e) For the avoidance of doubt, the Facility Agent shall under no circumstances be responsible for or liable for any tax reporting, withholding or other related tax compliance.

8.5 FATCA Information.

(a) Subject to paragraph (c) below, each FATCA Relevant Party, within ten (10) Banking Days of a reasonable request by the Borrower or the Facility Agent, shall:

- (i) confirm to that other party whether it is a FATCA Exempt Party or is a FATCA Non-Exempt Party; and
- (ii) supply to the requesting party (with a copy to all other FATCA Relevant Parties) such other form or forms (including IRS Form W-8 or Form W-9 or any successor or substitute form, as applicable) and any other documentation and other information relating to its status under FATCA as the requesting party reasonably requests for the purpose of determining whether any payment to such party may be subject to any FATCA Deduction.

(b) If a FATCA Relevant Party confirms to the Borrower or the Facility Agent that it is a FATCA Exempt Party or provides an IRS Form W-8 or W-9 showing that it is a FATCA Exempt Party and it subsequently becomes aware that it is not, or has ceased to be a FATCA Exempt Party or that the Form provided has ceased to be accurate or valid, that party shall so notify the Borrower and the Facility Agent or provide a revised Form, as applicable, reasonably promptly.

(c) Nothing in this Section 8.5 (FATCA Information) shall obligate any FATCA Relevant Party to do anything which would or, in its reasonable opinion, might, constitute a breach of any law or regulation, any policy of that party, any fiduciary duty or any duty of confidentiality, or to disclose any confidential information (including, without limitation, its tax returns and calculations); provided that nothing in this paragraph shall excuse any FATCA Relevant Party from providing a true complete and correct applicable IRS Form W-8 or W-9 (or any successor or substitute form where applicable). Any information provided on such IRS Form W-8 or W-9 (or any successor or substitute forms) shall not be treated as confidential information of such party for purposes of this paragraph.

(d) If a FATCA Relevant Party fails to confirm its status or to supply forms, documentation or other information requested in accordance the provisions of this agreement or the provided information is insufficient under FATCA, then such party shall be treated as if it were a FATCA Non-Exempt Party until such time as the party in question provides sufficient confirmation, forms, documentation or other information to establish the relevant facts.

8.6 FATCA Withholding.

- (a) The Borrower or the Facility Agent making a payment to any FATCA Non-Exempt Party shall make such FATCA Deduction as it determines is required by law and shall render payment to the IRS or other applicable taxing authority within the time allowed and in the amount required by FATCA.
- (b) If a FATCA Deduction is required to be made by the Borrower or the Facility Agent to a FATCA Non-Exempt Party, the amount of the payment due from the Borrower or the Facility Agent shall be reduced by the amount of the FATCA Deduction reasonably determined to be required by the Borrower or the Facility Agent.
- (c) Each FATCA Relevant Party shall promptly upon becoming aware that a FATCA Deduction is required with respect to any payment owed to it (or that there is any change in the rate or basis of a FATCA Deduction) notify the Borrower or the Facility Agent accordingly, and no Obligor shall be required to increase any payment in respect of which it makes such a FATCA Deduction.
- (d) Within thirty days of making either a FATCA Deduction or any payment required in connection with that FATCA Deduction, the party making such FATCA Deduction shall deliver to the Facility Agent for delivery to the party on account of whom the FATCA Deduction was made evidence reasonably satisfactory to that party that the FATCA Deduction has been made or (as applicable) any appropriate payment paid to the IRS or other applicable taxing authority.
- (e) The Facility Agent shall promptly upon becoming aware that it must make a FATCA Deduction in respect of a payment to a Lender which relates to a payment by the Obligors (or that there is any change in the rate or the basis of such a FATCA Deduction) notify the Obligors and the relevant Lender.

8.7 FATCA Mitigation. Notwithstanding any other provision of this Agreement, if a FATCA Deduction is or will be required to be made by any party under Section 8.6 (FATCA Withholding) in respect of a payment to any FATCA Non-Exempt Lender, the FATCA Non-Exempt Lender may either:

- (i) transfer its entire interest in the Loans to a U.S. branch or Affiliate, or
- (ii) nominate one or more transferee lenders who upon becoming a Lender would be a FATCA Exempt Party, by notice in writing to the Facility Agent and the Borrower specifying the terms of the proposed transfer, and cause such transferee lender(s) to purchase all of the FATCA Non-Exempt Lender's interest in the Loans.

9. EVENTS OF DEFAULT

9.1 Events of Default. The occurrence of any of the following events shall constitute an Event of Default:

- (a) Non-Payment. Any payment of principal, interest, fees or other amounts payable pursuant to this Agreement or any Fee Letter is not made on the due date thereof, unless such failure is caused by an administrative or technical error and payment is made within three (3) Banking Days of its due date;

(b) Representations. Any representation, warranty or other statement made by any Transaction Obligor in (i) this Agreement, (ii) any of the other Loan Documents, or (iii) any other instrument, document or other agreement delivered in connection herewith or therewith, proves to have been untrue or misleading in any material respect when made or deemed made; or

(c) Impossibility; Illegality. It becomes impossible or unlawful for any Transaction Obligor to fulfill any of its covenants or obligations under any Loan Document or for any Finance Party to exercise any of the rights vested in it under any Loan Document; or

(e) Certain Covenants. Any Obligor defaults in the performance or observance of any covenant contained in Sections 4.5 (Satisfaction After Effective Date, Positioning Date or Funding Date), 5.4 (Mandatory Prepayment), 5.5 (Interest and Costs with Prepayments; Application of Prepayments), 10.1(b) (Notice of Default, etc.), 10.1(e) (Corporate Existence), 10.1(k) (Environmental Matters), 10.1(t) (Maintenance of Insurances), 10.1(x) (Sanctions and Anti-Money Laundering Laws), 10.1(aa) (Newbuilding Vessels), 10.2(a) (Liens), 10.2(b) (Investments), 10.2(d) (Change of Flag, Class, Management or Ownership), 10.2(g) (Acquisitions and Sale of Assets), 10.2(i) (Restricted Payments), 10.2(j) (Consolidation and Merger), 10.2(l) (Indebtedness), 10.2(m) (Sanctions and Anti-Money Laundering Laws), 10.2(o) (Use of Proceeds), 10.2(q) (Restrictions on Chartering), 10.3 (Minimum Value Percentage) or 21 (Subordination) of this Agreement and sub-sections (a)(iii), (a)(iv)(A), (a)(iv)(B), (a)(v), (a)(xiii), (a)(xiv), (a)(xv), (a)(xvi), (a)(xvii), or (b) of Section 4 (Covenants) of the Parent Guaranty; or

(f) Covenants. Any Transaction Obligor defaults in the performance of any term, covenant or agreement contained in any Loan Document to which it is a party or in any other instrument, document or other agreement delivered by it in connection herewith or therewith, in each case other than an Event of Default referred to elsewhere in this Section 9.1 (Events of Default), or there occurs any other event which constitutes a default by any Transaction Obligor under any Loan Document to which it is a party and in each case such default continues unremedied for a period of twenty (20) days after the earlier of (x) actual knowledge thereof by a Responsible Officer of such Transaction Obligor or (y) such Transaction Obligor having been notified thereof in writing by the Facility Agent (acting at the instruction of the Majority Lenders), in each case other than an Event of Default referred to elsewhere in this Section 9.1 (Events of Default); or

(g) Indebtedness. (i) Any default occurs in the payment when due (after giving effect to applicable notice and cure periods) of any Indebtedness of any Obligor, or (ii) any other default occurs in respect of any Indebtedness of such Obligor, the effect of which default is to cause, or to permit the holder or holders of such Indebtedness or beneficiary or beneficiaries thereof (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due prior to its stated maturity, and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been such payment default or other default, exceeds \$25,000,000; or

(h) Bankruptcy. (i) Any Transaction Obligor shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, receiver manager, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or any Transaction Obligor shall make a general

assignment for the benefit of its creditors; or (ii) there shall be commenced against any Transaction Obligor any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismitted, undischarged or unbonded for a period of 60 days; or (iii) there shall be commenced against any Transaction Obligor thereof any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within 60 days from the entry thereof; or (iv) any Transaction Obligor shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; (v) any Transaction Obligor shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or (vi) any Transaction Obligor shall make a general assignment for the benefit of creditors;

(i) Certain ERISA Transactions. An ERISA Funding Event, ERISA Termination Event, Foreign Termination Event or Foreign Underfunding shall exist or occur that, in the reasonable opinion of the Majority Lenders, when taken together with all other ERISA Funding Events, ERISA Termination Events, Foreign Termination Events and Foreign Underfundings that exist or have occurred, or could reasonably be expected to exist or occur, could reasonably be expected to result in a Material Adverse Effect; or

(j) Judgments and Decrees. Any judgment, order or decree is made the effect whereof would be to render invalid this Agreement or any other Loan Document or any material provision thereof or any Transaction Obligor asserts in writing that any such agreement or provision thereof is invalid; or one or more judgments or decrees shall be entered against any Obligor for an aggregate liability (net of amounts paid or covered by insurance) of, in the case of any Subsidiary Guarantor, \$500,000 or more or, in the case of the Parent Guarantor or the Borrower, \$10,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within thirty (30) days from the entry thereof; or

(k) Invalidity of Agreement, Note and any Loan Document. (i) Any Loan Document or any material provision thereof shall cease, for any reason, to be in full force and effect (other than by reason of a release of Collateral in accordance with the terms hereof or thereof or the satisfaction in full of the obligations in accordance with the terms hereof or thereof), or any action or suit at law or in equity or other legal proceeding to cancel, revoke or rescind any Loan Document or any material provision thereof shall be commenced by or on behalf of any Transaction Obligor or any Governmental Authority, or (ii) the Lien created by any of the Security Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby; or

(l) Business Suspended. Any Obligor shall be enjoined, restrained or in any way prevented by the order of any court or any Governmental Authority from conducting a material part of its business and such order shall continue in effect for more than forty-five (45) days; or

(m) Loss or Suspension of License or Permit. There shall occur the loss, suspension or revocation of, or failure to renew, any license or permit now held or hereafter acquired by any Transaction Obligor if such loss, suspension, revocation or failure to renew would have a Material Adverse Effect or the loss of coastwise trading privileges in respect of any Jones Act Vessel; or

(n) Classification. For purposes of clause (ii) above, “material amendment, waiver or modification” shall include any amendment, waiver or modification resulting in an increase of the amount to be paid by a Subsidiary

Guarantor thereunder in excess of 15% of the amount to be paid prior to any such amendments, waivers or modifications. The Obligors shall deliver to the Lenders, promptly and in any event within ten (10) Business Days of entering into such amendments, modifications or waivers, all amendments, modifications or waivers to any Management Agreement permitted under this Section 10.2(n) (Changes to Management Agreements);

- (r) Trading Restrictions. (i) Cause or permit any Vessel to be operated in any manner contrary to law or otherwise allow any subsidiaries to engage in any unlawful trade or violate any law or carry any cargo that will expose any Vessel to penalty, confiscation, forfeiture, capture or condemnation, or, (ii) with respect to any Jones Act Vessel, do, or suffer or permit to be done, anything which can or may injuriously affect the documentation or enrollment of any Vessel under the laws and regulations of the United States and will at all times keep such Vessel duly documented as an United States flag vessel under Chapter 121 of Title 46 of the United States Code, eligible for the coastwise trade of the United States under 46 U.S.C. §50501, and the regulations in effect thereunder from time to time, as amended;

- (t) Shipbuilding Contract and Refund Guarantee.
 - (i) Encumber or permit any lien or agree to any material amendment or variation to the terms and conditions of a Shipbuilding Contract, which (x) extends the delivery date under such Shipbuilding Contract beyond the Availability Period relating to Tranche B or (y) alters the payment schedule of the Contract Price Installments under such Shipbuilding Contract or changes the purchase price due thereunder in excess of 5%, or (z) modifies the specifications unless it maintains or improves the specifications of the vessel under construction, or the granting of any waiver or release to the Shipyard of any of its material duties and liabilities under such Shipbuilding Contract;
 - (ii) Cancel or otherwise terminate, or agree or consent to any cancellation or termination, of a Shipbuilding Contract except (x) as provided in Section 5.4(d) (Termination of Shipbuilding Contract), and (y) the relevant Buyer have the right to sell its Shipbuilding Contract prior to the making of an Advance in relation to such Shipbuilding Contract upon the Borrower giving the Agent not less than ten (10) calendar days irrevocable written notice prior to the transfer of such Shipbuilding Contract and the Borrower cancels the Commitments relating to such Newbuilding Vessel's Tranche; and

- (iii) Agree to any variation or amendment of the terms of any Refund Guarantee or grant any waiver or release thereunder to the Refund Guarantor.

10.3 Minimum Value Percentage. If (A) the appraisals delivered pursuant to Section 10.1(q) (Vessel Valuations) or, (B) the appraisals delivered on the Closing Date if on the last of the Availability Period relating to Tranche A the COSCO Vessels and the Santander Vessels have not yet become Collateral, demonstrate that the sum of (y) the aggregate Fair Market Value of the Vessels subject to a Mortgage or Vessel Owner Undertaking Letter and (z) any cash balance held in the Escrow Account is less than 200% (the "Required Percentage") of (i) at any time between June 30, 2025 and March 31, 2027, the outstanding principal amount of the Loans under Tranche A only, and (ii) at any time after March 31, 2027, the outstanding principal amount of the Loans (the "Minimum Value Percentage"), the Borrower shall within a period of fifteen (15) days following receipt by the Borrower of written notice from the Facility Agent (acting at the instruction of the Majority Lenders) notifying the Borrower of such shortfall and specifying the amount thereof (which amount shall, in absence of manifest error, be deemed to be conclusive and binding on the Borrower), either (a) pledge (or cause to be pledged) to the Security Trustee additional Collateral satisfactory to the Majority Lenders (the "Additional Collateral") of sufficient value such that the sum of (x) the aggregate Fair Market Value of the Vessels subject to a Mortgage or Vessel Owner Undertaking Letter, (y) any cash balance held in the Escrow Account and (z) the Additional Collateral is not less than the Required Percentage of the outstanding principal amount of the Loans or (b) prepay such amount of the Loans (together with interest thereon and any other monies payable in respect of such prepayment pursuant to Section 5.5 (Interest and Costs with Prepayments; Application of Prepayments)) such that after such prepayment, the Minimum Value Percentage is not less than the Required Percentage. To the extent the cash balance held in the Escrow Account is required to be included in the calculations described in this Section 10.3 (Minimum Value Percentage) to cause the Minimum Value Percentage to be equal or greater to the Required Percentage, such cash shall not be permitted to be released from the Escrow Account in connection with a transaction permitted under Section 5.4(a) (Sale of a Vessel) unless the Borrower demonstrates that following the release of such cash (and, if applicable, the granting of any new Mortgage upon the acquisition of a Replacement Vessel using such cash pursuant to Section 5.4(a) (Sale of a Vessel)), the Minimum Value Percentage shall not be less than the Required Percentage.

11. ASSIGNMENT

(a) This Agreement shall be binding upon, and inure to the benefit of, each of the Obligors and each of the Finance Parties and their respective successors and assigns, except that the Obligors may not assign any of their respective rights or obligations hereunder without the written consent of the Lenders.

(b) Each Lender shall be entitled to assign its rights and obligations under this Agreement with the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) and the Facility Agent; provided that, no such consent of the Borrower shall be necessary in the case of the assignment to (i) another Lender, (ii) a Subsidiary, an Affiliate, a Related Fund, another office or branch of any Lender, or (iii) any Person during the continuance of any Event of Default. Notwithstanding the foregoing sentence, a Lender may assign its rights and obligations under this Agreement without the consent of the Borrower if (a) upon receiving notice from such Lender of a proposed assignment, the Borrower does not provide irrevocable notice within five (5) Banking Days to the assigning Lender and the Facility Agent that the Borrower shall acquire such assigning Lender's rights and obligations on similar terms as the potential acquirer, and (b) the Borrower does not acquire such assigning Lender's

rights and obligations within thirty (30) days of delivering such notice. In any case, such Lender shall forthwith give notice of any such assignment to the Borrower and the Facility Agent and, provided no Event of Default has occurred and is continuing, the Borrower, and shall pay the Facility Agent an assignment fee of \$7,500 for each such assignment; provided, however, that any such assignment must be made pursuant to an Assignment and Assumption Agreement and any assignee that is not a Lender shall deliver to the Facility Agent an Administrative Questionnaire and such tax documentation as the Facility Agent may require. Each of the Obligor will take all reasonable actions requested by the Facility Agent or any Lender to effect such assignment, including but not limited to, providing the documents required pursuant to Section 10.1(v) (Know Your Customer Requirements). No Lender shall assign its rights and obligations under this Agreement to any natural Person, the Borrower (other than as provided for in this paragraph (b)) or any of the Borrower's Affiliates, or to any Lender that has not previously complied with its funding obligations under this Agreement.

(c) The aggregate amount of the Commitments to be assigned (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitments are not then in effect, the principal outstanding balance of the Loans to be assigned of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Facility Agent) shall not be less than \$1,000,000, unless each of the Facility Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed). Notwithstanding the foregoing, in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments and/or the Loans at the time owing to it no minimum amount need be assigned.

(d) The Facility Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders and principal amount of (and stated interest on) the Loans owing to each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Facility Agent, the Security Trustee and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Security Trustee and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of a duly completed Assignment and Assumption Agreement executed by an assigning Lender and an assignee, the assignment fee referred to above and any written consent to such assignment required, the Facility Agent shall accept such Assignment and Assumption Agreement and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment or provide documents required to be made by it pursuant to this Agreement, the Facility Agent shall have no obligation to accept such Assignment and Assumption Agreement and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(f) In addition, any Lender may at any time sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitments and/or the Loans owing to it); provided, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Facility Agent, the Security Trustee and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which

a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that requires the consent of each Lender directly affected thereby pursuant to the terms of this Agreement and that directly affects such Participant.

(g) Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amount of (and stated interest on) each Participant's interest in the participation ("Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in the participation) to any Person except to the extent that such disclosure is necessary to establish that the Loans or other obligation under this Agreement is registered under Section 5f.103-1(c) of the United States Treasury Regulations and Section 1.163-5(b) of the proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Facility Agent shall have no responsibility or obligation with respect to the Participant Register.

12. ILLEGALITY, INCREASED COST, NON-AVAILABILITY, ETC.

12.1 Illegality. In the event that by reason of any change in or introduction of any applicable law, regulation or regulatory requirement or in the interpretation thereof, a Lender has a reasonable basis to conclude that it has become unlawful for any Lender to maintain or give effect to its obligations as contemplated by this Agreement, such Lender shall inform the Facility Agent and the Borrower to that effect, whereafter the liability of such Lender to make its portion of the Loans available shall forthwith cease and the Borrower shall be required either to repay to such Lender that portion of the Loans advanced by such Lender within sixty (60) days or, if such Lender so agrees, to repay such portion of the Loans to the Lender on the last day of the calendar month in accordance with and subject to the provisions of Section 5.5 (Interest and Costs with Prepayments; Application of Prepayments). In any such event, but without prejudice to the aforesaid obligations of the Borrower to repay such portion of the Loans, the Borrower and the relevant Lender shall negotiate in good faith with a view to agreeing on terms for making such portion of the Loans available from another jurisdiction or otherwise restructuring such portion of the Loans on a basis which is not unlawful.

12.2 Increased Costs.

(a) If, after the Effective Date, any change in or introduction of applicable law, regulation or regulatory requirement (including any applicable law, regulation or regulatory requirement which relates to capital adequacy or liquidity controls or which affects the manner in which a Lender allocates capital resources under this Agreement), Basel III or CRD IV or any law or regulation that implements or applies Basel III or CRD IV, or in the interpretation or application thereof by any governmental or other authority, shall:

- (i) subject any Lender to any Taxes (but excluding Taxes subject to the gross up under Section 8 (Taxes) and Taxes exempt from gross up pursuant to this Agreement) with respect to its income from the Loans, or any part thereof;

- (ii) impose, modify or deem applicable any reserve requirements or require the making of any special deposits against or in respect of any assets or liabilities of, deposits with or for the account of, or loans by, a Lender; or
- (iii) impose on any Lender any other non-tax condition affecting the Loans or any part thereof,

and the result of the foregoing is either to increase the cost to such Lender of making available or maintaining the Loans or any part thereof or to reduce the amount of any payment received by such Lender, then and, in any such case, if such increase or reduction, in the opinion of such Lender, materially affects the interests of such Lender under or in connection with this Agreement:

- (b) such Lender shall notify the Facility Agent and the Borrower of the happening of such event, and
- (c) the Borrower agrees forthwith upon demand to pay to such Lender such amount as such Lender certifies to be necessary to compensate such Lender for such additional cost or such reduction in respect of the Loans.
- (d) In this Section 12.2 (Increased Costs),
 - (i) “Basel III” means:
 - (A) the agreements on capital requirements, a leverage ratio and liquidity standards contained in “Basel III: A global regulatory framework for more resilient banks and banking systems”, “Basel III: International framework for liquidity risk measurement, standards and monitoring” and “Guidance for national authorities operating the countercyclical capital buffer” published by the Basel Committee on Banking Supervision in December 2010, each as amended, supplemented or restated;
 - (B) the rules for global systemically important banks contained in “Global systemically important banks: assessment methodology and the additional loss absorbency requirement - Rules text” published by the Basel Committee on Banking Supervision in November 2011, as amended, supplemented or restated; and
 - (C) any further guidance or standards published by the Basel Committee on Banking Supervision relating to “Basel III”;
 - (ii) “CRD IV” means:
 - (A) Regulation (EU) No 575/2013 of the European Parliament and of the Council of 26 June 2013 on prudential requirements for credit institutions and investment firms and amending regulation (EU) No. 648/2012;
 - (B) Directive 2013/36/EU of the European Parliament and of the Council of 26 June 2013 on access to the activity of credit institutions and the prudential supervision of credit institutions and investment firms, amending Directive 2002/87/EC and repealing Directives 2006/48/EC and 2006/49/EC; and

12.3 Lender's Certificate Conclusive. A certificate or determination notice of any Lender as to any of the matters referred to in this Section 12 (Illegality, Increased Cost, Non-Availability, Etc.) shall, absent manifest error, be conclusive and binding on the Borrower.

12.4 Compensation for Losses. Where the Loans or any portion thereof is to be repaid by the Borrower pursuant to this Section 12 (Illegality, Increased Cost, Non-Availability, Etc.), the Borrower agrees simultaneously with such repayment to pay to the relevant Lenders all accrued interest to the date of actual payment on the amount repaid and all other sums then payable by the Borrower to the relevant Finance Party pursuant to this Agreement, together with such amounts as may be necessary and are certified by the relevant Lender to be necessary to compensate such Lender for any actual loss, premium or penalties incurred or to be incurred thereby on account of funds borrowed to make, fund or maintain the Loans or such portion thereof until the next Repayment Date, if any, but otherwise without penalty or premium.

13. CURRENCY INDEMNITY

13.1 Currency Conversion. If, for the purpose of obtaining or enforcing a judgment in any court in any country, it becomes necessary to convert into any other currency (the "judgment currency") an amount due in Dollars under any Loan Document, then the conversion shall be made, in the discretion of the Facility Agent, at the rate of exchange available to the Facility Agent in accordance with its normal practices (the "conversion date"), provided that the Finance Parties shall not be entitled to recover under this Section 13.1 (Currency Conversion) any amount in the judgment currency which exceeds at the conversion date the amount in Dollars due under any Loan Document.

13.2 Change in Exchange Rate. If there is a change in the rate of exchange prevailing between the conversion date and the date of actual payment of the amount due, the Borrower shall pay such additional amounts (if any, but, in any event, not a lesser amount) as may be necessary to ensure that the amount paid in the judgment currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount then due under the Loan Documents in Dollars; any excess over the amount due received or collected by any Lender shall be remitted to the Borrower.

13.3 Additional Debt Due. Any amount due from any Obligor under this Section 13 (Currency and Indemnity) shall be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of the Loan Documents.

13.4 Rate of Exchange. The term "rate of exchange" in this Section 13 (Currency and Indemnity) means the rate at which the Facility Agent in accordance with its normal practices is able on the relevant date to purchase Dollars with the judgment currency and includes any premium and costs of exchange payable in connection with such purchase. Notwithstanding anything contained herein to the contrary: (i) the Facility Agent shall be entitled to rely conclusively on the bases (which will be the exchange rate resulting from the Facility Agent's normal procedures) for such determination utilized by it and shall not be held liable for any associated losses (including without limitation any losses incurred on account of the difference between any indicative market rate utilized by the Facility Agent, on the one hand, and any other market rate that may be obtained in respect of any foreign exchange transaction, on the other hand); (ii) the Facility Agent makes no representation and shall not be deemed to make any representation that any exchange rate used or obtained in any currency conversion under this Agreement or any other Loan Document will be the most favorable rate that could be obtained at the time or as to the method by which

that rate will be determined; (iii) the Obligors and the Lenders shall assume and bear all risk of loss with respect to any foreign currency exchanges and the fluctuation of currency prices; and (iv) any foreign exchange transaction may be transmitted by the Facility Agent to a sub-custodian or depository and such entity may not be the foreign exchange counterparty and the foreign exchange transaction may not be processed and priced as described in this Agreement or any other Loan Document.

14. FEES AND EXPENSES

14.1 Fees.

(a) Tranche A Commitment Fee. The Borrower shall pay to the Facility Agent for the ratable account of the Lenders, a commitment fee (the "Tranche A Commitment Fee") equal to (i) 3.00% per annum multiplied by (ii) the aggregate daily unused Commitments relating to Tranche A, payable quarterly in arrears on the last Banking Day of each March, June, September and December from the earlier of (x) the Initial Funding Date and (y) December 16, 2024 until the final date of the Availability Period with respect to Tranche A (or if earlier, the date of cancellation of the Commitments relating to Tranche A in full), with any remaining accrued and unpaid Tranche A Commitment Fee payable on the final date of the Availability Period with respect to Tranche A.

(b) Tranche B Commitment Fee. The Borrower shall pay to the Facility Agent for the ratable account of the Lenders, a commitment fee (the "Tranche B Commitment Fee") equal to (i) 3.00% per annum multiplied by (ii) the aggregate daily unused Commitments relating to Tranche B, payable quarterly in arrears on the last Banking Day of each March, June, September and December from the Effective Date until the final date of the Availability Period with respect to Tranche B (or if earlier, the date of cancellation of the Commitments relating to Tranche B in full), with any remaining accrued and unpaid Tranche B Commitment Fee payable on the final date of the Availability Period with respect to Tranche B.

(c) Fee Letters. The Borrower shall pay all fees in the amount and at the times agreed in any Fee Letter.

14.2 Expenses. The Obligors agree, whether or not the transactions hereby contemplated are consummated, on demand, within five (5) Banking Days of demand therefor, to pay, or reimburse the Facility Agent, the Security Trustee and the Lenders for payment of, (i) the reasonable expenses of each of the Facility Agent, the Security Trustee and the Lenders resulting or arising from said transactions (and in connection with any supplements, amendments, waivers or consents relating thereto or incurred in connection with the enforcement or defense of any of the Finance Parties' rights or remedies with respect thereto or in the preservation of the Finance Parties' priorities under the documentation executed and delivered in connection therewith), including, without limitation, all costs and expenses of preparation, negotiation, execution and administration of this Agreement and the documents referred to herein, the reasonable and documented fees and disbursements of counsel in connection therewith, as well as the fees and expenses of any independent appraisers, surveyors, engineers, inspectors and other consultants retained in connection with this Agreement and the transactions contemplated hereby and under the Loan Documents, (ii) all costs and expenses, if any, in connection with the enforcement of this Agreement, the Notes and the Loan Documents and (iii) stamp and other similar taxes, if any, resulting or arising from the execution and delivery of the documents (including, without limitation, the Note) herein contemplated and to hold the Facility Agent, the Security Trustee and the Lenders free and harmless in connection with any liability arising from the non-payment of any such stamp or other similar taxes. Such stamp or other similar taxes and, if any, interest and penalties related thereto as may become payable after the Effective Date shall be paid immediately by the Borrower to the Facility Agent, the Security Trustee or the Lenders, as applicable, when liability therefor is no longer contested by the Facility Agent, the Security Trustee or the Lenders or reimbursed immediately by the Borrower to the Facility Agent, the Security Trustee or the

Lenders after payment thereof (if the Facility Agent, the Security Trustee of the Lenders, in their sole discretion, choose to make such payment). The covenants contained in this Section 14.2 (Expenses) shall survive payment or satisfaction in full of the Loans and all other obligations under this Agreement and the other Loan Documents and the earlier resignation or replacement of the Facility Agent or Security Trustee.

15. THE FACILITY AGENT.

15.1 Appointment of the Facility Agent.

- (a) Each of the Lenders appoints the Facility Agent to act as its agent under and in connection with the Loan Documents.
- (b) Each of the Lenders authorizes the Facility Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Facility Agent under, or in connection with, the Loan Documents together with any other incidental rights, powers, authorities and discretions.

15.2 Instructions.

- (a) The Facility Agent shall:
 - (i) exercise or refrain from exercising any right, power, authority or discretion vested in it as Facility Agent (including, without limitation, make any designation, determination, judgment, specification or demand, approve an evidence or the form of a document, serve a notice, grant an approval or a consent or refrain from taking any such action), upon receipt of and in accordance with any instructions given to it by (unless otherwise expressly provided for in the Loan Documents):

(A) all Lenders if the relevant Loan Document expressly stipulates the matter is an all-Lender decision; and

(B) in all other cases, the Majority Lenders.

For the avoidance of doubt, without limiting any rights, protections, immunities or indemnities afforded to the Facility Agent hereunder (including without limitation this Article XV), phrases such as “satisfactory to the Facility Agent,” “approved by the Facility Agent,” “acceptable to the Facility Agent,” “as determined by the Facility Agent,” “designed by the Facility Agent,” “specified by the Facility Agent,” “in the Facility Agent’s discretion,” “selected by the Facility Agent,” “elected by the Facility Agent,” “requested by the Facility Agent,” “in the opinion of the Facility Agent,” and phrases of similar import that authorize or permit the Facility Agent to approve, disapprove, determine, act, evaluate or decline to act in its discretion shall be subject to the Facility Agent receiving a direction from the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under this Agreement); and

- (ii) not be liable for any act (or omission) if it acts (or refrains from acting) (A) in accordance with sub-paragraph (i) above (or, if this Agreement

stipulates the matter is a decision for any other Lender or group of Lenders, in accordance with instructions given to it by that Lender or group of Lenders) and (B) in its capacity as Facility Agent under the Loan Documents.

(b) Any instructions given by the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under the Loan Documents), shall be in writing and any instructions by the Majority Lenders on matters which do not require the consent or instructions of all the Lenders as specified in this Agreement shall be binding on all the Lenders.

(c) The Facility Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Loan Document expressly stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Facility Agent may refrain from acting unless and until it receives any such instructions or clarification that it has requested. The Facility Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, and shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first (i) receive in writing direction from the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under this Agreement) and (ii) be indemnified and provided with adequate security to its sole satisfaction by such Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such directed action.

(d) Save in the case of decisions stipulated to be a matter for any Lender or group of lenders under the relevant Loan Document and unless otherwise expressly provide for in a Loan Document, any instructions given to the Facility Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Lenders.

(e) Without prejudice to paragraph (a)(ii) above, paragraph (a)(i) above shall not apply in respect of any provision which protects the Facility Agent's own position in its personal capacity as opposed to its role of Facility Agent for the relevant Finance Parties.

(f) The Facility Agent may refrain from acting in accordance with any instructions of any Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Loan Documents and which may include payment in advance) for any cost, loss or liability which it may reasonably incur in complying with those instructions.

(g) Without prejudice to the remainder of this Section 15.2 (Instructions), in the absence of instructions, the Facility Agent shall not be obliged to take any action (or refrain from taking action) even if it considers acting or not acting to be in the best interests of the Finance Parties.

15.3 Duties of the Facility Agent.

(a) The Facility Agent's duties under the Loan Documents are solely mechanical and administrative in nature.

(b) Subject to paragraph (c) below, the Facility Agent shall promptly make available to a Party the original or a copy of any document or notice which is delivered to the Facility Agent for that Party by any other Party.

(c) Without prejudice to Section 11 (Assignments), paragraph (b) above shall not apply to any Assignment and Assumption Agreement.

(d) Notwithstanding anything set out in a Loan Document, the Facility Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.

(e) If the Facility Agent receives notice from a Party referring to any Loan Document, describing a circumstance and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties but shall not have any duty to verify whether the circumstance described has actually occurred or whether it constitutes a Default.

(f) If the Facility Agent is aware of the non-payment of any principal, interest or any fee payable to a Finance Party under this Agreement, it shall promptly notify the other Finance Parties.

(g) The Facility Agent shall provide to the Borrower within five (5) Banking Days of a request by the Borrower (but no more frequently than once per calendar quarter), a list (which may be in electronic form) setting out the names of the Lenders as at that Banking Day, their respective Commitments, the address and fax number (and the department or officer, if any, for whose attention any communication is to be made) of each Lender for any communication to be made or document to be delivered under or in connection with the Loan Documents, the electronic mail address and/or any other information required to enable the sending and receipt of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Loan Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Facility Agent to that Lender under the Loan Documents.

(h) The Facility Agent shall have only those duties, obligations and responsibilities expressly specified in the Loan Documents to which it is expressed to be a party (and no others shall be implied).

15.4 No Fiduciary Duties.

(a) Nothing in any Loan Document constitutes the Facility Agent as a trustee or fiduciary of any other person.

(b) The Facility Agent shall not be bound to account to other Finance Party for any sum or the profit element of any sum received by it for its own account.

15.5 Application of Receipts. Except as expressly stated to the contrary in any Loan Document, any moneys which the Facility Agent receives or recovers in its capacity as Facility Agent shall be applied by the Facility Agent in accordance with Section 7.5 (Application of Receipts; Partial Payments).

15.6 Business with the Group. The Facility Agent may accept deposits from, lend money to, and generally engage in any kind of banking or other business with, any member of the Group.

15.7 Rights and Discretions.

(a) The Facility Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorized;

- (ii) assume that:
 - (A) any instructions received by it from the Majority Lenders, any Finance Parties or any group of Finance Parties are duly given in accordance with the terms of the Loan Documents; and
 - (B) unless it has received written notice of revocation, that those instructions have not been revoked; and
- (iii) rely on a certificate from any person:
 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or
 - (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing, as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

(b) The Facility Agent may assume (unless it has received written notice to the contrary in its capacity as agent for the Finance Parties) that:

- (i) no Default has occurred (unless it has actual knowledge of a Default arising under Section 9.1(a) (Non-payment));
- (ii) any right, power, authority or discretion vested in any Party or any group of Finance Parties has not been exercised; and

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Facility Agent may at any time engage (at the Borrower's expense) the services of any lawyers to act as independent counsel to the Facility Agent (and so separate from any lawyers instructed by the Lenders) if the Facility Agent in its reasonable opinion deems this to be desirable.

(e) The Facility Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Facility Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) The Facility Agent may act in relation to the Loan Documents and the Collateral through its officers, employees, delegate, receiver and agents and shall not:

- (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Facility Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction.

(g) Unless a Loan Document expressly provides otherwise the Facility Agent may disclose to any other Party any information it reasonably believes it has received as agent under the Loan Documents.

(i) Notwithstanding any provision of any Loan Document to the contrary, the Facility Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

15.8 Responsibility for Documentation. The Facility Agent is not responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Trustee, a Transaction Obligor or any other person in, or in connection with, any Loan Document or the transactions contemplated in the Loan Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document; or

(b) the legality, validity, effectiveness, adequacy or enforceability of any Loan Document or the Collateral or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Loan Document or the Collateral; or

(c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Transaction Obligor of its obligations under any Loan Document; or

(c) whether any other event specified in any Loan Document has occurred.

15.10 Exclusion of Liability.

(a) Without limiting paragraph (b) below (and without prejudice to paragraph (e) of Section 7.10 (Disruption to Payment Systems etc.) or any other provision of any Loan Document excluding or limiting the liability of the Facility Agent), the Facility Agent will not be liable for:

- (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Loan Document or the Collateral, unless directly caused by its gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction;
- (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Loan Document, the Collateral or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Loan Document or the Collateral;
- (iii) any shortfall which arises on the enforcement or realization of the Collateral; or
- (iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation, for negligence or any other category of liability whatsoever) arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction, including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of nationalization, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets; breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(c) The Facility Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Loan Documents to be paid by the Facility Agent if the Facility Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognized clearing or settlement system used by the Facility Agent for that purpose.

(d) Nothing in this Agreement shall oblige the Facility Agent to carry out:

- (i) any “know your customer” or other checks in relation to any person; or

(ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party,

on behalf of any Finance Party and each Finance Party confirms to the Facility Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Facility Agent.

(e) Without prejudice to any provision of any Loan Document excluding or limiting the Facility Agent's liability, any liability of the Facility Agent arising under or in connection with any Loan Document or the Collateral shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Facility Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Facility Agent at any time which increase the amount of that loss. In no event shall the Facility Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Facility Agent has been advised of the possibility of such loss or damages.

(f) The Facility Agent shall not be under any obligation to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Transaction Obligor or any other Person.

(g) The Facility Agent shall not be responsible in any manner for any recitals, statements, representations or warranties contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Facility Agent under or in connection with, this Agreement or any other Loan Document or for the creation, perfection or priority of any Lien or security interest created or purported to be created hereunder or under any other Loan Document.

(a) Each Lender shall (in proportion to its share of the Commitments or, if the Commitments are then zero, to its share of the Loans outstanding) indemnify the Facility Agent, within three Banking Days of demand, against any cost, loss or liability incurred by the Facility Agent (otherwise than by reason of the Facility Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction) (or, in the case of any cost, loss or liability pursuant to Section 7.10 (Disruption to Payment Systems etc.) notwithstanding the Facility Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Facility Agent) in acting as Facility Agent under the Loan Documents (unless the Facility Agent has been reimbursed by a Transaction Obligor pursuant to a Loan Document).

(b) Subject to paragraph (c) below, the Borrower shall immediately on demand reimburse any Lender for any payment that Lender makes to the Facility Agent pursuant to paragraph (a) above.

(c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which a Lender claims reimbursement relates to a liability of the Facility Agent to an Obligor.

(d) The covenants contained in this Section 15.11 (Lenders' Indemnity to the Facility Agent) shall survive payment or satisfaction in full of the Loans or any Lender's portion of the Loans and all other obligations under this Agreement and the other Loan Documents and the earlier resignation or replacement of the Facility Agent.

15.12 Resignation or Replacement of the Facility Agent

(a) The Facility Agent may resign and appoint one of its Affiliates as successor by giving five (5) Banking Days' notice to the other Finance Parties and the Borrower.

(b) Alternatively, the Facility Agent may resign by giving thirty (30) days' notice to the other Finance Parties and the Borrower, in which case the Majority Lenders may appoint a successor Facility Agent.

(c) If the Majority Lenders have not appointed a successor Facility Agent in accordance with paragraph (b) above within twenty (20) days after notice of resignation was given (or such earlier day as may be agreed by the Majority Lenders), the retiring Facility Agent may (but shall not be obliged to), appoint a successor Facility Agent or petition a court of competent jurisdiction to appoint a successor Facility Agent.

(d) The retiring Facility Agent shall, at the Borrower's cost, make available to the successor Facility Agent such documents and records and provide such assistance as the successor Facility Agent may reasonably request for the purposes of performing its functions as Facility Agent under the Loan Documents. The Borrower shall indemnify the retiring Facility Agent prior to it being required to undertake any actions referred to in this sub-paragraph for the amount of all costs and expenses (including legal fees) to be properly incurred by it in making available such documents and records and providing such assistance.

(e) The retiring Facility Agent's resignation notice shall only take effect upon the appointment of a successor.

(f) Upon the appointment of a successor, the retiring Facility Agent shall be discharged from any further obligation in respect of the Loan Documents (other than its obligations under paragraph (d) above) but shall remain entitled to the benefit of Section 15 (The Facility Agent) and any other provisions of a Loan Document which are expressed to limit or exclude its liability (or to indemnify it) in acting as Facility Agent. Any fees for the account of the retiring Facility Agent shall cease to accrue from (and shall be payable on) that date. Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

(g) The Majority Lenders may, by notice to the Facility Agent, require it to resign in accordance with paragraph (b) above. In this event, the Facility Agent shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (d) above shall be for the account of the Borrower.

If any Party owes an amount to the Facility Agent under the Loan Documents, the Facility Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Facility Agent would otherwise be obliged to make under the Loan Documents and apply the amount deducted in or towards satisfaction of the amount owed. - (d) The Security Trustee may engage (at the Borrower's cost) for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.
- (e) Without prejudice to the generality of paragraph (c) above or paragraph (f) below, the Security Trustee may at any time engage (at the Borrower's cost) for the services of any lawyers to act as independent counsel to the Security Trustee (and so separate from any lawyers instructed by the Facility Agent or the Lenders) if the Security Trustee in its reasonable opinion deems this to be desirable.
- (f) The Security Trustee may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Security Trustee or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (g) The Security Trustee may act in relation to the Loan Documents and the Collateral through its officers, employees, delegate, receiver and agents and shall not:
 - (i) be liable for any error of judgment made by any such person; or

- (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part of any such person,

unless such error or such loss was directly caused by the Security Trustee's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction.

(h) Unless a Loan Document expressly provides otherwise the Security Trustee may disclose to any other Party any information it reasonably believes it has received as security agent under the Loan Documents.

(i) Without prejudice to Section 16.6 (No Fiduciary Duties) and notwithstanding any other provision of any Loan Document to the contrary, the Security Trustee is not obliged to do or omit to do anything if it would or might, in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.

(j) Notwithstanding any provision of any Loan Document to the contrary, the Security Trustee is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

16.9 Responsibility for Documentation. The Security Trustee shall not be responsible or liable for:

(a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Facility Agent, the Security Trustee, a Transaction Obligor or any other person in, or in connection with, any Loan Document or the transactions contemplated in the Loan Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Loan Document or the Collateral or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Loan Document or the Collateral; or

(c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

16.10 No Duty to Monitor. The Security Trustee shall not be bound to enquire:

(a) whether or not any Default has occurred;

(b) as to the performance, default or any breach by any Transaction Obligor of its obligations under any Loan Document; or

(c) whether any other event specified in any Loan Document has occurred.

16.11 Exclusion of Liability.

(a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Loan Document excluding or limiting the liability of the Security Trustee), the Security Trustee will not be liable for:

- (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Loan Document or the Collateral, unless directly caused by its gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction;
- (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Loan Document, the Collateral or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Loan Document or the Collateral; or
- (iii) any shortfall which arises on the enforcement or realization of the Collateral; or
- (iv) without prejudice to the generality of sub-paragraphs (i) to (iii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever
(including, without limitation, for negligence or any other category of liability whatsoever) arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction,
including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of nationalization, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

(b) No Party other than the Security Trustee may take any proceedings against any officer, employee, receiver, delegate or agent of the Security Trustee in respect of any claim it might have against the Security Trustee or in respect of any act or omission of any kind by that officer, employee, receiver, delegate or agent in relation to any Loan Document or any Collateral and any officer, employee, receiver, delegate or agent of the Security Trustee may rely on this Section.

(c) The Security Trustee will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Loan Documents to be paid by the Security

Trustee if the Security Trustee has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognized clearing or settlement system used by the Security Trustee for that purpose.

(d) Nothing in this Agreement shall oblige the Security Trustee to carry out:

- (i) any “know your customer” or other checks in relation to any person; or
- (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party,

on behalf of any Finance Party and each Finance Party confirms to the Security Trustee that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Security Trustee.

(e) Without prejudice to any provision of any Loan Document excluding or limiting the liability of the Security Trustee, any liability of the Security Trustee arising under or in connection with any Loan Document or the Collateral shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Security Trustee or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Security Trustee, at any time which increase the amount of that loss. In no event shall the Security Trustee be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Security Trustee has been advised of the possibility of such loss or damages.

(f) The Security Trustee shall not be under any obligation to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Transaction Obligor or any other Person.

(g) The Security Trustee shall not be responsible in any manner for any recitals, statements, representations or warranties contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Security Trustee under or in connection with, this Agreement or any other Loan Document or for the creation, perfection or priority of any Lien or security interest created or purported to be created hereunder or under any other Loan Document.

(h) The rights, privileges, protections, immunities and benefits given to the Security Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable: (i) by the Security Trustee in each Loan Document and any other document related hereto or thereto to which it is a party and (ii) the entity serving as the Security Trustee in each of its capacities hereunder and in each of its capacities under any Loan Document whether or not specifically set forth therein and each agent, custodian and other Person employed to act hereunder and under any Loan Document or related document, as the case may be.

16.12 Lenders' Indemnity to the Security Trustee.

(a) Each Lender shall (in proportion to its share of the total Commitments or, if the total Commitments are then zero, to its share of the Loan outstanding) indemnify the Security Trustee, within three (3) Banking Days of demand, against any cost, loss or liability incurred by any of them (otherwise than by reason of the Security Trustee's gross negligence or willful misconduct as determined

by a final non-appealable judgment of a court of competent jurisdiction) in acting as Security Trustee under the Loan Documents (unless the Security Trustee has been reimbursed by a Transaction Obligor pursuant to a Loan Document).

(b) Subject to paragraph (c) below, the Borrower shall immediately on demand reimburse any Lender for any payment that Lender makes to the Security Trustee pursuant to paragraph (a) above.

(c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which a Lender claims reimbursement relates to a liability of the Security Trustee to an Obligor.

(d) The covenants contained in this Section 16.12 (Lenders' Indemnity to the Security Trustee) shall survive payment or satisfaction in full of the Loans or any Lender's portion of the Loans and all other obligations under this Agreement and the other Loan Documents and the earlier resignation or replacement of the Security Trustee.

16.13 Resignation or Replacement of the Security Trustee.

(a) The Security Trustee may resign and appoint one of its Affiliates as successor by giving notice to the other Finance Parties and the Borrower.

(b) Alternatively, the Security Trustee may resign by giving thirty (30) days' notice to the other Finance Parties and the Borrower, in which case the Majority Lenders may appoint a successor Security Trustee.

(c) If the Majority Lenders have not appointed a successor Security Trustee in accordance with paragraph (b) above within twenty (20) days after notice of resignation was given, the retiring Security Trustee may appoint a successor Security Trustee or petition a court of competent jurisdiction to appoint a successor Security Trustee.

(d) The retiring Security Trustee shall, at the Borrower's cost, make available to the successor Security Trustee such documents and records and provide such assistance as the successor Security Trustee may reasonably request for the purposes of performing its functions as Security Trustee under the Loan Documents. The Borrower shall indemnify the retiring Security Trustee prior to it being required to undertake any actions referred to in this sub-paragraph for the amount of all costs and expenses (including legal fees) to be properly incurred by it in making available such documents and records and providing such assistance. The Security Trustee's resignation notice shall only take effect upon:

- (i) the appointment of a successor; and
- (ii) the transfer, by way of a document expressed as a deed, of all the Collateral to that successor.

(e) Upon the appointment of a successor, the retiring Security Trustee shall be discharged, by way of a document executed as a deed, from any further obligation in respect of the Loan Documents (other than its obligations under paragraph (b) of Section 16.25 (Winding up of Trust) and paragraph (d) above) but shall remain entitled to the benefit of this Section 16 (The Security Trustee) and any other provisions of a Loan Document which are expressed to limit or exclude its liability (or to indemnify it) in acting as Security Trustee. Any fees for the account of the retiring Security Trustee shall cease to accrue from (and shall be payable on) that date. Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

(f) The Majority Lenders may, by notice to the Security Trustee, require it to resign in accordance with paragraph (b) above. In this event, the Security Trustee shall resign in accordance with paragraph (b) above but the cost referred to in paragraph (d) above shall be for the account of the Borrower.

(g) The consent of the Borrower (or any other Transaction Obligor) is not required for an assignment or transfer of rights and/or obligations by the Security Trustee.

16.14 Confidentiality.

(a) In acting as Security Trustee for the Finance Parties, the Security Trustee shall be regarded as acting through its trustee division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by a division or department of the Security Trustee other than the division or department responsible for complying with the obligations assumed by it under the Loan Documents, that information may be treated as confidential to that division or department, and the Security Trustee shall not be deemed to have notice of it nor shall it be obliged to disclose such information to any Party.

(c) Without prejudice to Section 16.6 (No fiduciary duties) and notwithstanding any other provision of any Loan Document to the contrary, the Security Trustee is not obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty.

16.15 Credit Appraisal by the Lenders. Without affecting the responsibility of any Transaction Obligor for information supplied by it or on its behalf in connection with any Loan Document, each Lender confirms to the Security Trustee that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under, or in connection with, any Loan Document including but not limited to:

(a) the financial condition, status and nature of each Transaction Obligor;

(b) the legality, validity, effectiveness, adequacy or enforceability of any Loan Document, the Collateral and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document or the Collateral;

(c) whether that Lender has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under, or in connection with, any Loan Document, the Collateral, the transactions contemplated by the Loan Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document or the Collateral;

(d) the adequacy, accuracy or completeness of any information provided by the Security Trustee, any Party or by any other person under, or in connection with, any Loan Document, the transactions contemplated by any Loan Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Loan Document; and

(e) the right or title of any person in or to or the value or sufficiency of any part of the Collateral, the priority of any of the Collateral or the existence of any Security affecting the Collateral.

16.16 Security Trustee's Management Time.

(a) Any amount payable to the Security Trustee under Section 16.12 (Lenders' indemnity to the Security Trustee), Section 16.37 (Indemnity to the Security Trustee) and Section 18.9 (Indemnification) shall include the cost of utilizing the Security Trustee's management time or other resources and will be calculated on the basis of such reasonable daily or hourly rates as the Security Trustee may notify to the Borrower and the other Finance Parties and is in addition to any fee paid or payable to the Security Trustee under Section 14 (Fees).

(b) Without prejudice to paragraph (a) above, in the event of:

- (i) a Default;
- (ii) the Security Trustee being requested by a Transaction Obligor or the Majority Lenders to undertake duties which the Security Trustee determines to be of an exceptional nature or outside the scope of the normal duties of the Security Trustee under the Loan Documents; or
- (iii) the Security Trustee and the Borrower agreeing that it is otherwise appropriate in the circumstances,

the Borrower shall pay to the Security Trustee any additional remuneration that may be agreed between them or determined pursuant to paragraph (c) below.

(c) If the Security Trustee and the Borrower fail to agree upon the nature of the duties, or upon the additional remuneration referred to in paragraph (b) above or whether additional remuneration is appropriate in the circumstances, any dispute shall be determined by an investment bank (acting as an expert and not as an arbitrator) selected by the Security Trustee and approved by the Borrower.

16.17 Reliance and Engagement letters. Each Finance Party confirms that the Security Trustee has authority to accept on its behalf (and ratifies the acceptance on its behalf of any letters or reports already accepted by the Security Trustee) the terms of any reliance letter or engagement letters or any reports or letters provided by accountants, auditors or providers of due diligence reports in connection with the Loan Documents or the transactions contemplated in the Loan Documents and to bind it in respect of those, reports or letters and to sign such letters on its behalf and further confirms that it accepts the terms and qualifications set out in such letters.

16.18 No Responsibility to Perfect Collateral. The Security Trustee shall not be liable for any failure to:

(a) require the deposit with it of any deed or document certifying, representing or constituting the title of any Transaction Obligor to any of the Collateral;

(b) obtain any license, consent or other authority for the execution, delivery, legality, validity, enforceability or admissibility in evidence of any Loan Document or the Collateral;

(c) register, file or record or otherwise protect any of the Collateral (or the priority of any of the Collateral) under any law or regulation or to give notice to any person of the execution of any Loan Document or of the Collateral;

(d) take, or to require any Transaction Obligor to take, any step to perfect its title to any of the Collateral or to render the Collateral effective or to secure the creation of any ancillary Security under any law or regulation; or

(e) require any further assurance in relation to any Loan Document.

16.19 Insurance by Security Trustee.

(a) The Security Trustee shall not be obliged:

(i) to insure any of the Collateral;

(ii) to require any other person to maintain any insurance; or

(iii) to verify any obligation to arrange or maintain insurance contained in any Loan Document,

and the Security Trustee shall not be liable for any damages, costs or losses to any person as a result of the lack of, or inadequacy of, any such insurance.

(b) Where the Security Trustee is named on any insurance policy as an insured party, it shall not be liable for any damages, costs or losses to any person as a result of its failure to notify the insurers of any material fact relating to the risk assumed by such insurers or any other information of any kind.

16.20 Custodians and nominees. The Security Trustee may appoint and pay any person to act as a custodian or nominee on any terms in relation to any asset of the trust as the Security Trustee may determine, including for the purpose of depositing with a custodian this Agreement or any document relating to the trust created under this Agreement and the Security Trustee shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Agreement or be bound to supervise the proceedings or acts of any person.

16.21 Delegation by the Security Trustee.

(a) The Security Trustee may, at any time, delegate by power of attorney or otherwise to any person for any period, all or any right, power, authority or discretion vested in it in its capacity as such.

(b) That delegation may be made upon any terms and conditions (including the power to sub delegate) and subject to any restrictions that the Security Trustee may, in its discretion, think fit in the interests of the Finance Parties.

(c) No Security Trustee shall be bound to supervise, or be in any way responsible for any damages, costs or losses incurred by reason of any misconduct, omission or default on the part of any such delegate or sub delegate.

(a) The Security Trustee may at any time appoint (and subsequently remove) any person to act as a separate trustee or as a co-trustee jointly with it:

- (i) if it considers that appointment to be in the interests of the Finance Parties; or
- (ii) for the purposes of conforming to any legal requirement, restriction or condition which the Security Trustee deems to be relevant; or
- (iii) for obtaining or enforcing any judgment in any jurisdiction,

and the Security Trustee shall give prior notice to the Borrower and the Finance Parties of that appointment.

(b) Any person so appointed shall have the rights, powers, authorities and discretions (not exceeding those given to the Security Trustee under or in connection with the Loan Documents) and the duties, obligations and responsibilities that are given or imposed by the instrument of appointment.

(c) The remuneration that the Security Trustee may pay to that person, and any costs and expenses (together with any applicable VAT) incurred by that person in performing its functions pursuant to that appointment shall, for the purposes of this Agreement, be treated as costs and expenses incurred by the Security Trustee.

16.23 Acceptance of title. The Security Trustee shall be entitled to accept without enquiry, and shall not be obliged to investigate, any right and title that any Transaction Obligor may have to any of the Collateral and shall not be liable for or bound to require any Transaction Obligor to remedy any defect in its right or title.

16.24 Releases. Upon a disposal of any of the Collateral pursuant to the enforcement of the Collateral by the Security Trustee, the Security Trustee is irrevocably authorized (at the cost of the Borrower and without any consent, sanction, authority or further confirmation from any other Finance Party) to release, without recourse or warranty, that property from the Collateral and to execute any release of the Collateral that may be required or desirable.

16.25 Winding up of Trust. If the Security Trustee (acting on the instructions of the Majority Lenders) determines that:

- (a) all of the obligations of the Obligors under the Credit Agreement and secured by the Security Documents have been fully and finally discharged; and
- (b) no Finance Party is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to any Transaction Obligor pursuant to the Loan Documents,

then

- (i) the trusts set out in this Agreement shall be wound up and the Security Trustee shall release, without recourse or warranty, all of the Collateral and the rights of the Security Trustee under each of the Security Documents; and

- (ii) any Security Trustee which has resigned pursuant to Section 16.13 (Resignation of the Security Trustee) shall release, without recourse or warranty, all of its rights under each Security Document.

16.26 Powers Supplemental. The rights, powers, authorities and discretions given to the Security Trustee under or in connection with the Loan Documents shall be supplemental to any which may be vested in the Security Trustee by law or regulation or otherwise.

16.27 Reserved.

16.28 Application of Receipts. All amounts from time to time received or recovered by the Security Trustee pursuant to the terms of any Loan Document or in connection with the realization or enforcement of all or any part of the Collateral (for the purposes of this Section 16 (The Security Trustee), the "Recoveries") shall be held by the Security Trustee on trust to apply them at any time as the Security Trustee (acting at the instructions of the Majority Lenders in their discretion) sees fit, acting reasonably, to the extent permitted by applicable law (and subject to the remaining provisions of this Section 16 (The Security Trustee)), in accordance with Section 7.5 (Application of receipts; partial payments).

16.29 Permitted Deductions. The Security Trustee may, in its discretion:

- (a) set aside by way of reserve amounts required to meet, and to make and pay, any deductions and withholdings (on account of Taxes or otherwise) which it is or may be required by any applicable law to make from any distribution or payment made by it under this Agreement; and

- (b) pay all Taxes which may be assessed against it in respect of any of the Collateral, or as a consequence of performing its duties, or by virtue of its capacity as Security Trustee under any of the Loan Documents or otherwise (other than in connection with its remuneration for performing its duties under this Agreement).

16.30 Prospective liabilities. Following enforcement of any of the Collateral, the Security Trustee may, in its discretion, or at the request of the Facility Agent, hold any Recoveries in a suspense or impersonal account(s) in the name of the Security Trustee with such financial institution (including itself) for later payment to the Facility Agent for payment of:

- (a) any sum to the Security Trustee; and

- (b) any part of the obligations of the Obligors under the Credit Agreement,

that the Security Trustee or, in the case of paragraph (b) only, the Facility Agent, reasonably considers, in each case, might become due or owing at any time in the future.

16.31 Investment of proceeds. Prior to the payment of the proceeds of the Recoveries to the Facility Agent for application in accordance with Section 7.5 (Application of receipts; partial payments) the Security Trustee may hold all or part of those proceeds in an interest bearing suspense or impersonal account(s) in the name of the Security Trustee with such financial institution (including itself) pending the payment from time to time of those moneys.

16.32 Currency conversion.

(a) For the purpose of, or pending the discharge of, any of the Secured Liabilities the Security Trustee may convert any moneys received or recovered by the Security Trustee from one currency to another, in accordance with its normal practices.

(b) The obligations of any Transaction Obligor to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

(c) Notwithstanding anything contained herein to the contrary: (i) the Security Trustee shall be entitled to rely conclusively on the bases (which will be the exchange rate resulting from the Security Trustee's normal procedures) for such determination utilized by it and shall not be held liable for any associated losses (including without limitation any losses incurred on account of the difference between any indicative market rate utilized by the Security Trustee, on the one hand, and any other market rate that may be obtained in respect of any foreign exchange transaction, on the other hand); (ii) the Security Trustee makes no representation and shall not be deemed to make any representation that any exchange rate used or obtained in any currency conversion under this Agreement or any other Loan Document will be the most favorable rate that could be obtained at the time or as to the method by which that rate will be determined; (iii) the Obligors and the Lenders shall assume and bear all risk of loss with respect to any foreign currency exchanges and the fluctuation of currency prices; and (iv) any foreign exchange transaction may be transmitted by the Security Trustee to a sub-custodian or depositary and such entity may not be the foreign exchange counterparty and the foreign exchange transaction may not be processed and priced as described in this Agreement or any other Loan Document.

16.33 Good Discharge.

(a) Any payment to be made in respect of the obligations owed by the Obligors under the Credit Agreement by the Security Trustee may be made to the Facility Agent on behalf of the Finance Parties.

(b) The Security Trustee is under no obligation to make the payments to the Facility Agent under paragraph (a) above in the same currency as that in which the obligations and liabilities owing to the relevant Finance Party are denominated.

16.34 Amounts received by Borrower. If the Borrower receives or recovers any amount which, under the terms of any of the Loan Documents, should have been paid to the Security Trustee, that Borrower will hold the amount received or recovered on trust for the Security Trustee and promptly pay that amount to the Security Trustee for application in accordance with the terms of this Agreement.

16.35 Full freedom to enter into transactions. Without prejudice to Section 16.7 (Business with the Group) or any other provision of a Loan Document and notwithstanding any rule of law or equity to the contrary, the Security Trustee shall be absolutely entitled with the prior consent of the Borrower:

(a) to enter into and arrange banking, derivative, investment and/or other transactions of every kind with or affecting any Transaction Obligor or any person who is party to, or referred to in, a Loan Document (including, but not limited to, any interest or currency swap or other transaction, whether related to this Agreement or not, and acting as syndicate agent and/or security agent for, and/or participating in, other facilities to such Transaction Obligor or any person who is party to, or referred to in, a Loan Document);

- (b) to deal in and enter into and arrange transactions relating to:
 - (i) any securities issued or to be issued by any Transaction Obligor or any other person; or
 - (ii) any options or other derivatives in connection with such securities; and
- (c) to provide advice or other services to the Borrower or any person who is a party to, or referred to in, a Loan Document,

and, in particular, the Security Trustee shall be absolutely entitled, in proposing, evaluating, negotiating, entering into and arranging all such transactions and in connection with all other matters covered by paragraphs (a), (b) and (c) above, to use (subject only to insider dealing legislation) any information or opportunity, howsoever acquired by it, to pursue its own interests exclusively, to refrain from disclosing such dealings, transactions or other matters or any information acquired in connection with them and to retain for its sole benefit all profits and benefits derived from the dealings transactions or other matters.

16.36 Majority Lenders' Instructions.

(a) Notwithstanding anything to the contrary contained in the Loan Documents, the Parties acknowledge that where any provision in Loan Document refers to the Security Trustee being obliged to or entitled to take any specified action, exercise any discretion, make any determination, give any consent or waiver, or act in a certain way in connection with the transactions contemplated by the Loan Documents, it shall or may (as the case may be) take such specified action, exercise such discretion, make such determination, give any consent in accordance with the instructions or directions of the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under this Agreement) and in doing so shall be deemed to have acted reasonably.

(b) The instructions or directions of the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under this Agreement) shall be provided in accordance with, and are subject to, the provisions of Section 16.4 (Instructions).

(c) Notwithstanding the provisions of Section 16.4 (Instructions), the Security Trustee may refrain from acting in accordance with the instructions of the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under this Agreement) until it has received such security as it may require for any cost, loss or liability (together with any associated VAT) which it may incur in complying with the instructions.

(d) Notwithstanding the provisions of Section 16.4 (Instructions), in the absence of instructions from the Majority Lenders (or such other number or percentage of the Lenders as shall be expressly required under this Agreement), the Security Trustee shall not be obliged to take any action.

16.37 Indemnity to the Security Trustee.

- (a) Each Obligor shall, on demand, indemnify each Indemnitee against any cost, loss or liability incurred by any of them:
 - (i) in relation to or as a result of:
 - (A) any failure by the Borrower to comply with its obligations under Section 14 (Fees and Expenses);

- (B) acting or relying on any notice, request or instruction which it reasonably believes to be genuine, correct and appropriately authorized;
 - (C) the taking, holding, protection or enforcement of the Loan Documents and the Collateral;
 - (D) the exercise of any of the rights, powers, discretions, authorities and remedies vested in that Indemnitee by the Loan Documents or by law;
 - (E) any default by any Transaction Obligor in the performance of any of the obligations expressed to be assumed by it in the Loan Documents;
 - (F) any action by any Transaction Obligor which vitiates, reduces the value of, or is otherwise prejudicial to, the Collateral; and
 - (G) instructing lawyers, accountants, tax advisers, surveyors or other professional advisers or experts as permitted under the Loan Documents;
- (ii) acting as Facility Agent or Security Trustee under the Loan Documents or which otherwise relates to any of the Collateral or the performance of the terms of this Agreement or the other Loan Documents (otherwise, in each case, than by reason of the relevant Indemnitee's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction).

(b) The Security Trustee may, in priority to any payment to the Finance Parties, indemnify itself out of the Collateral in respect of, and pay and retain, all sums necessary to give effect to the indemnity in this Section 16.37 (Indemnity to the Security Agent) and shall have a lien on the Collateral and the proceeds of the enforcement of the Collateral for all monies payable to it.

18. MISCELLANEOUS

18.1 Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, the Facility Agent and each Finance Party and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and otherwise apply any and all deposits (general or special, time or demand, provisional or final) at any time held (including, but not limited to, the Earnings Account(s)) and other indebtedness at any time owing by the Facility Agent, such Finance Party or such Affiliate to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under the Loan Documents, irrespective of whether the Facility Agent or such Finance Party shall have made any demand under this Agreement and although such obligations may be unmatured. The Facility Agent and each Finance Party agrees promptly to notify the Borrower after any such set-off and application; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Facility Agent and each Finance Party and their respective Affiliates under this Section 18.1 (Right of Set-off) are in addition to other rights and remedies (including, without limitation, other rights of set-off) that the Facility Agent, such Finance Party, the Security Trustee and their respective Affiliates may have.

18.2 Time of Essence. Time is of the essence with respect to this Agreement but no failure or delay on the part of any of the Facility Agent, the Security Trustee or the other Finance Parties to exercise any power or right under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise by any of the Facility Agent, the Security Trustee or the other Finance Parties of any power or right hereunder preclude any other or further exercise thereof or the exercise of any other power or right. The remedies provided herein are cumulative and are not exclusive of any remedies provided by law.

18.3 Invalidity. In case any one or more of the provisions contained in this Agreement or any other Loan Document would, if given effect, be invalid, illegal or unenforceable in any respect under any law applicable in any relevant jurisdiction, said provision shall not be enforceable against the Borrower or other applicable Obligor, but the validity, legality and enforceability of the remaining provisions herein or therein contained shall not in any way be affected or impaired thereby.

18.4 References. References herein to Articles, Sections, Exhibits and Schedules are to be construed as references to sections of, exhibits to, and schedules to, this Agreement or the other Loan Documents as applicable, unless the context otherwise requires.

18.5 Further Assurances. Each Obligor agrees that if this Agreement or any of the other Loan Documents shall, in the reasonable opinion of the Finance Parties, at any time be deemed by the Finance Parties for any reason insufficient in whole or in part to carry out the true intent and spirit hereof or thereof, it will execute or cause to be executed such other and further assurances and documents as in the opinion of the Finance Parties may be required in order to more effectively accomplish the purposes of this Agreement and/or the other Loan Documents (including, without limitation, to create, perfect, vest in favor of the Security Trustee or protect the priority of security conferred or intended to be conferred by or pursuant to the Loan Documents).

18.6 Prior Agreements, Merger. Any and all prior understandings and agreements heretofore entered into between the Obligors on the one part, and any of the Finance Parties, on the other part, relating to the transactions contemplated hereby, whether written or oral are superseded by and merged into this Agreement and the other agreements (the forms of which are exhibited hereto) to be executed and delivered in connection herewith to which the Obligors and the Finance Parties, as the case may be, are parties, which alone fully and completely express the agreements between the Obligors and the Finance Parties.

18.7 Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the parties hereto. Neither this Agreement, the Notes, any of the other Loan Documents nor any terms hereof or thereof may be waived or amended unless such waiver or amendment is approved by the Borrower and the Majority Lenders, provided, that no such waiver or amendment shall, without the written consent of each Lender affected thereby, (i) reduce the interest rate (other than any waiver of any default interest) or extend the time of a scheduled payment of principal or interest or fees (but not prepayment) on the Loan or reduce the principal amount of the Loan hereunder, (ii) increase or decrease any Commitment of any Lender or subject any Lender to any additional obligation, (iii) amend, modify or waive any provision of this Section 18.7 (Entire Agreement; Amendments), (iv) amend the definition of Majority Lenders (including component parts thereof), (v) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, or (vi) release any Transaction Obligor from any of its obligations under any Loan Document except as expressly provided herein or in such Loan Document; provided, further, that (a) no such waiver or amendment shall amend, modify or otherwise affect the rights or duties of the Facility Agent or the Security Trustee without the prior written consent of the Facility Agent or the Security Trustee acting as such at the effective date of such agreement, as applicable, and (b) no amendment, modification, termination or waiver of any provision of this Agreement that treats the Senior Lenders or Junior Lenders disproportionately from the other Lenders shall be effective without the written concurrence of such Lenders that are disproportionately treated. It is understood and agreed that Schedules 1-A and 2 may be amended by the Facility Agent (at the instruction of the Majority Lenders) and the Borrower from time to time to reflect the changes to the list of Subsidiary Guarantors, Vessel Owners and Vessels in accordance with the terms of this Agreement. It is acknowledged by the parties hereto as of the date hereof that Exhibits attached hereto are in substantially final form, but may be subject to additional review and modification as may be mutually agreed after the date hereof among the Borrower, the Majority Lenders and the Facility Agent.

18.8 Assumption re Event of Default. The Finance Parties shall be entitled to assume that no Event of Default or Default has occurred and is continuing, unless the Finance Parties have been notified by the Borrower of such fact. In the event that any Lender shall have been notified, in the manner set forth in the preceding sentence, by the Borrower of any Event of Default or Default, such Lender shall promptly notify the Facility Agent in writing, and the Majority Lenders may take action and assert such rights under this Agreement or under any other Loan Document or as provided for under applicable law as they determine are appropriate.

18.9 Indemnification. Neither any Finance Party nor any of its directors, officers, agents, delegates, receivers or employees shall be liable to any Obligor for any action taken or not taken thereby in connection herewith in the absence of its own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Each of the Obligors hereby jointly and severally agrees to indemnify the Finance Parties, their respective affiliates and the respective directors, officers, agents, delegates, receivers and employees of the foregoing (each an "Indemnitee") and hold each Indemnitee harmless from and against any and all claims, losses, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements (including legal fees and disbursements) of every nature and character (other than taxes) arising out of, in connection with, or as a result of the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations under the Loan Documents or the consummation of the transactions contemplated hereby including, without limitation, (a) any actual or proposed use by the Borrower of the proceeds of the Loan, (b) the reversal or withdrawal of any provisional credits granted by the Facility Agent upon the transfer of funds from lock box, bank agency, concentration accounts or otherwise under any cash management arrangements with the Borrower, (c) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort, or any other theory, and regardless of whether any Indemnitee is a party thereof, (d) any civil penalty or fine assessed by OFAC or another Governmental Authority against the Facility Agent or any other Finance Party as a

result of conduct of any Obligor or any Relevant Individuals thereof that violates a Sanctions Law or Anti-Money Laundering Law, and all reasonable costs and expenses (including reasonable counsel fees and disbursements) incurred in connection with defense thereof or (e) with respect to the Obligors and their respective properties and assets, the violation of any Environmental Law, the presence, disposal, escape, seepage, leakage, spillage, discharge, emission, release or threatened release of any Materials of Environmental Concern or any action, suit, proceeding or investigation brought or threatened with respect to any Materials of Environmental Concern relating, in each case, to any circumstance or occurrence arising in relation to, or during the time of, the management, use, control ownership or operation of property or assets by the Obligors, in each case including, without limitation, the reasonable fees and disbursements of counsel incurred in connection with any such investigation, litigation or other proceeding; provided, however, the relevant Obligor shall not be responsible for any liabilities, losses, damages and/or expenses under this Section 18.9 (Indemnification) caused by an Indemnitee's own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. Notwithstanding anything herein to the contrary, the foregoing indemnification shall not apply to the Lenders and their Related Parties to the extent that any claims, damages, expenses, obligations, penalties, actions, judgments, suits or costs arise with respect to any Vessel from and after such time as any Finance Party (or any designee thereof) takes possession or control of such Vessel (except to the extent that any such matter relates to any circumstance or occurrence arising prior to such time). In litigation, or the preparation therefor, the Finance Parties and their Affiliates shall be entitled to select their own counsel and the Borrower agrees to pay promptly the reasonable fees and expenses of such counsel. To the extent that the respective interests of the Lenders in such litigation do not, and reasonably could not be expected to, conflict (such determination of existing or potential conflict to be made by the Lenders using their reasonable good faith judgment), the Lenders shall make reasonable efforts to use common counsel in connection with such litigation and the preparation therefor. If, and to the extent that the obligations of any Obligor under this Section 18.9 (Indemnification) are unenforceable for any reason, such Obligor hereby agree to make the maximum contribution to the payment in satisfaction of such obligations which is permissible under applicable law. The covenants contained in this Section 18.9 (Indemnification) shall survive payment or satisfaction in full of the Loan and all other obligations under this Agreement and the other Loan Documents and the earlier resignation or replacement of the Facility Agent or Security Trustee.

18.10 USA Patriot Act Notice; Bank Secrecy Act. Each of the Finance Parties hereby notifies each of the Obligors that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56, signed into law October 26, 2001) (the "Patriot Act"), and the policies and practices of the Finance Parties, each of the Finance Parties is required to obtain, verify and record certain information and documentation that identifies each of the Obligors, which information includes the name and address of each of the Obligors and such other information that will allow the Finance Parties to identify each of the Obligors in accordance with the Patriot Act. In addition, each of the Obligors shall comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act laws and regulations, as amended.

18.11 CEA Eligible Contract Participant. Notwithstanding anything to the contrary in any Loan Document, no Obligor shall be deemed to guarantee, become jointly and severally obligated for or pledge assets in support of a "swap," as defined in Section 1(a)(47) of the Commodity Exchange Act ("CEA") of another Obligor if at the time that swap is entered into, such Obligor is not an "eligible contract participant" as defined in Section 1(a)(18) of the CEA.

18.12 Contractual Recognition of Bail-In.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is

unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the EEA Resolution Authority.
- (c) a variation of any term of any Loan Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

18.13 Confidentiality. Each of the Facility Agent, Security Trustee and the Finance Parties agree to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent required or requested by any regulatory authority or government agency purporting to have jurisdiction and/or supervision over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section 18.13 (Confidentiality), to (i) any assignee of or participant in, or any prospective assignee of or participant in, any of its rights and obligations under this Agreement, (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder or (iii) to any credit insurance provider; (g) on a confidential basis to any rating agency in connection with rating the Parent Guarantor or its Subsidiaries or the Loan; (h) with the consent of the Borrower; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 18.13 (Confidentiality), or (y) becomes available to the Facility Agent, Security Trustee, any Finance Party or any of their respective Affiliates on a non-confidential basis from a source other than an Obligor. In addition, the Facility Agent, Security Trustee and the Finance Parties may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Facility Agent, Security Trustee and the Finance Parties in connection with the administration of this Agreement, the other Loan Documents, and the Commitments. It is understood and agreed that any Person required to maintain the confidentiality of Information as provided in this Section 18.13 (Confidentiality) shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

18.14 Counterparts; Electronic Delivery. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument. Delivery of an executed counterpart of this Agreement by email shall be deemed as effective as delivery of an originally executed counterpart. In the event that any Obligor delivers an executed counterpart of this Agreement by electronic transmission, such Obligor shall also deliver an originally executed counterpart as soon as practicable, but the failure of such Obligor to deliver an originally executed counterpart of this Agreement shall not affect the validity or effectiveness of this Agreement.

18.15 Headings. In this Agreement, section headings are inserted for convenience of reference only and shall not be taken into account in the interpretation of this Agreement.

18.16 Publication. Any Lender may, at its option and sole expense, publish information about its participation in the Loan and for such purpose only, use the logo and trademark of the Borrower, the Parent Guarantor or any other Obligor.

18.17 Termination; Release.

(a) This Agreement shall terminate and the Collateral shall be automatically released from the Lien of this Agreement when the principal of and interest and premium (if any) on the Loan, and all fees and all other expenses or amounts payable under this Agreement shall have been paid in full (other than contingent indemnification obligations for which no claim or demand has been made and that, pursuant to the provisions of this Agreement or the Security Documents, survive the termination thereof). Upon termination hereof, the security interests granted by the Security Documents shall automatically terminate and all rights to the Collateral shall revert to the applicable Obligor. Upon termination hereof or any release of Collateral in accordance with the provisions of this Agreement, the Security Trustee shall promptly execute and deliver to such Obligor all releases or other documents prepared by the Obligor and in form and substance reasonably satisfactory to the Security Trustee, any vessel registry or other registry, as applicable, and, upon the written request and at the sole cost and expense of the Obligors, take such reasonable further actions for the release of such Collateral from the security interests created thereby, and assign, transfer and deliver to the Obligors, against receipt and without recourse to or warranty of any kind (either express or implied), such of the Collateral to be released (in the case of a release) as may be in possession or control of such Finance Party and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Collateral, with such endorsements or proper documents and instruments (including UCC-3 termination statements or releases) acknowledging the termination hereof or the release of such Collateral, as the case may be.

(b) If any of the Collateral is sold, transferred or otherwise disposed of by any Obligor (other than to another Obligor) in a transaction permitted by this Agreement, then the lien created pursuant to any Security Document in such Collateral shall be released, and the Security Trustee, at the reasonable request and sole expense of such Obligor, shall promptly execute and deliver to such Obligor all releases or other documents prepared by such Obligor and in form and substance reasonably satisfactory to the Security Trustee, and, upon the written request and at the sole cost and expense of the Obligors, take such reasonable further actions for the release of such Collateral from the security interests created thereby.

(c) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, in no event shall the Security Trustee have any obligation to execute or authorize any document or instrument evidencing any release of Collateral or Obligor unless it shall first receive a certificate from a Responsible Officer of the applicable Obligor certifying that such execution or

authorization, and the release related thereto, is authorized and permitted by the Loan Documents and all conditions precedent to such release and execution or authorization of such document or instrument evidencing such release have been satisfied, upon which certification the Security Trustee may conclusively rely without investigation or inquiry.

19. APPLICABLE LAW, JURISDICTION AND WAIVER

19.1 Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

19.2 Jurisdiction. Each of the Obligor hereby irrevocably submits to the jurisdiction of the courts of the State of New York and of the United States District Court for the Southern District of New York in any action or proceeding brought against it by any of the Finance Parties under this Agreement or under any document delivered hereunder and hereby irrevocably agrees that valid service of summons or other legal process on it may be effected by serving a copy of the summons and other legal process in any such action or proceeding on such Obligor by mailing or delivering the same by hand to such Obligor at the address indicated for notices in Section 17.1 (Notices). The service, as herein provided, of such summons or other legal process in any such action or proceeding shall be deemed personal service and accepted by such Obligor as such, and shall be legal and binding upon such Obligor for all the purposes of any such action or proceeding. Final judgment (a certified or exemplified copy of which shall be conclusive evidence of the fact and of the amount of any indebtedness of the Obligor to the Lenders) against such Obligor in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment. Each Obligor will advise the Facility Agent promptly of any change of address for the purpose of service of process. Notwithstanding anything herein to the contrary, the Finance Parties may bring any legal action or proceeding in any other appropriate jurisdiction.

19.3 WAIVER OF IMMUNITY. TO THE EXTENT THAT ANY OF THE OBLIGORS HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM SUIT, JURISDICTION OF ANY COURT OR ANY LEGAL PROCESS (WHETHER THROUGH ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION, EXECUTION OF A JUDGMENT, OR FROM ANY OTHER LEGAL PROCESS OR REMEDY) WITH RESPECT TO ITSELF OR ITS PROPERTY, SUCH OBLIGOR HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT.

19.4 WAIVER OF JURY TRIAL. IT IS MUTUALLY AGREED BY AND AMONG THE EACH OF THE OBLIGORS AND EACH OF THE FINANCE PARTIES THAT EACH OF THEM HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO AGAINST ANY OTHER PARTY HERETO ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

20. GUARANTEE AND INDEMNITY

20.1 Guarantee and Indemnity. In order to induce the Lenders to make the Loan to the Borrower, each Subsidiary Guarantor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Finance Party, as a primary obligor and not merely as a surety, punctual payment and performance by the Borrower and each other Obligor of all their respective obligations under the Loan Documents;

(b) undertakes with each Finance Party that whenever the Borrower or any other Obligor does not pay any amount (whether for principal, interest, fees, expenses or otherwise) when due (whether at stated maturity, by acceleration or otherwise) under or in connection with any Loan Document, such Subsidiary Guarantor shall immediately on demand pay that amount as if it were the primary obligor; and

(c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of the Borrower or any other Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Loan Document on the date when it would have been due. The amount payable by such Subsidiary Guarantor under this indemnity will not exceed the amount it would have had to pay under this Section 20 (Guarantee and Indemnity) if the amount claimed had been recoverable on the basis of a guarantee.

20.2 Continuing Guarantee. This guarantee is a continuing guarantee that shall remain in full force and effect until the irrevocable payment and performance in full by any Obligor under the Loan Documents, regardless of any intermediate payment or discharge in whole or in part. This guarantee constitutes a guarantee of punctual performance and payment and not merely of collection.

20.3 Reinstatement. If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is rescinded, discharged, avoided or reduced, or must be restored or returned, upon insolvency, bankruptcy, reorganization, liquidation, administration or otherwise, without limitation, then the liability of each Subsidiary Guarantor under this Section 20 (Guarantee and Indemnity) will continue or be reinstated as if the discharge, release or arrangement had not occurred.

20.4 Waiver of Defenses. The obligations of each Subsidiary Guarantor under this Section 20 (Guarantee and Indemnity) and in respect of any security provided by or pursuant to the Security Documents are irrevocable, absolute and unconditional and shall not be affected or discharged by an act, omission, matter or thing which, but for this Section 20.4 (Waiver of Defenses), would reduce, release or prejudice any of its obligations under this Section 20 (Guarantee and Indemnity) or in respect of any security provided by or pursuant to the Security Documents (without limitation and whether or not known to it or any Finance Party) including (and each Subsidiary Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to):

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any Finance Party of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect or delay in perfecting, or refusal or neglect to take up or enforce, or delay in taking or enforcing any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realize the full value of any collateral;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the corporate or company structure, shareholders, members or status of an Obligor or any other person (including without limitation any change in the holding of such Obligor's or other person's Equity Interests);

(e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Loan Document or any other document or security including, without limitation, any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Loan Document or other document or security;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Loan Document or any other document or security;

(g) any bankruptcy, insolvency or similar proceedings;

(h) any election of remedies by a Finance Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Subsidiary Guarantor or other rights of such Subsidiary Guarantor to proceed against any Obligor, any other guarantor or any other person or entity or any collateral;

(i) any right of set-off or counterclaim against or in respect of the obligations of such Subsidiary Guarantor hereunder; or

(j) any other circumstance whatsoever that might otherwise constitute a defense available to, or a legal or equitable discharge of, any Obligor.

20.5 Other Waivers. Each Subsidiary Guarantor hereby unconditionally and irrevocably waives:

(a) promptness, diligence, notice of acceptance, presentment, demand for performance, notice of non-performance, default, acceleration, protest or dishonor and any other notice and this guarantee and any requirement that a Finance Party protect, secure, perfect or insure any security, Lien or any property subject thereto or exhaust any right or take any action against an Obligor, any other guarantor or any other person or entity or any collateral;

(b) any right to revoke this guarantee; and

(c) any duty on the part of an Obligor to disclose to such Subsidiary Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of that Obligor or any of their respective Subsidiaries now or hereafter known by any Finance Party.

20.6 Acknowledgment of Benefits. Each Subsidiary Guarantor acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in this Section 20 (Guarantee and Indemnity) are knowingly made in contemplation of such benefits.

20.7 Immediate Recourse. Each Subsidiary Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person (including without limitation to commence any proceedings under any Loan Document or to enforce any security provided by or pursuant to the Security Documents) before claiming or commencing proceedings under this Section 20 (Guarantee and Indemnity). This waiver applies irrespective of any law or any provision of a Loan Document to the contrary.

20.8 Appropriations. Until all amounts which may be or become payable by the Obligor under or in connection with the Loan Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Subsidiary Guarantor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any moneys received from a Subsidiary Guarantor or on account of a Subsidiary Guarantor's liability under this Section 20 (Guarantee and Indemnity).

20.9 Deferral of Subsidiary Guarantors' Rights. All rights which a Subsidiary Guarantor at any time has (whether in respect of this guarantee, a mortgage or any other transaction) against the Borrower, any other Obligor or their respective assets shall be fully subordinated to the rights of the Finance Parties under the Loan Documents and until all obligations under the Loan Documents are paid in full and unless the Facility Agent otherwise directs, no Subsidiary Guarantor will exercise its rights which it may have (whether in respect of any Loan Document to which it is a party or any other transaction) by reason of performance by it of its obligations under the Loan Documents or by reason of any amount being payable, or liability arising, under this Section 20 (Guarantee and Indemnity):

(a) to be indemnified by any Obligor;

(b) to claim any contribution from any third party providing security for, or any other guarantor of, any Obligor's obligations under the Loan Documents;

(c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Loan Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Documents by any Finance Party;

(d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which a Subsidiary Guarantor has given a guarantee, undertaking or indemnity under Section 20.1 (Guarantee and Indemnity) to exercise any right of set-off against any Obligor; and/or

(e) to claim or prove as a Finance Party of any Obligor in competition with any Finance Party.

If a Subsidiary Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligor under or in connection with the Loan Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Facility Agent or as the Facility Agent may direct for application in accordance with the terms of this Agreement.

20.10 Additional Security. This guarantee and any other security or Lien given by each Subsidiary Guarantor is in addition to and is not in any way prejudiced by, and shall not prejudice, any other guarantee or security or any other right of recourse now or subsequently held by any Finance Party or any right of set-off or netting or right to combine accounts in connection with the Loan Documents.

20.11 Independent Obligations. The obligations of each Subsidiary Guarantor under or in respect of this guarantee are independent of any other obligations of any other Obligor under or in respect of the Loan Documents, and a separate action or actions may be brought and prosecuted against each Subsidiary Guarantor to enforce this guarantee irrespective of whether any action is brought against any other Obligor or whether any other Obligor is joined in any such action or actions.

20.12 Limitation of Liability. Each of the Subsidiary Guarantors and each of the Finance Parties hereby confirms that it is its intention that the obligations under this guarantee not constitute a fraudulent transfer or conveyance for purposes of the U.S. Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar law. To effectuate the foregoing intention, each of the Subsidiary Guarantors and each of the Finance Parties hereby irrevocably agrees that the obligations guaranteed by each Subsidiary Guarantor under this guarantee shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Subsidiary Guarantor that are relevant under such laws, result in the obligations of such Subsidiary Guarantor in respect of such maximum amount not constituting a fraudulent transfer or conveyance.

20.13 Applicability of Provisions of Guarantee to Other Security. Sections 20.2 (Continuing Guarantee) through and including 20.12 (Limitation of Liability) shall apply, with any necessary modifications, to any security or Lien which a Subsidiary Guarantor creates (whether at the time at which it signs this Agreement or at any later time) to secure the obligations under the Loan Documents or any part of them.

21. SUBORDINATION.

21.1 Subordination of Liabilities. Each Obligor, for itself, its successors and assigns, hereby subordinates its claims with respect to all Intercompany Debt, and all amounts owing in respect thereof (all such claims and amounts in respect of such Intercompany Debt, "Subordinated Indebtedness"), of any other Obligor owing to it, whether now existing or hereafter arising, to the prior payment in full in cash of all obligations due to the Finance Parties under any Loan Document always subject to and in accordance with the subordination provisions set forth in this Section 21 (Subordination) (including any exceptions); provided, that notwithstanding anything contained herein to the contrary, each Obligor may repay any Intercompany Debt in full or in part so long as no Event of Default shall have occurred and be continuing.

21.2 Payor Not to Make Payments with Respect to Subordinated Indebtedness in Certain Circumstances.

(a) Upon the maturity of any Senior Indebtedness (including interest thereon or fees or any other amounts owing in respect thereof), whether at stated maturity, by acceleration or otherwise, all obligations owing in respect of the Senior Indebtedness shall first be paid in full in cash in accordance with the terms thereof, before any payment of any kind or character, whether in cash, property, securities or otherwise, is made on account of the Subordinated Indebtedness then outstanding.

(b) No Obligor that is a payor under any Intercompany Debt shall, directly or indirectly (and no person or other entity on behalf of such Obligor may), make any payment of any Subordinated Indebtedness until all Senior Indebtedness has been paid in full in cash if any Event of Default has occurred and is continuing or would result therefrom. Each Obligor that is a holder of the Subordinated Indebtedness hereby agrees that, so long as any such Event of Default has occurred and is continuing, it will not sue for, or otherwise take any action to enforce the payor's obligations to pay,

amounts owing in respect of the Subordinated Indebtedness. Each Obligor that is a holder of the Subordinated Indebtedness understands and agrees that to the extent that paragraph (a) above or this paragraph (b) prohibits the payment of any Subordinated Indebtedness, such unpaid amount shall not constitute a payment default under the Subordinated Indebtedness and the holder(s) of the Subordinated Indebtedness may not sue for, or otherwise take action to enforce the payor's obligation to pay such amount, provided that such unpaid amount shall remain an obligation of the payor to the holder(s) of the Subordinated Indebtedness pursuant to the terms of the Subordinated Indebtedness. Notwithstanding the foregoing, so long as an Event of Default is not continuing, each Obligor will be entitled to make (and any person or other entity on behalf of such Obligor shall be entitled to make) and the holder(s) of any Subordinated Indebtedness will be entitled to receive, payments of principal and/or interest under the Subordinated Indebtedness.

(c) In the event that, notwithstanding the provisions of the preceding paragraphs (a) and (b), any Obligor that is a payor under any Subordinated Indebtedness (or any Person on behalf of such Obligor) makes (or the holder(s) of the Subordinated Indebtedness receives) any payment on account of the Subordinated Indebtedness at a time when payment is not permitted by said paragraph (a) or (b), such payment shall be held by the holder(s) of the Subordinated Indebtedness, in trust for the benefit of, and shall be paid forthwith over and delivered to, the Facility Agent, for application pro rata to the payment of all Senior Indebtedness remaining unpaid to the extent necessary to pay all Senior Indebtedness in full in cash in accordance with the terms of such Senior Indebtedness, after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness.

21.3 Subordination to Prior Payment of All Senior Indebtedness on Dissolution, Liquidation or Reorganization of an Obligor. Upon any distribution of assets of any Obligor upon dissolution, winding up, liquidation or reorganization of such Obligor (whether in bankruptcy, insolvency or receivership proceedings or upon an assignment for the benefit of creditors or otherwise):

(a) the holders of all Senior Indebtedness shall first be entitled to receive payment in full in cash of all Senior Indebtedness in accordance with the terms thereof (including, without limitation, post-petition interest at the rate provided in the documentation with respect to the Senior Indebtedness, whether or not such post-petition interest is an allowed claim against the debtor in any bankruptcy or similar proceeding) before the holder(s) of the Subordinated Indebtedness is entitled to receive any payment of any kind or character on account of the Subordinated Indebtedness;

(b) any payment or distributions of assets of such Obligor of any kind or character, whether in cash, property or securities to which the holder(s) of any outstanding Subordinated Indebtedness would be entitled except for the provisions of this Section 21 (Subordination), shall be paid by the liquidating trustee or agent or other person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or other trustee or agent, directly to the Facility Agent, to the extent necessary to make payment in full in cash of all Senior Indebtedness remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness; and

(c) in the event that, notwithstanding the foregoing provisions of this clause (c), any payment or distribution of assets of such Obligor of any kind or character, whether in cash, property or securities, shall be received by the holder(s) of the Subordinated Indebtedness on account of Subordinated Indebtedness before all Senior Indebtedness is paid in full in cash in accordance with the terms thereof, such payment or distribution shall be received and held in trust for and shall be paid over to the Facility Agent for application to the payment of such Senior Indebtedness until all such Senior Indebtedness shall have been paid in full in cash in accordance with the terms thereof, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness.

21.4 Obligation of the Payor Unconditional. Nothing contained in this Section 21 (Subordination) or in the Subordinated Indebtedness is intended to or shall impair, as between the payor of any Subordinated Indebtedness on the one hand and the holder(s) of the Subordinated Indebtedness on the other hand, the obligation of the payor, which is absolute and unconditional, to pay to the holder(s) of the Subordinated Indebtedness the principal of and interest on the Subordinated Indebtedness as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the holder(s) of the Subordinated Indebtedness and creditors of the payor other than the holders of the Senior Indebtedness, nor shall anything herein or therein prevent the holder(s) of the Subordinated Indebtedness from exercising all remedies otherwise permitted by applicable law upon an event of default under the Subordinated Indebtedness, subject to the provisions of this Section 21 (Subordination) and the rights, if any, under this Section 21 (Subordination) of the holders of Senior Indebtedness in respect of cash, property, or securities of the payor of any Subordinated Indebtedness received upon the exercise of any such remedy. Upon any distribution of assets of the payor of any Subordinated Indebtedness referred to in this Section 21 (Subordination), the holder(s) of the Subordinated Indebtedness shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the liquidating trustee or agent or other person making any distribution to the holder(s) of the Subordinated Indebtedness, for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other indebtedness of such payor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Section 21 (Subordination).

21.5 Subordination Rights Not Impaired by Acts or Omissions of Payor or Holders of Senior Indebtedness. No right of any present or future holders of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Obligor or by any act or failure to act in good faith by any such holder, or by any noncompliance by any Obligor with the terms and provisions of the Subordinated Indebtedness, regardless of any knowledge thereof which any such holder may have or be otherwise charged with. The holders of the Senior Indebtedness may, without in any way affecting the obligations of the holder(s) of the Subordinated Indebtedness with respect hereto, at any time or from time to time and in their absolute discretion, change the manner, place or terms of payment of, change or extend the time of payment of, or renew, increase or otherwise alter, any Senior Indebtedness or amend, modify or supplement any agreement or instrument governing or evidencing such Senior Indebtedness or any other document referred to therein, or exercise or refrain from exercising any other of their rights under the Senior Indebtedness including, without limitation, the waiver of default thereunder and the release of any collateral securing such Senior Indebtedness, all without notice to or assent from the holder(s) of the Subordinated Indebtedness.

21.6 Senior Indebtedness. The term "Senior Indebtedness" shall mean all obligations of the Obligors under, or in respect of, this Agreement and each other Loan Document.

FOR VALUE RECEIVED, the undersigned, SEACOR MARINE FOREIGN HOLDINGS INC. a corporation incorporated and existing under the laws of the Republic of the Marshall Islands (the "Borrower"), with offices at 5005 Railroad Avenue, Morgan City, Louisiana 70380, as borrower, hereby promises to pay to [LENDER], at the Lender's office at [●] (or such other address specified by the Lender to Borrower) or its registered assigns, the principal sum of [●] United States Dollars (U.S. \$[●]) or, if less, such portion of the unpaid principal amount from time to time outstanding made available by the Lender to the Borrower pursuant to the Credit Agreement dated as of [●], 2024 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among, *inter alios*, (i) the Borrower, (ii) SEACOR MARINE HOLDINGS INC., a corporation incorporated under the laws of the State of Delaware, and the entities identified on Schedule 1-A thereto as subsidiary guarantors, (iii) the other lenders party thereto, (iv) KROLL AGENCY SERVICES LIMITED as facility agent for the lenders (the "Facility Agent"), and (v) KROLL TRUSTEE SERVICES LIMITED as security trustee for the lenders. The Borrower shall repay the indebtedness represented by this Note as provided in Section 5 of the Credit Agreement. This Note may be prepaid on such terms as provided in the Credit Agreement.

Words and expressions used herein (including those in the foregoing paragraph) and defined in the Credit Agreement shall have the same meaning herein as therein defined.

The Borrower shall also pay interest on such portion of the principal amount outstanding hereunder from the date hereof until payment in full at the rates determined from time to time in accordance with Section 6 of the Credit Agreement, which provisions are incorporated herein with full force and effect as if they were fully set forth herein. Any principal payment not paid when due, whether by acceleration or otherwise, shall bear interest thereafter at the Default Rate. All interest shall accrue and be calculated on the actual number of days elapsed.

Both principal and interest are payable in Dollars to the Facility Agent, for the account of the Lender.

If this Note or any payment required to be made hereunder becomes due and payable on a day which is not a Banking Day, the due date thereof shall be extended until the next following Banking Day and interest shall be payable during such extension at the rate applicable immediately prior thereto, unless such next following Banking Day falls in the following calendar month, in which case the due date thereof shall be adjusted to the immediately preceding Banking Day.

This Note is one of the Notes referred to in the Credit Agreement and is entitled to the security and benefits therein provided, including, but not limited to, such security as provided in the relevant Security Documents. Upon the occurrence of any Event of Default under Section 9 of Credit Agreement, the principal hereof and accrued interest hereon may be declared to be (or, with respect to certain Events of Default, automatically shall become) immediately due and payable.

In the event that any holder of this Note shall institute any action for the enforcement or the collection of this Note, there shall be immediately due and payable, in addition to the unpaid balance hereof, all late charges and all costs and expenses of such action, including reasonable attorneys' fees.

The Borrower hereby waives presentment, protest, demand for payment, diligence, notice of dishonor and of nonpayment, and any and all other notices or demands in connection with the delivery,

acceptance, performance, default or enforcement of this Note, hereby waives and renounces all rights to the benefits of any statute of limitations and any moratorium, appraisal, exemption and homestead now provided or which may hereafter be provided by any federal or state statute, including, without limitation, exemptions provided by any federal or state statute, including, without limitation, exemptions provided by or allowed under any federal or state bankruptcy or insolvency laws, both as to themselves and as to all of their property, whether real or personal, against the enforcement and collection of the obligations evidenced by this Note and any and all extensions, renewals and modifications hereof and hereby consent to any extensions of time, renewals, releases of any party this Note, waiver or modification that may be granted or consented to by the holder of this Note.

The Borrower agrees that its liabilities hereunder are absolute and unconditional without regard to the liability of any other party and that no delay on the part of the holder hereof in exercising any power or right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any power or right hereunder preclude other or further exercise thereof or the exercise of any other power or right.

If at any time this transaction would be usurious under applicable law, then regardless of any provision contained in the Credit Agreement or this Note or any other agreement made in connection with this transaction, it is agreed that (a) the total of all consideration which constitutes interest under applicable law that is contracted for, charged or received upon the Credit Agreement, this Note or any other agreement shall under no circumstances exceed the maximum rate of interest authorized by applicable law, if any, and any excess shall be credited to the Borrower and (b) if the Lenders (as defined under the Credit Agreement) elect to accelerate the maturity of, or if the Borrower prepays the indebtedness described in this Note, any amounts which because of such action would constitute interest may never include more than the maximum rate of interest authorized by applicable law and any excess interest, if any, provided for in the Credit Agreement, in this Note or otherwise, shall be credited to the Borrower automatically as of the date of acceleration or prepayment.

THE UNDERSIGNED AND, BY ITS ACCEPTANCE HEREOF, THE FACILITY AGENT EACH HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO OR ANY BENEFICIARY HEREOF ARISING IN RESPECT OF ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS NOTE.

This Note shall be governed by and construed in accordance with the laws of the State of New York.

No failure to exercise and no delay in exercising, on the part of any of the Finance Parties, any right, power, or privilege shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise thereof, or the exercise of any other power or right. The rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by law.

(d) The Parent Guarantor further agrees that its liabilities hereunder shall be unconditional irrespective of any other circumstance which might otherwise constitute a discharge at law or in equity of a guarantor or surety. The Parent Guarantor further guarantees that all payments made by the Borrower, the Parent Guarantor or any of them, to any of the Finance Parties on any obligation hereby guaranteed will, when made, be final and agrees that, if any such payment is recovered from, or repaid by, any of the Finance Parties in whole or in part in any bankruptcy, insolvency or similar proceeding instituted by or against the Borrower, the Parent Guarantor or any of them, this Guaranty shall continue to be fully applicable to such obligation to the same extent as though the payment so recovered or repaid had never been originally made on such obligation.

(e) The Finance Parties may enforce the obligations of the Parent Guarantor hereunder without in any way first pursuing or exhausting any other rights or remedies which the Finance Parties may have against any of the other Obligors, or against any other person, firm or corporation, or against any security any of the Finance Parties may hold.

(f) The Parent Guarantor hereby irrevocably waives all rights of subrogation (whether contractual, under Section 509 of Title 11 of the United States Code entitled "Bankruptcy" as now or hereafter in effect, or any successor thereto (herein called the "Bankruptcy Code"), under common law, or otherwise) to the claims of any of the Finance Parties against the Obligors, or any of them, and all contractual, statutory or common law rights of contribution, reimbursement, indemnification and similar rights and "claims" (as such term is defined in the Bankruptcy Code) against the Obligors, or any of them,

(g) The Parent Guarantor shall not assign, transfer, hypothecate or dispose of any claim that it has or may have against the Obligors, or any of them, while any indebtedness of the Obligors to any of the Finance Parties remains unpaid, without the written consent of the Finance Parties.

(h) Any delay in or failure to exercise any right or remedy of any of the Finance Parties shall not be deemed a waiver of any obligation of the Parent Guarantor or right of any of the Finance Parties. This Guaranty may be modified, and the Finance Parties' rights hereunder waived, only by an agreement in writing signed by the Finance Parties.

(i) Notice of acceptance by the Finance Parties of this Guaranty and of the incurring of any or all of the obligations hereby guaranteed is hereby waived by the Parent Guarantor, and this Guaranty and all of the terms and provisions hereof shall immediately be binding upon the Parent Guarantor from the date of execution hereof.

- (b) if the place of sale should not be New York City, then also by publication of a similar notice in a daily newspaper, if any, published at the place of sale; and
- (c) by sending a similar notice by facsimile confirmed by registered mail to the Owner at its address hereinafter set forth at least fourteen (14) days prior to the date of sale;

Such sale of the Vessel may be held at such place as the Mortgagee in such notices may have specified, or such sale may be adjourned by the Mortgagee from time to time by announcement at the time and place appointed for such sale or for such adjourned sale and without further notice or publication the Mortgagee may make such sale at the time and place to which the same shall be so adjourned; and such sale may be conducted without bringing the Vessel to the place designated for such sale and in such manner as the Mortgagee may deem to be for its best advantage, and any Finance Party may become the purchaser at such sale.

(x) pending sale of the Vessel (either directly or indirectly) to manage, charter, lease, insure, maintain and repair the Vessel and to employ or lay up the Vessel upon such terms, in such manner and for such period as the Mortgagee deems expedient and for the purpose aforesaid the Mortgagee shall be entitled to do all acts and things incidental or conducive thereto and in particular to enter into such arrangements respecting the Vessel, her insurance, management, maintenance, repair, classification and employment in all respects as if the Mortgagee were the owner of the Vessel and without being responsible for any loss thereby incurred;

(xi) to recover from the Owner on demand any such losses as may be incurred by the Mortgagee in or about the exercise of the powers vested in the Mortgagee under Section 7(B)(x) above with interest thereon at the rate provided for in Section 5(Q) hereof from the date when such losses were incurred by the Mortgagee; and

(xii) to recover from the Owner on demand all expenses, payments and disbursements (including reasonable fees and expenses of counsel) incurred by the Mortgagee in or about or incidental to the exercise by it of any of the powers vested in it hereunder together with interest thereon at the rate provided for in Section 5(Q) hereof from the date when such expenses, payments or disbursements were incurred by it;

PROVIDED, ALWAYS, that any sale of the Vessel or any interest therein by the Mortgagee pursuant to and in compliance with Section 7(B)(ix) above shall operate to divest all right, title and interest of the Owner, its successors and assigns, in or to the Vessel so sold and upon such sale the purchaser shall not be bound to see or inquire whether the Mortgagee's power of sale has arisen in the manner herein provided and the sale shall be deemed to be within the power of the Mortgagee and the receipt of the Mortgagee for the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of sale or be in any way answerable therefor.

In case the Mortgagee shall have proceeded to enforce any right, power or remedy under this Mortgage by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Mortgagee, then and in every such case the Owner and the Mortgagee shall be restored to their former positions and rights hereunder with respect to the property, subject or intended to be subject to this Mortgage, and all rights, remedies and powers of the Mortgagee shall continue as if no such proceedings had been taken.

(C) Notwithstanding the foregoing, it is understood that a Total Loss of the Vessel which is covered by the insurance maintained by Owner pursuant to Section 5(B) hereof shall not be deemed to be a default under this Mortgage, the Credit Agreement, the Notes or any of the other relevant Loan Documents, or any of them.

8. Application of Proceeds. The proceeds of any sale made either under the power of sale hereby granted to the Mortgagee or under a judgment or decree in any judicial proceedings for the foreclosure of this Mortgage or for the enforcement of any remedy granted to the Mortgagee hereunder, any net earnings arising from the management, charter or other use of the Vessel by the Mortgagee under any of the powers herein contained or by law provided and the proceeds of any and all Insurances and any claims for damages on account of the Vessel or the Owner of any nature whatsoever and any Requisition Compensation, shall be applied in accordance with Section 9.2 of the Credit Agreement,

In the event that the proceeds are insufficient to pay in full the Obligations, the Mortgagee shall be entitled to collect the balance from the Owner or any other Person liable therefor.

9. No Waiver. No delay or omission of the Mortgagee or the other Lenders to exercise any right or power vested in it under the Credit Agreement, the Notes, this Mortgage or any of the other relevant Loan Documents, or any of them shall impair such right or power or be construed as a waiver thereof or as acquiescence in any default by the Owner hereunder, nor shall the acceptance by the Mortgagee of any payments in connection with this Mortgage from any source be deemed a waiver hereunder. However, if at any time after an Event of Default and prior to the actual sale of the Vessel by the Mortgagee or prior to any foreclosure proceedings the Owner cures all Events of Default and pays all expenses, advances and damages to the Mortgagee consequent on such Events of Default, with interest at the rate provided for in Section 5(Q) hereof from the date when such expenses, advances and damages were incurred, then the Mortgagee may accept such cure and payment and restore the Owner to its former position, but such action shall not affect any subsequent Event of Default or impair any rights consequent thereon.

10. Delegation of Power. The Mortgagee shall be entitled at any time and as often as may be expedient to delegate all or any of the powers and discretions vested in it by this Mortgage (including the power vested in it by virtue of Section 12 hereof) in such manner and upon such terms and to such Persons as the Mortgagee in its absolute discretion may deem advisable.

11. Indemnity. Without prejudice to any other rights and remedies of the Mortgagee under the Credit Agreement, the Notes, this Mortgage or any of the other relevant Loan Documents, the Owner hereby agrees and undertakes to indemnify the Mortgagee against all obligations and liabilities whatsoever and whensoever arising which the Mortgagee may incur in good faith in respect of, in relation to or in connection with the Vessel or otherwise howsoever in relation to or in connection with the enforcement of the Mortgagee's rights hereunder or under the Credit Agreement, the Notes or any of the other relevant Loan Documents. The covenants contained in this Section 11 shall survive the discharge of this Mortgage and the earlier resignation or replacement of the Security Trustee or Mortgagee.

12. Power of Attorney.

(A) The Owner hereby irrevocably appoints the Mortgagee as its attorney-in-fact for the duration of the Security Period to do in its name or in the name of the Owner all acts which the Owner, or its successors or assigns, could do in relation to the Vessel, including without limitation, to demand, collect, receive, compromise, settle and sue for (insofar as the Mortgagee lawfully may) all freights, hire, earnings, issues, revenues, income and profits of the Vessel, and all amounts due from underwriters under the Insurances as payment of losses or as return premiums or otherwise, salvage awards and recoveries, recoveries in general average or otherwise, and all other sums due or to become due to the Owner or in respect of the Vessel, and to make, give and execute in the name of the Owner, acquittance, receipts, releases or other discharges for the same, whether under seal or otherwise, to take possession of, sell or otherwise dispose of or manage or employ, the Vessel, to execute and deliver charters and a bill of sale with respect to the Vessel, and to endorse and accept in the name of the Owner all checks, notes, drafts, warrants, agreements and all other instruments in writing with respect to the foregoing. PROVIDED, HOWEVER, that, unless the context otherwise permits under this Mortgage, such power shall not be exercisable by or on behalf of the Mortgagee unless and until any Event of Default stipulated in Section 7(A) hereof shall occur and be continuing and shall not be exercisable after all defaults have been cured. The powers conferred on the Mortgagee under the powers of attorney hereunder are solely to protect the Mortgagee's interests and shall not impose any duty upon the Mortgagee to exercise any such powers.

(B) The exercise of the power granted in this Section 12 by or on behalf of the Mortgagee shall not require any Person dealing with the Mortgagee to conduct any inquiry as to whether any such Event of Default has occurred and is continuing, nor shall such Person be in any way affected by notice that any such Event of Default has not occurred nor is continuing, and the exercise by the Mortgagee of such power shall be conclusive evidence of its right to exercise the same.

13. Appointment of Receiver. If any legal proceedings shall be taken to enforce any right under this Mortgage, the Mortgagee shall be entitled as a matter of right to the appointment of a receiver of the Vessel and of the freights, hire, earnings, issues, revenues, income and profits due or to become due and arising from the operation thereof.

14. Commencement of Proceedings. The Mortgagee shall have the right to commence proceedings in the courts of any country having competent jurisdiction and in particular the Mortgagee shall have the right to arrest and take action against the Vessel at whatever place the Vessel shall be found lying and for the purpose of any action which the Mortgagee may bring before the local court for the jurisdiction of such court or other judicial authority and the Owner agrees that for the purpose of proceedings against the Vessel any writ, notice, judgment or other legal process or documents may be served upon the Master of the Vessel (or upon anyone acting as the Master) and that such service shall be deemed good service on the Owner for all purposes.

15. Partial Invalidity. In the event that any provision or provisions of this Mortgage shall be declared invalid, void or otherwise inoperative by any present or future court of competent jurisdiction

in any country, the Owner will, without prejudice to any other right and remedy of the Mortgagee under the Credit Agreement, the Notes, this Mortgage, the other relevant Loan Documents or any of them, execute and deliver such other and further instruments and do such things as in the reasonable opinion of the Mortgagee or its counsel will be necessary or advisable to carry out the true intent and spirit of this Mortgage. In any event, any such declaration of partial invalidity shall not affect the validity of any other provision or provisions of this Mortgage, or the validity of this Mortgage as a whole.

16. Cumulative Remedies. Each and every power and remedy in this Mortgage specifically given to the Mortgagee shall be in addition to every other power and remedy herein or in the Credit Agreement, the Notes or the other relevant Loan Documents specifically given or now or hereafter existing at law, in equity, admiralty, or by statute, and each and every power and remedy whether specifically in this Mortgage or in the Credit Agreement, the Notes or the other relevant Loan Documents given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Mortgagee, and the exercise or the beginning of the exercise of any such power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other power or remedy under the Credit Agreement, the Notes, this Mortgage or any other relevant Loan Documents.

17. Recordation of Mortgage. For the purpose of recording this First Preferred Mortgage as required by Chapter 3 of the Maritime Act 1990 of the Republic of the Marshall Islands, as amended, the total amount is Three Hundred Ninety One Million United States Dollars (U.S.\$391,000,000) plus interest, expenses and performance of mortgage covenants. It is not intended that this Mortgage shall include property other than the Vessel and it shall not include property other than the Vessel as the term "vessel" is used in the Maritime Law. Notwithstanding the foregoing, for property other than the Vessel, if any should be determined to be covered by this Mortgage, the discharge amount is zero point zero one percent (0.01%) of the total amount.

18. No Waiver of Preferred Status. Anything herein to the contrary notwithstanding, it is intended that nothing herein shall waive the preferred status of this Mortgage under the laws of the Republic of the Marshall Islands or under the corresponding provisions of any other jurisdiction in which it is sought to be enforced and that, if any provision or portion thereof herein shall be construed to waive the preferred status of this Mortgage, then such provision to such extent shall be void and of no effect.

19. Counterparts. This Mortgage may be executed in any number of counterparts each of which shall be an original but such counterparts shall together constitute but one and the same instrument.

20. Notices. Notices and other communications hereunder shall be in writing and shall be sent in accordance with the Credit Agreement.

21. Rights of Owner. Unless one or more Events of Default shall have occurred and be continuing, the Owner (a) shall be suffered and permitted to retain actual possession and use of the Vessel and (b) shall have the right, from time to time in its discretion, and without application to the Mortgagee, and without obtaining a release thereof by the Mortgagee, to dispose of, free from the lien hereof, any boilers, engines, machinery, masts, spars, sails, rigging, boats, anchors, cables, chains, tackle, apparel, furniture, fittings, equipment or any other appurtenances of the Vessel that are no longer useful, necessary, profitable or advantageous in the operation of the Vessel, first or simultaneously replacing the same by new boilers, engines, machinery, masts, spars, sails, rigging, boats, anchors, cables, chains, tackle, apparel, furniture, fittings, equipment or any other appurtenances of substantially equal value to the Owner, which shall forthwith become subject to the lien of this Mortgage.

22. Waiver, Amendment. None of the terms and conditions of this Mortgage may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Owner and the Mortgagee.

23. Successors and Assigns. All the covenants, promises, stipulations and agreements of the Owner and all the rights and remedies of the Mortgagee contained in this Mortgage shall bind the Owner, its successors and assigns, and shall inure to the benefit of the Mortgagee, its successors and assigns, whether so expressed or not.

24. Applicable Law. This Mortgage shall be governed by, and construed in accordance with, the laws of the Republic of the Marshall Islands.

25. Headings. In this Mortgage, section headings are inserted for convenience of reference only and shall be ignored in the interpretation of this Mortgage.

26. Mortgagee Benefit. In obtaining the benefits of this Mortgage, the Mortgagee shall be entitled to the benefit of every provision of the Credit Agreement and the other Loan Documents relating to the rights, exculpations or conduct of, affecting the liability of or otherwise affording protection to the Security Trustee thereunder. Without limiting the generality of the foregoing, and notwithstanding anything contained herein to the contrary, nothing contained in this Mortgage shall require the Mortgagee to exercise any discretionary acts, and any provisions of this Mortgage that authorize or permit the Mortgagee to approve, consent to, disapprove, request, determine, waive, act or decline to act, in its discretion, shall be subject to the Mortgagee receiving instruction from the Majority Lenders (or, if the relevant Loan Document expressly stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) to take such action or to exercise such rights.

(T) Not without the previous consent of the Majority Lenders in writing, which consent shall not be unreasonably withheld, to let the Vessel or permit the Vessel to be let on demise charter (other than any demise charter to a company related to the Owner or any of its members) for any period;

6. Mortgagee's Right to Cure. Without prejudice to any other rights of the Mortgagee hereunder:

- (i) in the event that the provisions of Section 5(B) hereof or any of them shall not be complied with, the Mortgagee shall be at liberty, but not obligated, to effect and thereafter to replace, maintain and renew all such Insurances upon the Vessel as it in its sole discretion may deem advisable;
- (ii) in the event that the provisions of Section 5(C) and/or 5(D) hereof or any of them shall not be complied with, the Mortgagee shall be at liberty, but not obligated, to arrange for the carrying out of such repairs and/or surveys as it deems expedient or necessary; and
- (iii) in the event that the provisions of Section 5(F) hereof or any of them shall not be complied with, the Mortgagee shall be at liberty, but not obligated, to pay and discharge all such debts, damages and liabilities as are therein mentioned and/or to take any such measures as it deems expedient or necessary for the purpose of securing the release of the Vessel;

Any and all expenses incurred by the Mortgagee (including fees of counsel) in respect of its performances under the foregoing sub-sections (i), (ii) and (iii) shall be paid by the Owner on demand, with interest thereon at the rate provided for in Section 5(Q) hereof from the date when such expenses were incurred by the Mortgagee.

7. Events of Default and Remedies.

(A) Each of the following events shall constitute an "Event of Default":

- (i) a default in the payment when due (together with any applicable grace period) of all or any part of the Obligations; or
- (ii) an event of default stipulated in Section 8.1 of the Credit Agreement shall occur and be continuing; or
- (iii) a default by the Owner occurs in the due and punctual observance of any of the covenants contained in subsections (A)(i), (B) (other than subclauses (iv), (vi) and (xiii) thereof), (F), (G), (I), (K), (L), (M), (N), (O), (P), (R), (S), (T), (U) or (V) of Section 5 of this Mortgage; or
- (iv) a default by the Owner occurs in the due and punctual observance of any of the covenants contained in subsections (C), (D), (E), (H), (J), or (Q) or subclauses (ii) and (iii) of subsection (A) and subclauses (iv), (vi) or (xiii) of subsection (B) of Section 5 of this Mortgage and such default continues unremedied for a period of thirty (30) days; or
- (v) it becomes impossible or unlawful for the Owner to fulfill any of the covenants and obligations contained in this Mortgage and the Mortgagee reasonably considers that such impossibility or illegality will have a material adverse effect on its rights under this Mortgage or the enforcement thereof.

(B) If any Event of Default shall occur and be continuing, the Mortgagee shall be entitled:

- (i) to demand payment by written notice to the Owner of the Obligations, whereupon such payment shall be immediately due and payable, anything contained in the Credit Agreement, the Notes, this Mortgage or any of the other relevant Loan Documents to the contrary notwithstanding and without prejudice to any other rights and remedies of the

Mortgagee or the other Finance Parties, as the case may be, under the Credit Agreement, the Notes, this Mortgage or any of the other relevant Loan Documents, provided, however, that if, before any sale of the Vessel, all defaults shall have been remedied in a manner satisfactory to the Majority Lenders, the Mortgagee may waive such defaults by written notice to that effect to the Owner; but no such waiver shall extend to or affect any subsequent or other default or impair any rights and remedies consequent thereon;

(ii) at any time and as often as may be necessary to take any such action as the Mortgagee may in its discretion deem advisable for the purpose of protecting the security created by this Mortgage and each and every expense or liability (including reasonable fees of counsel) so incurred by the Mortgagee in or about the protection of such security shall be repayable to it by the Owner promptly after demand, together with interest thereon at the rate provided for in Section 5(Q) hereof from the date whereon such expense or liability was incurred by the Mortgagee. The Owner shall promptly execute and deliver to the Mortgagee such documents or cause promptly to be executed and delivered to the Mortgagee such documents, if any, and shall promptly do and perform such acts, if any, as in the opinion of the Mortgagee or its counsel may be necessary or advisable to facilitate or expedite the protection, maintenance and enforcement of the security created by this Mortgage;

(iii) to exercise all the rights and remedies in foreclosure and otherwise given to the Mortgagee by any applicable law, including those under the provisions of the Ship Mortgage Act;

(iv) to take possession of the Vessel, wherever the same may be, without prior demand and without legal process (when permissible under applicable law) and cause the Owner or other Person in possession thereof forthwith upon demand of the Mortgagee to surrender to the Mortgagee possession thereof as demanded by the Mortgagee, and by notice to the Owner, request that the crew be ordered to remain onboard the Vessel, that the Master of the Vessel be ordered to sail the Vessel at the cost of the Owner to any port designated by the Mortgagee and/or that the Owner take such action regarding the Vessel as may be requested by the Mortgagee;

(v) to require that all policies, contracts and other records relating to the Insurances (including details of and correspondence concerning outstanding claims) be forthwith delivered to such adjusters, brokers or other insurers as the Mortgagee may nominate;

(vi) to collect, recover, compromise and give a good discharge for all claims then outstanding or thereafter arising under the Insurances or any of them and to take over or institute (if necessary using the name of the Owner) all such proceedings in connection therewith as the Mortgagee in its absolute discretion deems advisable and to permit the brokers through whom collection or recovery is effected to charge the usual brokerage therefor;

(vii) to discharge, compound, release or compromise claims against the Owner in respect of the Vessel which have given or may give rise to any charge or lien on the Vessel or which are or may be enforceable by proceedings against the Vessel;

(viii) to take appropriate judicial proceedings for the foreclosure of this Mortgage and/or for the enforcement of the Mortgagee's rights hereunder or otherwise; recover judgment for any amount due by the Owner in respect of the Credit Agreement, the Notes, this Mortgage, or any of the other relevant Loan Documents and collect the same out of any property of the Owner;

(ix) to sell the Vessel at public auction, free from any claim of or by the Owner of any nature whatsoever by first giving notice of the time and place of sale with a general description of the property in the following manner:

- (a) by publishing such notice for ten (10) consecutive days in a daily newspaper of general circulation published in New York City;
- (b) if the place of sale should not be New York City, then also by publication of a similar notice in a daily newspaper, if any, published at the place of sale; and
- (c) by sending a similar notice by facsimile confirmed by registered mail to the Owner at its address hereinafter set forth at least fourteen (14) days prior to the date of sale;

Such sale of the Vessel may be held at such place as the Mortgagee in such notices may have specified, or such sale may be adjourned by the Mortgagee from time to time by announcement at the time and place appointed for such sale or for such adjourned sale and without further notice or publication the Mortgagee may make such sale at the time and place to which the same shall be so adjourned; and such sale may be conducted without bringing the Vessel to the place designated for such sale and in such manner as the Mortgagee may deem to be for its best advantage, and any Finance Party may become the purchaser at such sale.

(x) pending sale of the Vessel (either directly or indirectly) to manage, charter, lease, insure, maintain and repair the Vessel and to employ or lay up the Vessel upon such terms, in such manner and for such period as the Mortgagee deems expedient and for the purpose aforesaid the Mortgagee shall be entitled to do all acts and things incidental or conducive thereto and in particular to enter into such arrangements respecting the Vessel, her insurance, management, maintenance, repair, classification and employment in all respects as if the Mortgagee were the owner of the Vessel and without being responsible for any loss thereby incurred;

(xi) to recover from the Owner on demand any such losses as may be incurred by the Mortgagee in or about the exercise of the powers vested in the Mortgagee under Section 7(B)(x) above with interest thereon at the rate provided for in Section 5(Q) hereof from the date when such losses were incurred by the Mortgagee; and

(xii) to recover from the Owner on demand all expenses, payments and disbursements (including reasonable fees and expenses of counsel) incurred by the Mortgagee in or about or incidental to the exercise by it of any of the powers vested in it hereunder together with interest thereon at the rate provided for in Section 5(Q) hereof from the date when such expenses, payments or disbursements were incurred by it;

PROVIDED, ALWAYS, that any sale of the Vessel or any interest therein by the Mortgagee pursuant to and in compliance with Section 7(B)(ix) above shall operate to divest all right, title and interest of the Owner, its successors and assigns, in or to the Vessel so sold and upon such sale the purchaser shall not be bound to see or inquire whether the Mortgagee's power of sale has arisen in the manner herein provided and the sale shall be deemed to be within the power of the Mortgagee and the receipt of the Mortgagee for the purchase money shall effectively discharge the purchaser who shall not be concerned with the manner of application of the proceeds of sale or be in any way answerable therefor.

In case the Mortgagee shall have proceeded to enforce any right, power or remedy under this Mortgage by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Mortgagee, then and in every such case the Owner and the Mortgagee shall be restored to their former positions and rights hereunder with respect to the property, subject or intended to be subject to this Mortgage, and all rights, remedies and powers of the Mortgagee shall continue as if no such proceedings had been taken.

(C) Notwithstanding the foregoing, it is understood that a Total Loss of the Vessel which is covered by the insurance maintained by Owner pursuant to Section 5(B) hereof shall not be deemed to be a default under this Mortgage, the Credit Agreement, the Notes or any of the other relevant Loan Documents, or any of them.

8. Application of Proceeds. The proceeds of any sale made either under the power of sale hereby granted to the Mortgagee or under a judgment or decree in any judicial proceedings for the foreclosure of this Mortgage or for the enforcement of any remedy granted to the Mortgagee hereunder, any net earnings arising from the management, charter or other use of the Vessel by the Mortgagee under any of the powers herein contained or by law provided and the proceeds of any and all Insurances and any claims for damages on account of the Vessel or the Owner of any nature whatsoever and any Requisition Compensation, shall be applied in accordance with Section 9.2 of the Credit Agreement,

In the event that the proceeds are insufficient to pay in full the Obligations, the Mortgagee shall be entitled to collect the balance from the Owner or any other Person liable therefor.

9. No Waiver. No delay or omission of the Mortgagee or the other Lenders to exercise any right or power vested in it under the Credit Agreement, the Notes, this Mortgage or any of the other relevant Loan Documents, or any of them shall impair such right or power or be construed as a waiver thereof or as acquiescence in any default by the Owner hereunder, nor shall the acceptance by the Mortgagee of any payments in connection with this Mortgage from any source be deemed a waiver hereunder. However, if at any time after an Event of Default and prior to the actual sale of the Vessel by the Mortgagee or prior to any foreclosure proceedings the Owner cures all Events of Default and pays all expenses, advances and damages to the Mortgagee consequent on such Events of Default, with interest at the rate provided for in Section 5(Q) hereof from the date when such expenses, advances and damages were incurred, then the Mortgagee may accept such cure and payment and restore the Owner to its former position, but such action shall not affect any subsequent Event of Default or impair any rights consequent thereon.

10. Delegation of Power. The Mortgagee shall be entitled at any time and as often as may be expedient to delegate all or any of the powers and discretions vested in it by this Mortgage (including the power vested in it by virtue of Section 12 hereof) in such manner and upon such terms and to such Persons as the Mortgagee in its absolute discretion may deem advisable.

11. Indemnity. Without prejudice to any other rights and remedies of the Mortgagee under the Credit Agreement, the Notes, this Mortgage or any of the other relevant Loan Documents, the Owner hereby agrees and undertakes to indemnify the Mortgagee against all obligations and liabilities whatsoever and whensoever arising which the Mortgagee may incur in good faith in respect of, in relation to or in connection with the Vessel or otherwise howsoever in relation to or in connection with the enforcement of the Mortgagee's rights hereunder or under the Credit Agreement, the Notes or any of the other relevant Loan Documents. The covenants contained in this Section 11 shall survive the discharge of this Mortgage and the earlier resignation or replacement of the Security Trustee or Mortgagee.

12. Power of Attorney.

(A) The Owner hereby irrevocably appoints the Mortgagee as its attorney-in-fact for the duration of the Security Period to do in its name or in the name of the Owner all acts which the Owner, or its successors or assigns, could do in relation to the Vessel, including without limitation, to demand, collect, receive, compromise, settle and sue for (insofar as the Mortgagee lawfully may) all freights, hire, earnings, issues, revenues, income and profits of the Vessel, and all amounts due from underwriters under the Insurances as payment of losses or as return premiums or otherwise, salvage awards and recoveries, recoveries in general average or otherwise, and all other sums due or to become due to the Owner or in respect of the Vessel, and to make, give and execute in the name of the Owner, acquittance, receipts, releases or other discharges for the same, whether under seal or otherwise, to take possession of, sell or otherwise dispose of or manage or employ, the Vessel, to execute and deliver charters and a bill of sale with respect to the Vessel, and to endorse and accept in the name of the Owner all checks, notes, drafts, warrants, agreements and all other instruments in writing with respect to the foregoing. PROVIDED, HOWEVER, that, unless the context otherwise permits under this Mortgage, such power shall not be exercisable by or on behalf of the Mortgagee unless and until any Event of Default stipulated in Section 7(A) hereof shall occur and be continuing and shall not be exercisable after all defaults have been cured. The powers conferred on the Mortgagee under the powers of attorney hereunder are solely to protect the Mortgagee's interests and shall not impose any duty upon the Mortgagee to exercise any such powers.

(B) The exercise of the power granted in this Section 12 by or on behalf of the Mortgagee shall not require any Person dealing with the Mortgagee to conduct any inquiry as to whether any such Event of Default has occurred and is continuing, nor shall such Person be in any way affected by notice that any such Event of Default has not occurred nor is continuing, and the exercise by the Mortgagee of such power shall be conclusive evidence of its right to exercise the same.

13. Appointment of Receiver. If any legal proceedings shall be taken to enforce any right under this Mortgage, the Mortgagee shall be entitled as a matter of right to the appointment of a receiver of the Vessel and of the freights, hire, earnings, issues, revenues, income and profits due or to become due and arising from the operation thereof.

14. Commencement of Proceedings. The Mortgagee shall have the right to commence proceedings in the courts of any country having competent jurisdiction and in particular the Mortgagee shall have the right to arrest and take action against the Vessel at whatever place the Vessel shall be found lying and for the purpose of any action which the Mortgagee may bring before the local court for the jurisdiction of such court or other judicial authority and the Owner agrees that for the purpose of proceedings against the Vessel any writ, notice, judgment or other legal process or documents may be served upon the Master of the Vessel (or upon anyone acting as the Master) and that such service shall be deemed good service on the Owner for all purposes.

15. Partial Invalidity. In the event that any provision or provisions of this Mortgage shall be declared invalid, void or otherwise inoperative by any present or future court of competent jurisdiction in any country, the Owner will, without prejudice to any other right and remedy of the Mortgagee under the Credit Agreement, the Notes, this Mortgage, the other relevant Loan Documents or any of them, execute and deliver such other and further instruments and do such things as in the reasonable opinion of the Mortgagee or its counsel will be necessary or advisable to carry out the true intent and spirit of this Mortgage. In any event, any such declaration of partial invalidity shall not affect the validity of any other provision or provisions of this Mortgage, or the validity of this Mortgage as a whole.

16. Cumulative Remedies. Each and every power and remedy in this Mortgage specifically given to the Mortgagee shall be in addition to every other power and remedy herein or in the Credit Agreement, the Notes or the other relevant Loan Documents specifically given or now or hereafter existing at law, in equity, admiralty, or by statute, and each and every power and remedy whether specifically in this Mortgage or in the Credit Agreement, the Notes or the other relevant Loan Documents given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Mortgagee, and the exercise or the beginning of the exercise of any such power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other power or remedy under the Credit Agreement, the Notes, this Mortgage or any other relevant Loan Documents.

17. Recordation of Mortgage. For the purpose of recording this First Preferred Mortgage as required by the United States Ship Mortgage Act, 1920, as amended, *inter alia*, by Public Law 100-710 (46 USC Section 31301 *et seq.*), the total amount is Three Hundred Ninety One Million United States Dollars (U.S.\$391,000,000) plus interest, expenses and performance of mortgage covenants. It is not intended that this Mortgage shall include property other than the Vessel and it shall not include property other than the Vessel as the term "vessel" is used in the Ship Mortgage Act. Notwithstanding the foregoing, for property other than the Vessel, if any should be determined to be covered by this Mortgage, the discharge amount is zero point zero one percent (0.01%) of the total amount.

18. No Waiver of Preferred Status. Anything herein to the contrary notwithstanding, it is intended that nothing herein shall waive the preferred status of this Mortgage under the laws of the United States of America or under the corresponding provisions of any other jurisdiction in which it is sought to be enforced and that, if any provision or portion thereof herein shall be construed to waive the preferred status of this Mortgage, then such provision to such extent shall be void and of no effect.

WITNESSETH THAT:

WHEREAS:

(A) The Assignor is the sole owner of the whole of the [FLAG] flag vessel m.v. [VESSEL], IMO No. [IMO] (the "Vessel");

(B) The Assignor has entered into that certain senior secured credit agreement, dated _____, 2024 (as the same may be amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among, *inter alios*, (1) SEACOR Marine Foreign Holdings Inc., as borrower (the "Borrower"), (2) SEACOR Marine Holdings Inc., as parent guarantor, (3) the entities listed on Schedule 1-A thereto, including the Assignor, as subsidiary guarantors, (4) the lenders listed on Schedule 1-B thereto (the "Lenders"), (5) Kroll Agency Services Limited, as facility agent and (6) Kroll Trustee Services Limited, as security trustee, pursuant to which the Lenders have agreed to make available to the Borrower a senior secured term loan facility (the "Loan"); and

(C) It is a condition under the Credit Agreement that the Assignor executes and delivers to the Assignee, as security for the obligations of the Obligors to the Lenders under or in connection with the Credit Agreement, the Notes and the other relevant Loan Documents, an assignment of all of the Assignor's right, title and interest in and to the earnings and requisition compensation of the Vessel.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Assignor:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Credit Agreement shall have the same meanings when used herein, including in the preamble and recitals of this Assignment. For the purposes of this Assignment, when any term is modified by the word "relevant" such term shall be construed to mean with respect to, among others, as the case may be, the Assignor.

2. Grant of Security. As security for the payments and performance by the Assignor for the indebtedness, liabilities and obligations of the Obligors from time to time under the Credit Agreement, the Notes and the other relevant Loan Documents, the Assignor, as legal and beneficial owner, does hereby assign, transfer and set over unto the Assignee, for the benefit of the Assignee and its successors and assigns, and does hereby grant the Assignee a security interest in, all of the Assignor's right, title and interest in and to (i) all moneys and claims for moneys due and to become due thereto, whether as charter hire, freights, indemnities, payments or otherwise, under, and all claims for damages arising out of any breach of, any bareboat, time or voyage charter, contract of affreightment or other contract for the use or employment of the Vessel, (ii) all remuneration for salvage and towage services, demurrage and detention moneys and any other earnings whatsoever due or to become due to the Assignor arising from the use or employment of the Vessel, (iii) all moneys or other compensation payable by reason of requisition for title or for hire or other compulsory acquisition of the Vessel, and (iv) all proceeds of all of the foregoing.

3. Notice of Assignment. Upon signing this Assignment, the Assignor will provide to the Security Trustee an executed and undated notice in the form annexed hereto as Exhibit 1 of this Assignment (the "Notice of Assignment"). Promptly upon the occurrence and during the continuance of an Event of Default, the Assignor (or at the direction of the Majority Lenders, the Assignee) shall deliver such Notice of Assignment to any charterer or contractee of the Vessel. If such Notice of Assignment is so delivered, Assignee shall rescind it promptly after the cure or waiver of the underlying Event(s) of Default so long as no other Event of Default has occurred and is continuing.

4. Payment. The Assignor shall cause all sums payable to the Assignor and assigned hereby, whether as charterhire, freight, indemnities or otherwise, to be paid directly to the Assignee or, in the case of payments made to an agent of the Assignor, to be transferred promptly upon receipt by such agent, to the Borrower's Earnings Account or to such other account as the Assignee, acting on the direction of the Majority Lenders, shall direct for the account of the Assignor.

5. Performance under Charters; No Duty of Inquiry. The Assignor hereby undertakes that, notwithstanding the assignment herein contained, it shall punctually perform all its obligations under all charters and contracts pertaining to the Vessel to which it is a party. It is hereby expressly agreed that, anything contained herein to the contrary notwithstanding, the Assignor shall remain liable under all charters and contracts pertaining to the Vessel to which it is a party to perform the obligations assumed by it thereunder, and the Assignee shall have no obligation or liability under any such charter or contract by reason of or arising out of the assignment contained herein, nor shall the Assignee be required to assume or be obligated in any manner to perform or fulfill any obligation of the Assignor under or pursuant to any such charter or contract or to make any payment or make any inquiry as to the nature or sufficiency of any payment received by the Assignee, or, unless and until indemnified to its satisfaction, to present or file any claim or to take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder or pursuant hereto at any time or times.

6. Requisition. The Assignor shall promptly notify the Assignee in writing of the commencement and termination of any period during which the Vessel may be requisitioned.

7. Employment of Vessel. The Assignor hereby further covenants and undertakes promptly to furnish the Assignee with all such information as it may from time to time reasonably require regarding the employment, position and engagements of the Vessel, however not to unreasonably interfere with the conduct of the Assignor's business.

8. Negative Pledge. The Assignor does hereby warrant and represent that it has not transferred, assigned, pledged or otherwise disposed of, and hereby covenants that it will not transfer, assign, pledge or otherwise dispose of so long as this Assignment shall remain in effect, any of its right, title or interest in the whole or any part of the moneys and claims hereby assigned to anyone other than the Assignee, and it will not take or omit to take any action, the taking or omission of which might result in a material alteration or material impairment of the rights hereby assigned or any of the rights created in this Assignment.

9. Power of Attorney. Upon and during the continuance of an Event of Default, the Assignor does hereby irrevocably appoint and constitute the Assignee as the Assignor's true and lawful attorney-in-fact with full power (in the name of the Assignor or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys assigned hereby, to endorse

any checks or other instruments or orders in connection therewith, and to file any claims or take any action or institute any proceedings which the Assignee may deem to be necessary or advisable and otherwise to do any and all things which the Assignor itself could do in relation to the property hereby assigned including but not limited to filing any and all Uniform Commercial Code financing statements or renewals thereof in connection with this Assignment which the Assignee may deem to be necessary or advisable in order to perfect or maintain the security interest granted hereby. The powers conferred on the Assignee under the powers of attorney hereunder are solely to protect the Assignee's interests and shall not impose any duty upon the Assignee to exercise any such powers.

10. Application of Proceeds. All moneys collected or received from time to time by the Assignee pursuant to this Assignment shall be dealt with as provided in the Credit Agreement.

11. Further Assurances. The Assignor agrees that at any time and from time to time, upon the written request of the Assignee, the Assignor will promptly and duly execute and deliver any and all such further instruments and documents as the Assignee may deem necessary in obtaining the full benefits of this Assignment and of the rights and powers herein granted.

12. Remedies Cumulative and Not Exclusive; No Waiver. Each and every right, power and remedy herein given to the Assignee shall be cumulative and shall be in addition to every other right, power and remedy of the Assignee now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy, whether herein given or otherwise existing, may be exercised from time to time, in whole or in part, and as often and in such order as may be deemed expedient by the Assignee, and the exercise or the beginning of the exercise of any right, power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Assignee in the exercise of any right or power or in the pursuance of any remedy accruing upon any breach or default by the Assignor shall impair any such right, power or remedy or be construed to be a waiver of any such right, power or remedy or to be an acquiescence therein; nor shall the acceptance by the Assignee of any security or of any payment of or on account of any of the amounts due from the Assignor under or in connection with the Credit Agreement or any document delivered in connection therewith and maturing after any breach or default or of any payment on account of any past breach or default be construed to be a waiver of any right to take advantage of any future breach or default or of any past breach or default not completely cured thereby.

13. Invalidity. If any provision of this Assignment shall at any time for any reason be declared invalid, void, unenforceable or otherwise inoperative by a court of competent jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be construed in favor of the Assignee in order to carry out the intentions of the parties hereto as nearly as may be possible; and (ii) the invalidity and unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction. In the event that it should transpire that by reason of any law or regulation, or by reason of a ruling of any court, or by any other reason whatsoever, the assignment herein contained is either wholly or partly defective, the Assignor hereby undertakes to furnish the Assignee with an alternative assignment or alternative security and/or to do all such other acts as, in the sole opinion of the Assignee, acting reasonably, shall be required in order to ensure and give effect to the full intent of this Assignment.

14. Continuing Security. It is declared and agreed that the security created by this Assignment shall be held by the Assignee as a continuing security for the payment of all moneys which may at any time and from time to time be or become payable by the Assignor under the Credit Agreement, the Notes and any other relevant Loan Document and that the security so created shall not be satisfied by any intermediate payment or satisfaction of any part of the amount hereby secured and that the security so created shall be in addition to and shall not in any way be prejudiced or affected by any collateral or other security now or hereafter held by the Assignee for all or any part of the moneys hereby secured.

15. Waiver, Amendment. None of the terms and conditions of this Assignment may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Assignee and the Assignor.

16. Termination. If the Assignor shall pay and discharge all of its obligations under or in connection with the Credit Agreement, the Notes and the other relevant Loan Documents, or is released therefrom in accordance with the terms thereof, or if there is a Total Loss (as such term is defined in the Mortgage) of the Vessel and the Assignor has substituted acceptable collateral for the Vessel in accordance with the Credit Agreement, all of the right, title and interest herein assigned shall revert to the Assignor and this Assignment shall terminate. Upon any such termination, the Assignee will, at the Assignor's expense, execute and deliver to the Assignor such documents (in form and substance satisfactory to the Pledgee) as the Assignor shall prepare and reasonably request to evidence such termination.

17. **WAIVER OF JURY TRIAL, EACH OF THE ASSIGNOR, AND BY ITS ACCEPTANCE HEREOF, THE ASSIGNEE, HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO OR ANY BENEFICIARY HEREOF ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS ASSIGNMENT.**

18. Notices. Notices and other communications hereunder shall be in writing and shall be sent in accordance with the Credit Agreement.

19. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of New York.

20. Submission to Jurisdiction. The Assignor hereby irrevocably submits to the jurisdiction of the courts of the State of New York and of the United States District Court for the Southern District of New York in any action or proceeding brought against it by the Assignee under this Assignment or under any document delivered hereunder and hereby irrevocably agrees that valid service of summons or other legal process on it may be effected by serving a copy of the summons and other legal process in any such action or proceeding on the Assignor by mailing by certified mail, signature required, or delivering the same by hand to the Assignor at the address indicated for notices in the Credit Agreement. The service, as herein provided, of such summons or other legal process in any such action or proceeding shall be deemed personal service and accepted by the Assignor as such, and shall be legal and binding upon the Assignor for all the purposes of any such action or proceeding. Final judgment (a certified or exemplified copy of which shall be conclusive evidence of the fact and of the amount of any indebtedness of the Assignor to the Assignee) against the Assignor in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment. The Assignor will advise the Assignee promptly of any change of address for the purpose of service of process. Notwithstanding anything herein to the contrary, the Assignee may bring any legal action or proceeding in any other appropriate jurisdiction.

21. Counterparts. This Assignment may be signed in any number of counterparts, each of which shall be an original with the same effect as if the signatures thereto and hereto were upon the same instrument.

22. Headings. In this Assignment, Section headings are inserted for convenience of reference only and shall be ignored in the interpretation hereof.

23. Assignee Benefit. In obtaining the benefits of this Assignment, the Assignee shall be entitled to the benefit of every provision of the Credit Agreement and the other Loan Documents relating to the rights, exculpations or conduct of, affecting the liability of or otherwise affording protection to the Security Trustee thereunder. Without limiting the generality of the foregoing, and notwithstanding anything contained herein to the contrary, nothing contained in this Assignment shall require the Assignee to exercise any discretionary acts, and any provisions of this Assignment that authorize or permit the Assignee to approve, consent to, disapprove, request, determine, waive, act or decline to act, in its discretion, shall be subject to the Assignee receiving instruction from the Majority Lenders (or, if the relevant Loan Document expressly stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) to take such action or to exercise such rights.

Assignment shall terminate. Upon any such termination, the Assignee will, at the Assignor's expense, execute and deliver to the Assignor such documents (in form and substance satisfactory to the Assignee) as the Assignor shall reasonably prepare and request to evidence such termination.

15. **WAIVER OF JURY TRIAL.** EACH OF THE ASSIGNOR, AND BY ITS ACCEPTANCE HEREOF, THE ASSIGNEE, HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO OR ANY BENEFICIARY HEREOF ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS ASSIGNMENT.

Final judgment (a certified or exemplified copy of which shall be conclusive evidence of the fact and of the amount of any indebtedness of the Assignor to the Assignee) against the Assignor in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment. The Assignor will advise the Assignee promptly of any change of address for the purpose of service of process. Notwithstanding anything herein to the contrary, the Assignee may bring any legal action or proceeding in any other appropriate jurisdiction.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, by the Assignor:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Credit Agreement shall have the same meanings when used herein, including in the preamble and recitals of this Assignment. For the purposes of this Assignment, when any term is modified by the word "relevant" such term shall be construed to mean with respect to, among others, as the case may be, the Assignor.

2. Grant of Security. As security for the payments and performance by the Obligor for the indebtedness, liabilities and obligations of the Obligor from time to time under the Credit Agreement, the Notes and the other relevant Loan Documents (the "Obligations"), the Assignor, as legal and beneficial owner, does hereby assign, transfer and set over unto the Assignee, for the benefit of the Assignee and its successors and assigns, and does hereby grant the Assignee a security interest in, all of the Assignor's right, title and interest in and to the following personal property (hereinafter collectively referred to as the "Assigned Property"): (i) all of the Assignor's right, title and interest in and to the Charter and all

3. Notice of Assignment. Upon the Assignor's execution of this Assignment, the Assignor shall deliver to the Assignee an undated and executed copy of the notice in the form attached hereto as Exhibit 1 of this Assignment (the "Notice of Assignment"), addressed to the Charterer. Following the occurrence and during the continuance of an Event of Default, the Assignee shall be authorized to (and shall, at the direction of the Majority Lenders) deliver such Notice of Assignment to the Charterer; and may procure the Charterer's acknowledgement of this Assignment in the form annexed hereto as Exhibit 2.

4. Representations. The Assignor represents and, so long as any obligations of the Borrower under the Credit Agreement remain unpaid, shall be deemed continuously to represent and warrant that (a) the Charter is genuine and enforceable in accordance with its terms against the obligors thereunder; (b) the Assignor is the [disponent][registered] owner of the Vessel and the Assigned Property is free and clear of all security interests, liens or other encumbrances except those in favor of the Assignee; (c) neither any charterer nor any other obligor with respect to any Assigned Property (each such obligor under the Assigned Property, including any charterer, hereinafter, the "Account Debtor") has any defense, set-off, claim or counterclaim which can be asserted against Assignor, whether in any proceeding to enforce the Assigned Property or otherwise; (d) the Assignor is authorized to enter into this Assignment and into the Charter; (e) to the knowledge of the Assignor no event has occurred which is a default or an event of default, or with the passing of time or the giving of notice or both would be a default or an event of default, under the Charter.

5. [Covenant to Pay and Perform.] Covenants. [The Assignor hereby covenants and agrees to pay and perform the Obligations when due; provided however that the sole recourse to the Assignor hereunder shall be limited to the Assigned Property. [NTD: To be included for non-Obligor assignors.]] The Assignor further (a) will defend the Assigned Property against the claims and demands of all other parties, including, without limitation, defenses, set-offs, claims and counterclaims asserted by any charterer or any other Account Debtor against the Assignor, the Vessel or the Assignee; (b) will keep the Assigned Property free of all security interests or other liens, mortgages, chattel mortgages and encumbrances, except those in favor of the Assignee, and will not sell, transfer, assign, deliver or otherwise dispose of any Assigned Property or any interest therein without the prior written consent of the Assignee (and the Assignor will, at the Assignee's request, mark all or any Assigned Property and/or records related thereto to indicate the interests of the Assignee); (c) will notify the Assignee immediately of any default by any charterer or other Account Debtor in payment or other performance of its obligations with respect to any Assigned Property; (d) without the Assignee's prior written consent, will not make or agree to make any material alteration, material modification, termination, cancellation of, or substitution for, or credits, discounts, adjustments, offsets or allowances on, the Charter or any other Assigned Property; (e) will promptly furnish the Assignee with all such information as it may from time to time reasonably require regarding the employment, position and engagements of the Vessel, however not to unreasonably interfere with the conduct of the Assignor's business and (f) in connection herewith, will execute and deliver to the Assignee such assignments, notices and other documents, pay all costs of title searches and filing financing statements, assignments and other documents in all public offices reasonably requested by the Assignee, and do such other things as the Assignee may reasonably request in connection with this Assignment.

6. Payment. The Assignor shall cause all sums payable to the Assignor under the Charter and assigned hereby, whether as charterhire, freight, indemnities or otherwise, to be paid to the Earnings Account as soon as possible after being earned. Upon the occurrence and during the continuance of any Event of Default, the Assignee may notify all or any Account Debtors of the existence of this Assignment, and the Assignee may direct such Account Debtors, including, without limitation, any charterer, to make all payments on or in respect to the Assigned Property to the Assignee.

7. Performance under Charter; No Duty of Inquiry. The Assignor hereby undertakes that, notwithstanding the assignment herein contained, it shall punctually perform all its obligations under the Charter and contracts pertaining to the Vessel to which it is a party. It is hereby expressly agreed that, anything contained herein to the contrary notwithstanding, the Assignor shall remain liable under all charters and contracts pertaining to the Vessel to which it is a party to perform the obligations assumed by it thereunder, and the Assignee shall have no obligation or liability under any such Charter or contract by reason of or arising out of the assignment contained herein, nor shall the Assignee be required to assume or be obligated in any manner to perform or fulfill any obligation of the Assignor under or pursuant to any such Charter or contract or to make any payment or make any inquiry as to the nature or sufficiency of any payment received by the Assignee, or, unless and until indemnified to its satisfaction, to present or file any claim or to take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder or pursuant hereto at any time or times.

8. Power of Attorney. Upon the occurrence of an Event of Default and so long as such Event of Default shall be continuing, the Assignor does hereby irrevocably appoint and constitute the Assignee as the Assignor's true and lawful attorney-in-fact with full power (in the name of the Assignor or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys assigned hereby, to endorse any checks or other instruments or orders in connection therewith, and to file any claims or take any action or institute any proceedings which the Assignee may deem to be necessary or advisable and otherwise to do any and all things which the Assignor itself could do in relation to the property hereby assigned including but not limited to filing any and all Uniform Commercial Code financing statements or renewals thereof in connection with this Assignment which the Assignee may deem to be necessary or advisable in order to perfect or maintain the security interest granted hereby. The powers conferred on the Assignee under the powers of attorney hereunder are solely to protect the Assignee's interests and shall not impose any duty upon the Assignee to exercise any such powers.

9. Application of Proceeds. All moneys collected or received from time to time by the Assignee pursuant to this Assignment shall be dealt with as provided in the Credit Agreement.

10. Further Assurances. The Assignor agrees that at any time and from time to time, upon the written request of the Assignee, the Assignor will promptly and duly execute and deliver any and all such further instruments and documents as the Assignee may deem necessary in obtaining the full benefits of this Assignment and of the rights and powers herein granted.

11. Remedies Cumulative and Not Exclusive; No Waiver. Each and every right, power and remedy herein given to the Assignee shall be cumulative and shall be in addition to every other right, power and remedy of the Assignee now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy, whether herein given or otherwise existing, may be exercised from time to time, in whole or in part, and as often and in such order as may be deemed expedient by the Assignee, and the exercise or the beginning of the exercise of any right, power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Assignee in the exercise of any right or power or in the pursuance of any remedy accruing upon any breach or default by the Assignor shall impair any such right, power or remedy or be construed to be a waiver of any such right, power or remedy or to be an acquiescence therein; nor shall the acceptance

by the Assignee of any security or of any payment of or on account of any of the amounts due from the Assignor under or in connection with the Credit Agreement or any document delivered in connection therewith and maturing after any breach or default or of any payment on account of any past breach or default be construed to be a waiver of any right to take advantage of any future breach or default or of any past breach or default not completely cured thereby.

12. Invalidity. If any provision of this Assignment shall at any time for any reason be declared invalid, void, unenforceable or otherwise inoperative by a court of competent jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be construed in favor of the Assignee in order to carry out the intentions of the parties hereto as nearly as may be possible; and (ii) the invalidity and unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction. In the event that it should transpire that by reason of any law or regulation, or by reason of a ruling of any court, or by any other reason whatsoever, the assignment herein contained is either wholly or partly defective, the Assignor hereby undertakes to furnish the Assignee with an alternative assignment or alternative security and/or to do all such other acts as, in the sole opinion of the Assignee, acting reasonably, shall be required in order to ensure and give effect to the full intent of this Assignment.

13. Continuing Security. It is declared and agreed that the security created by this Assignment shall be held by the Assignee as a continuing security for the payment of all moneys which may at any time and from time to time be or become payable by the Assignor under the Credit Agreement, the Note and any other relevant Loan Document and that the security so created shall not be satisfied by any intermediate payment or satisfaction of any part of the amount hereby secured and that the security so created shall be in addition to and shall not in any way be prejudiced or affected by any collateral or other security now or hereafter held by the Assignee for all or any part of the moneys hereby secured.

14. Waiver; Amendment. None of the terms and conditions of this Assignment may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Assignee and the Assignor.

15. Termination. If the Assignor shall pay and discharge all of its obligations under or in connection with the Credit Agreement, the Note and the other relevant Loan Documents, or is released therefrom in accordance with the terms thereof, or if there is a Total Loss (as such term is defined in the relevant Mortgage) of the Vessel, all of the right, title and interest herein assigned shall revert to the Assignor and this Assignment shall terminate. Upon any such termination, the Assignee will, at the Assignor's expense, execute and deliver to the Assignor such documents (in form and substance satisfactory to the Assignee) as the Assignor shall prepare and reasonably request to evidence such termination.

16. WAIVER OF JURY TRIAL. EACH OF THE ASSIGNOR, AND BY ITS ACCEPTANCE HEREOF, THE ASSIGNEE, HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO OR ANY BENEFICIARY HEREOF ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS ASSIGNMENT.

17. Notices. Notices and other communications hereunder shall be in writing and shall be sent in accordance with the Credit Agreement.

18. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the State of New York.

19. Submission to Jurisdiction. The Assignor hereby irrevocably submits to the jurisdiction of the courts of the State of New York and of the United States District Court for the Southern District of New York in any action or proceeding brought against it by the Assignee under this Assignment or under any document delivered hereunder and hereby irrevocably agrees that valid service of summons or other legal process on it may be effected by serving a copy of the summons and other legal process in any such action or proceeding on the Assignor by mailing by certified mail, signature required, or delivering the same by hand to the Assignor at the address indicated for notices in Section 17 hereof. The service, as herein provided, of such summons or other legal process in any such action or proceeding shall be deemed personal service and accepted by the Assignor as such, and shall be legal and binding upon the Assignor for all the purposes of any such action or proceeding. Final judgment (a certified or exemplified copy of which shall be conclusive evidence of the fact and of the amount of any indebtedness of the Assignor to the Assignee) against the Assignor in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment. The Assignor will advise the Assignee promptly of any change of address for the purpose of service of process. Notwithstanding anything herein to the contrary, the Assignee may bring any legal action or proceeding in any other appropriate jurisdiction.

20. Counterparts. This Assignment may be signed in any number of counterparts, each of which shall be an original with the same effect as if the signatures thereto and hereto were upon the same instrument.

21. Headings. In this Assignment, Section headings are inserted for convenience of reference only and shall be ignored in the interpretation hereof.

22. Assignee Benefit. In obtaining the benefits of this Assignment, the Assignee shall be entitled to the benefit of every provision of the Credit Agreement and the other Loan Documents relating to the rights, exculpations or conduct of, affecting the liability of or otherwise affording protection to the Security Trustee thereunder. Without limiting the generality of the foregoing, and notwithstanding anything contained herein to the contrary, nothing contained in this Assignment shall require the Assignee to exercise any discretionary acts, and any provisions of this Assignment that authorize or permit the Assignee to approve, consent to, disapprove, request, determine, waive, act or decline to act, in its discretion, shall be subject to the Assignee receiving instruction from the Majority Lenders (or, if the relevant Loan Document expressly stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) to take such action or to exercise such rights.

C. It is a condition precedent to, among other things, the availability of the Loan under the Credit Agreement that the Pledgor execute and deliver to the Pledgee, as security for the obligations of the Obligors under or in connection with the Credit Agreement and the other Loan Documents (the “Obligations”), a pledge of all of the Pledgor’s right, title and interest in and to the Membership Interests in each Pledged Company.

NOW, THEREFORE, in consideration of the premises and of other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Pledgor, the Pledgor agrees with the Pledgee as follows:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Credit Agreement shall have the same meanings when used herein.

2. Grant of Security. As security for the complete payment to the Facility Agent and the Lenders of all sums owing by the Obligors whether for principal, interest, fees, expenses or otherwise, under and in connection with the Credit Agreement and the other Loan Documents and the due and punctual performance by the Obligors of all other Obligations under the Credit Agreement and the other Loan Documents, the Pledgor hereby pledges, assigns and transfers to the Pledgee and hereby grants to the Pledgee a first lien on, and first security interest in, the following (the “Pledged Collateral”):

(i) the Membership Interests in each Pledged Company, and all distributions, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of said Membership Interests;

(ii) all additional membership interests of each Pledged Company that may from time to time be acquired by the Pledgor in any manner and all cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such additional Membership Interests; and

(iii) any proceeds of any of the foregoing.

3. Covenant to Pay; Delivery of Additional Documents.

(i) The Pledgor hereby covenants and agrees to pay and perform the Obligations when due; provided however that the sole recourse to the Pledgor hereunder shall be limited to the Pledged Collateral.

(ii) Concurrently with the execution of this Pledge Agreement, the Pledgor shall deliver to the Pledgee (i) an undated fully executed irrevocable proxy with respect to each Pledged Company in favor of the Pledgee, in substantially the form of Exhibit I (the "Irrevocable Proxy"), (ii) an undated fully executed instrument of transfer of limited liability company interests with respect to each Pledged Company in substantially the form of Exhibit II (the "Transfer"), (iii) a fully executed co-address of record appointment letter with respect to each Pledged Company organized in the Republic of the Marshall Islands, in substantially the form of Exhibit III and (iv) undated fully executed letters of resignation from each officer and director (or equivalent) of each Pledged Company ("Letters of Resignation"). The exercise by the Pledgee of voting rights evidenced by an Irrevocable Proxy shall be subject to the limitations thereon set forth in Section 8 hereof.

(i) it is duly formed or organized and is validly existing in good standing under the laws of its jurisdiction of formation, has full power to carry on its business as now being conducted and to enter into and perform its obligations under this Pledge Agreement, and has complied with all statutory, regulatory and other requirements relative to such business and this Pledge Agreement;

(ii) all necessary limited liability company action has been taken to authorize, and all necessary consents and authorities have been obtained and remain in full force and effect to permit it to enter into and perform its obligations under this Pledge Agreement and, as of the date of this Pledge Agreement, no further consents or authorities are necessary for the performance thereof;

(iii) the execution and delivery of, and the performance of the provisions of this Pledge Agreement do not contravene any applicable law or regulation existing at the date hereof material to the conduct of the Pledgor's business or any contractual restriction binding on the Pledgor or its certificate of formation or operating agreement (or equivalent instruments);

(iv) it is not necessary for the legality, validity, enforceability or admissibility into evidence of this Pledge Agreement that it or any document relating thereto be registered, filed, recorded or enrolled with any court or authority in any relevant jurisdiction or that any stamp, registration or similar Taxes be paid on or in relation to this Pledge Agreement;

(v) there is no action, suit or proceeding pending or, to the knowledge of the Pledgor, threatened in writing against it before any court, board of arbitration or administrative agency affecting the Pledged Collateral which is reasonably likely to result in a Material Adverse Effect;

(viii) it has full power, authority and legal right to execute, deliver and perform this Pledge Agreement and to create the security interest for which this Pledge Agreement provides;

(ix) the Membership Interests in each Pledged Company (a) have been duly and validly created pursuant to its limited liability company agreement and (b) constitute 100% of the legal and beneficial ownership interests of the Pledgor in such Pledged Company and 100% of the membership interests in such Pledged Company;

(xi) this Pledge Agreement has been duly executed and delivered by the Pledgor and constitutes a valid obligation of the Pledgor, legally binding upon it and enforceable in accordance with its terms, except to the extent such enforcement may be limited by equitable principles, principles of public policy or applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting generally the enforcement of creditor's rights;

(xii) the pledge, hypothecation and assignment of the Membership Interests in each Pledged Company pursuant to and/or described in this Pledge Agreement, together with any and all filings and other actions necessary to perfect the security interest therein, create a valid first perfected security interest in the Membership Interests in such Pledged Company and the proceeds thereof;

(xiv) the execution, delivery and performance of this Pledge Agreement will not violate or contravene any provision of any existing law or regulation or decree of any court, governmental authority, bureau or agency having jurisdiction in the premises or of the certificate of incorporation, articles of incorporation, bylaws or other constituent documents of the Pledgor or of any mortgage, indenture, security agreement, contract, undertaking or other agreement to which the Pledgor is a party or which purports to be binding upon it or any of its properties or assets and will not result in the creation or imposition of any lien, charge or encumbrance on, or security interest in, any of its properties or assets pursuant to the provisions of any such mortgage, indenture, security agreement, contract, undertaking or other agreement; and

(xv) Pledgor owns no interest in any Pledged Company other than the Membership Interests in such Pledged Company.

5. Covenants. The Pledgor hereby covenants that during the continuance of this Pledge Agreement:

(i) it shall do or cause to be done all things necessary to preserve and keep its existence under the laws of its jurisdiction of incorporation or formation;

(ii) it shall warrant and defend the right and title of the Pledgee conferred by this Pledge Agreement in and to the Membership Interests in each Pledged Company at the cost of the Pledgor against the claims and demands of all persons whomsoever;

(iii) except as herein provided, it shall not sell, assign, transfer, change, pledge or encumber in any manner any part of the Membership Interests in any Pledged Company or suffer to exist any encumbrance on the Membership Interests in any Pledged Company;

(iv) without the prior written consent of the Pledgee, it will not materially amend or modify any limited liability company agreement relating to any Pledged Company including, without limitation, any amendment or modification which would cause the Membership Interests in such Pledged Company to constitute a security under Article 8 of the UCC;

(v) it shall not vote the Membership Interests in any of the Pledged Companies in favor of the consolidation, merger, dissolution, liquidation or any other corporate reorganization of such Pledged Company;

(vi) it shall not take from any of the Pledged Companies any undertaking or security in respect of its liability hereunder or in respect of any other liability of such Pledged Company to the Pledgor and the Pledgor shall not prove nor have the right of proof, in competition with the Pledgee, for any monies whatsoever owing from the Pledged Companies to the Pledgor, in any insolvency or liquidation, or analogous proceedings under any applicable law, of the Pledgor; and

(vii) the Pledgor shall not cause any of the Pledged Companies to transfer or issue any additional membership interests in such Pledged Company nor any options, warrants or other agreements to do so issued or entered into, except to the extent that grantees of any such interests at the same time pledge any and all such membership interests to the Pledgee at the time of issuance and that any options, warrants or other agreements with respect thereto are made subject to the foregoing requirements.

6. Delivery of Additional Membership Interests. If the Pledgor shall become entitled to receive or shall receive any membership certificates, option or rights, whether as an addition to, in substitution of, or in exchange for any of the Membership Interests in each Pledged Company, the Pledgor agrees to accept the same as the agent of the Pledgee and to hold the same in trust for the benefit of the Pledgee and to deliver the same forthwith to the Pledgee in the exact form received, with the endorsement of the Pledgor when necessary and/or appropriate instruments of transfer duly executed in blank, and Irrevocable Proxies and Transfers for any membership certificates so received, to be held by the Pledgee, subject to the terms hereof, as additional collateral security for the Obligations.

7. General Authority. The Pledgor hereby consents that, without the necessity of any reservation of rights against the Pledgor, and without notice to or further assent by the Pledgor, any demand for payment of any of the Obligations made by any of the Finance Parties in connection with an Event of Default which is continuing may be rescinded by the relevant Finance Parties and any of the Obligations continued, and the Obligations, or the liability of the Pledgor upon or for any part thereof, or any other collateral security (including, without limitation, any collateral security held pursuant to any of the other Loan Documents executed and delivered pursuant to the Credit Agreement) or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, modified, accelerated, compromised, waived, surrendered, or released by the Pledgee, and the Loan Documents, any guarantees and any other collateral security documents executed and delivered by any other Security Party and/or any Pledged Company or any other obligors in respect of the Obligations may be amended, modified, supplemented or terminated, in whole or in part, as the Pledgee, may deem advisable, from time to time, and any other collateral security at any time held by the Pledgee for the payment of the Obligations (including, without limitation, any collateral security held pursuant to any other collateral security document executed and delivered pursuant to the Credit Agreement and the Loan Documents) may be sold, exchanged, waived, surrendered or released, all without notice to or further assent by the Pledgor or any Pledged Company, which will remain bound hereunder, notwithstanding any such renewal, extension, modification, acceleration, compromise, amendment, supplement, termination, sale, exchange, waiver, surrender or release. The Pledgor waives any and all notices of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by the Pledgee upon this Pledge Agreement, and the Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Pledge Agreement, and all dealings between any of the Pledged Companies and the Pledgee shall likewise be conclusively presumed to have been had or consummated in reliance upon this Pledge Agreement. The Pledgor waives diligence, presentment, protest, demand for payment and notice of default or non-payment to or upon the Pledgor, any of the Pledged Companies or any other Security Party with respect to the Obligations. Pledgor waives any defense based on the invalidity or unenforceability of any other pledge in favor of Pledgee of Membership Interests in such Pledged Company or any failure of Pledgee to demand or receive a pledge of any other membership interest in such Pledged Company.

8. Voting Rights. (i) The Pledgee, as the holder of the Irrevocable Proxy, shall have the right (but not the obligation) to vote the Membership Interests in relation to each Pledged Company at its own discretion at any annual or special meeting, as the case may be, of the members of such Pledged Company, provided, however, that the Pledgee shall not exercise such right to vote until such time that an Event of Default shall have occurred and be continuing under the Credit Agreement and shall not have been remedied to the Pledgee's satisfaction or waived in writing.

(ii) Unless and until there shall have occurred and be continuing an Event of Default, the Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Pledged Collateral owned by it, and to give consents, waivers and ratifications in respect thereof; provided that, in each case, no vote shall be cast or any consent, waiver or ratification given or any action taken or omitted to be taken which would violate or be inconsistent with the terms of any Transaction Document, or which would cause any of the Membership Interests of a Pledged Company to constitute a security under Article 8 of the UCC unless expressly permitted by the terms of the Transaction Documents.

9. Default. The security constituted by this Pledge Agreement shall become immediately enforceable on the occurrence of an Event of Default that is continuing under the Credit Agreement.

10. Remedies. If any Event of Default shall have occurred and be continuing, the Pledgee shall be entitled:

(i) subject to the limitations of Sections 9-610 and 9-615 of the Uniform Commercial Code of the State of New York (if applicable), to sell, assign, transfer and deliver at any time the whole, or from time to time any part, of the Pledged Collateral or any rights or interests therein, at public or private sale or in any other manner, at such price or prices and on such terms as the Pledgee may deem appropriate, and either for cash, on credit, for other property or for future delivery, at the option of the Pledgee, upon not less than 10 days' prior written notice (which 10 day notice is hereby acknowledged by the Pledgor to be reasonable) addressed to the Pledgor at its last address on file with the Pledgee, but without demand, advertisement or other notice of any kind (all of which are hereby expressly waived by the Pledgor). If any of the Pledged Collateral or any rights or interests thereon are to be disposed of at a public sale, the Pledgee may, without notice or publication, adjourn any such sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, occur at the time and place identified in such announcement. If any of the Pledged Collateral or any rights or interests therein shall be disposed of at a private sale, the Pledgee shall be relieved from all liability or claim for inadequacy of price, provided that the Pledgee has acted in good faith. At any such public sale the Pledgee may purchase the whole or any part of the Pledged Collateral or any rights or interests therein so sold. Each purchaser, including the Pledgee should it acquire the Pledged Collateral, at any public or private sale shall hold the property sold free from any claim or right of redemption, stay, appraisal or reclamation on the part of the Pledgor which are hereby expressly waived and released to the extent permitted by applicable law. If any of the Pledged Collateral or any rights or interests therein shall be sold on credit or for future delivery, the Pledged Collateral or rights or interests so sold may be retained by the Pledgee until the selling price thereof shall be paid by the purchaser, but the Pledgee shall not incur any liability in case of failure of the purchaser to take up and pay for the Pledged Collateral or rights or interests therein so sold. In case of any such failure, such Pledged Collateral or rights or interests therein may again be sold on not less than 10 days' prior written notice as aforesaid;

(ii) to exercise all voting and other limited liability company rights at any meeting of a Pledged Company and exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to the Membership Interests of a Pledged Company as if it were the absolute owner thereof, including, without limitation, the right to exchange at its discretion, such Membership Interests upon the merger, consolidation, reorganization, recapitalization or other readjustment of such Pledged Company or, upon the exercise by a Pledged Company or the Pledgee of any right, privilege or option pertaining to such Membership Interests, and in connection therewith, to deposit and deliver such Membership Interests with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as it may determine, all without liability except to account for property actually received by it.

In addition to the rights and remedies granted to it in this Pledge Agreement and in any other instrument or agreement securing, evidencing or relating to any of the Obligations, the Pledgee shall have rights and remedies of a secured party under the Uniform Commercial Code of the State of New York.

11. No Duty on Pledgee. The Pledgee shall have no duty to exercise any of the aforesaid rights, privileges or options and shall not be responsible for any failure to do so or delay in so doing.

12. Application of Proceeds. All moneys collected or received by the Pledgee pursuant to this Pledge Agreement shall be dealt with as provided in the Credit Agreement.

13. Further Assurances. The Pledgor agrees that if this Pledge Agreement shall in the reasonable opinion of the Pledgor, at any time be deemed by the Pledgor for any reason insufficient in whole or in part to carry out the true intent and spirit hereof or thereof, it will execute or cause to be executed such other and further assurances and documents as in the reasonable opinion of the Pledgor may be required in order to more effectively accomplish the purposes of this Pledge Agreement.

14. Remedies; Remedies Cumulative and Not Exclusive; No Waiver. Each and every right, power and remedy herein given to the Pledgee shall be cumulative and shall be in addition to every other right, power and remedy of the Pledgee now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy, whether herein given or otherwise existing, may be exercised from time to time, in whole or in part, and as often and in such order as may be deemed expedient by the Pledgee, and the exercise or the beginning of the exercise of any right, power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Pledgee in the exercise of any right or power or in the pursuance of any remedy accruing upon any breach or default by the Pledgor shall impair any such right, power or remedy or be construed to be a waiver of any such right, power or remedy or to be an acquiescence therein; nor shall the acceptance by the Pledgee of any security or of any payment of or on account of any of the amounts due from the Pledgor to the Pledgee under or in connection with the Credit Agreement or any documents delivered in connection therewith and maturing after any breach or default or of any payment on account of any past breach or default be construed to be a waiver of any right to take advantage of any future breach or default or of any past breach or default not completely cured thereby.

15. Invalidity. In case any one or more of the provisions contained in this Pledge Agreement would, if given effect, be invalid, illegal or unenforceable in any respect under any law applicable in any relevant jurisdiction, said provision shall not be enforceable against the Pledgor, but the validity, legality and enforceability of the remaining provisions herein or therein contained shall not in any way be affected or impaired thereby. In the event that it should transpire that by reason of any law or regulation, or by reason of a ruling of any court, or by any other reason whatsoever, the assignment herein contained is either wholly or partly defective, the Pledgor hereby undertakes to furnish the Pledgee with an alternative pledge or alternative security and/or to do all such other acts as, in the reasonable opinion of the Pledgee, shall be required in order to ensure and give effect to the full intent of this Pledge.

16. Continuing Security. It is declared and agreed that the security created by this Pledge Agreement shall be held by the Pledgee as a continuing security for the payment of all moneys which may at any time and from time to time be or become payable by the Pledgor under the Credit Agreement, the Note or any other Transaction Document and that the security so created shall not be satisfied by an intermediate payment or satisfaction of any part of the amount hereby secured and that the security so created shall be in addition to and shall not in any way be prejudiced or affected by any collateral or other security now or hereafter held by the Pledgee for all or any part of the moneys hereby secured.

17. Waiver; Amendment. None of the terms and conditions of this Pledge Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Pledgee and the Pledgor.

18. Termination. When all of the Obligations shall have been fully satisfied, the Pledgee agrees that it shall forthwith release the Pledgor from its obligations hereunder and the Pledgee, at the request and expense of the Pledgor, will promptly execute and deliver to the Pledgor a proper instrument or instruments (in form and substance satisfactory to the Pledgee) prepared by the Pledgor acknowledging the satisfaction and termination of this Pledge Agreement, and the Irrevocable Proxy, Transfer and Letters of Resignation shall terminate forthwith and be delivered to the Pledgor forthwith together with the other items furnished to the Pledgee pursuant to Section 2 hereof.

19. **WAIVER OF JURY TRIAL. IT IS MUTUALLY AGREED BY AND BETWEEN THE PLEDGOR AND THE PLEDGEE THAT EACH OF THEM HEREBY WAIVES TRIAL BY**

JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO AGAINST ANY OTHER PARTY HERETO ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS PLEDGE AGREEMENT.

20. Notices. Every notice or demand under this Pledge Agreement shall be in writing (including prepaid overnight courier or electronic mail) and given to each party at its respective address below or to such other address as such party may hereafter specify for the purpose by notice to the other party hereto. Each such notice shall be effective (i) if given by email, when such email is transmitted to the email address specified in this Section 20, or (ii) if given by mail, by prepaid overnight courier or any other means, when received at the address specified in this Section 20.

22. Submission to Jurisdiction. The Pledgor hereby irrevocably submits to the jurisdiction of the courts of the State of New York and of the United States District Court for the Southern District of New York in any action or proceeding brought against it by any of the Finance Parties under this Pledge Agreement or under any document delivered hereunder and hereby irrevocably agrees that valid service of summons or other legal process on it may be effected by serving a copy of the summons and other legal process in any such action or proceeding on the Pledgor by mailing by certified mail, signature required, or delivering the same by hand to the Pledgor at the address indicated for notices in Section 20. Notwithstanding anything herein to the contrary, the Finance Parties may bring any legal action or proceeding in any other appropriate jurisdiction.

23. Severability. If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be construed in favor of the Pledgee in order to carry out the intentions of the parties hereto as nearly as may be possible; and (ii) the invalidity and unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

24. Counterparts. This Pledge Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument. Delivery of an executed counterpart of this Pledge Agreement by facsimile or electronic transmission shall be deemed as effective as delivery of an originally executed counterpart. In the event that the Pledgor delivers an executed counterpart of this Pledge Agreement by facsimile or electronic transmission, the Pledgor shall also deliver an originally executed counterpart as soon as practicable, but the failure of the Pledgor to deliver an originally executed counterpart of this Pledge Agreement shall not affect the validity or effectiveness of this Pledge Agreement.

25. Headings. In this Pledge Agreement, section headings are inserted for convenience of reference only and shall be ignored in the interpretation of this Pledge Agreement.

26. Pledgee Benefit. In entering into this Pledge Agreement, the Pledgee shall be entitled to the benefit of every provision of the Credit Agreement and the other Loan Documents relating to the rights, exculpations or conduct of, affecting the liability of or otherwise affording protection to the Security Trustee thereunder. Without limiting the generality of the foregoing, and notwithstanding anything contained herein to the contrary, nothing contained in this Pledge Agreement shall require the Pledgee to exercise any discretionary acts, and any provisions of this Pledge Agreement that authorize or permit the Pledgee to approve, consent to, disapprove, request, determine, waive, act or decline to act, in its discretion, shall be subject to the Pledgee receiving instruction from the Majority Lenders (or, if the relevant Loan Document expressly stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) to take such action or to exercise such rights.

ACCOUNT PLEDGE
(Earnings Account)

THIS ACCOUNT PLEDGE (this "Pledge") is made as of [●], 2024, by and between SEACOR MARINE FOREIGN HOLDINGS INC., a corporation incorporated and existing under the laws of the Republic of the Marshall Islands (the "Assignor"), and KROLL TRUSTEE SERVICES LIMITED, in its capacity as Security Trustee (as such term is hereinafter defined) (the "Assignee").

WITNESSETH:

WHEREAS:

A. By a senior secured credit agreement dated [●], 2024 (as the same may be amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among, *inter alios*, (1) SEACOR Marine Foreign Holdings Inc., as borrower (the "Borrower"), (2) SEACOR Marine Holdings Inc., as parent guarantor, (3) the entities listed on Schedule 1-A thereto, as subsidiary guarantors, (4) the lenders party thereto (the "Lenders"), (5) Kroll Agency Services Limited, as facility agent and (6) Kroll Trustee Services Limited, as security trustee (the "Security Trustee"), the Lenders have agreed to make available to the Borrower a senior secured term loan facility (the "Loan");

B. The Assignor has opened and maintains an account with account number 537297833 (such account, including any sub-account(s) into and from which balances from such account are swept by the Account Bank from time to time for reserve-related or other purposes, the "Earnings Account") with JPMorgan Chase N.A. (in such capacity, the "Account Bank"); and

C. It is a condition precedent to, among other things, the availability of the Loan that the Assignor execute and deliver to the Assignee, as security for the obligations of the Obligor under the Credit Agreement, the Note and the other Loan Documents, an assignment and pledge of the Earnings Account in favor of the Assignee.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration (the receipt and sufficiency whereof are hereby acknowledged), and by way of security for the due performance of the obligations of the Assignor under the Credit Agreement, the Note and the other relevant Loan Documents, it is hereby agreed as follows:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Credit Agreement shall have the same meanings when used herein. For the purposes of this Pledge, when any term is modified by the word "relevant" such term shall be construed to mean with respect to, among others, as the case may be, the Assignor.

2. Grant of Security. As security for the obligations of the Obligor under the Credit Agreement, the Note and the other Loan Documents, including, without limitation, the due and punctual performance by the Assignor of all its obligations under this Pledge now or hereafter existing hereinafter (the "Obligations"), the Assignor, as legal and beneficial owner, does hereby assign, transfer and set over unto the Assignee absolutely and does hereby grant a security interest in, all of its right, title and interest, present and future, in and to the Earnings Account and all moneys from time to time on deposit in the Earnings Account, together with interest on the foregoing and proceeds thereof.

3. Negative Pledge; Representations and Warranties. The parties hereto acknowledge and agree that the Earnings Account is a "deposit account" as such term is set forth in the

Uniform Commercial Code. The Assignor does hereby warrant and represent that it has not assigned or pledged, and hereby covenants that it will not assign or pledge so long as this Pledge shall remain in effect, any of its right, title or interest in the whole or any part of the property hereby assigned to anyone other than the Assignee or as permitted by the Credit Agreement, and it will not take or omit to take any action, the taking or omission of which might result in a material alteration or impairment of the rights hereby assigned or any of the rights created in this Pledge; the Assignor further represents that the lien created hereby constitutes a perfected first priority security interest in the Earnings Account in favor of the Assignee; the Assignor shall not create, assume or suffer to exist any additional lien, charge, security interest, writ, order, judgment, warrant of attachment, execution or similar process upon the Earnings Account.

4. Power of Attorney. The Assignor does hereby constitute the Assignee the Assignor's true and lawful attorney irrevocably, with full power (in the name of the Assignor or otherwise) upon the occurrence and during the continuance of an Event of Default (i) to set off and apply all moneys in the Earnings Account in or towards satisfaction of any and all moneys, obligations and liabilities hereby secured and in such order as the Assignee in its absolute discretion may from time to time conclusively determine, (ii) to ask, require, demand, receive, compound and give acquittance for any and all moneys and claims for moneys assigned hereby, (iii) to endorse any checks or other instruments or orders in connection therewith, and (iv) to file any claims or take any action or institute any proceedings which the Assignee may deem to be necessary or advisable in the premises. The powers conferred on the Assignee under the powers of attorney hereunder are solely to protect the Assignee's interests and shall not impose any duty upon the Assignee to exercise any such powers.

5. Accounts Control Agreement. The Assignor represents that it has entered into an accounts control agreement which provides, inter alia, that the Earnings Account shall be under the control of the Assignee, and that the Assignor shall have the right to withdraw and otherwise direct the disposition of funds in the Earnings Account until such time as the Assignee shall have issued a notice to the Account Bank of its exclusive right to direct withdrawals from the Earnings Account and to exercise all rights with respect to all of the funds in the Earnings Account after the occurrence and during the continuance of an Event of Default.

6. Termination. When all of the Obligations shall have been fully satisfied, the Assignee agrees that the security interest granted hereby shall terminate and it shall forthwith release the Assignor from its Obligations hereunder and the Assignee, at the request and expense of the Assignor, will promptly execute and deliver to the Assignor a proper instrument or instruments (in form and substance satisfactory to the Assignee) as the Assignor shall prepare and reasonably request to evidence such termination acknowledging the satisfaction and termination of this Pledge, and all rights, title and interests herein assigned shall revert to the Assignor, and this Pledge shall terminate.

7. Further Assurances. The Assignor shall from time to time, and at all times after the security constituted by this Pledge shall have become enforceable, execute all such further instruments and documents and do all such things as the Assignee may reasonably request for the purpose of obtaining the full benefit of this Pledge and of the rights, title, interest, powers, authorities and discretions conferred on the Assignee by this Pledge, provided that nothing contained herein shall be construed to require the Assignor to give notice of this Pledge to its creditors in the ordinary course of business other than as required under the Credit Agreement or upon an Event of Default that shall have occurred and be continuing. The Assignor hereby irrevocably appoints the Assignee its attorney-in-fact for it and in its name and on its behalf and as its act and deed to execute, seal and deliver and otherwise perfect any deed, assurance, agreement, instrument or act which it may in its reasonable discretion deem necessary or advisable for any of the purposes of this Pledge; provided that the Assignee shall not exercise such power unless an Event of Default shall have occurred and be continuing.

8. No Waiver; Remedies Cumulative and Not Exclusive. The Assignee shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder, and no waiver shall be valid unless in writing, signed by the Assignee, and then only to the extent therein set forth. A waiver by the Assignee of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Assignee would otherwise have had on any future occasion. No failure to exercise nor any delay in exercising on the part of the Assignee, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

9. Continuing Security. It is declared and agreed that the security created by this Pledge shall be held by the Assignee as a continuing security for the Obligations which may at any time and from time to time be or become payable and that the security so created shall not be satisfied by an intermediate payment or satisfaction of any part of the amount hereby secured and that the security so created shall be in addition to and shall not in any way be prejudiced or affected by any collateral or other security now or hereafter held by the Assignee for all or any part of the Obligations hereby secured.

10. Application of Proceeds. All moneys collected or received from time to time by the Assignee pursuant to this Pledge shall be applied in accordance with the terms and provisions of the Credit Agreement.

11. Waiver; Amendment. None of the terms or provisions of this Pledge may be waived, altered, modified or amended except by an instrument in writing, duly executed by the Assignor and the Assignee. This Pledge and all obligations of the Assignor hereunder shall be binding upon the successors and assigns of the Assignor and shall, together with the rights and remedies of the Assignee hereunder, inure to the benefit of the Assignee, its respective successors and assigns.

12. Governing Law. This Pledge shall be governed by and construed in accordance with the laws of the State of New York. Unless otherwise defined herein or in the Credit Agreement, terms defined in Article 8 and Article 9 of the Uniform Commercial Code are used herein as therein defined. The parties agree that New York is the jurisdiction of Assignee for all purposes hereof and of Article 8 and Article 9 of the Uniform Commercial Code.

13. Submission to Jurisdiction. The Assignor hereby irrevocably submits to the jurisdiction of the courts of the State of New York and of the United States District Court for the Southern District of New York in any action or proceeding brought against it by the Assignee under this Pledge or under any document delivered hereunder and hereby irrevocably agrees that valid service of summons or other legal process on it may be effected by serving a copy of the summons and other legal process in any such action or proceeding on the Assignor by mailing by certified mail, signature required, or delivering the same by hand to the Assignor at the address indicated for notices in Section 17 of the Credit Agreement. The service, as herein provided, of such summons or other legal process in any such action or proceeding shall be deemed personal service and accepted by the Assignor as such, and shall be legal and binding upon the Assignor for all the purposes of any such action or proceeding. To the extent permitted by applicable law, final judgment (a certified or exemplified copy of which shall be conclusive evidence of the fact and of the amount of any indebtedness of the Assignor to the Assignee) against the Assignor in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment. The Assignor will advise the Assignee promptly of any change of address for the purpose of service of process. Notwithstanding anything herein to the contrary, the Assignee may bring any legal action or proceeding in any other appropriate jurisdiction.

14. WAIVER OF JURY TRIAL. EACH OF THE ASSIGNOR AND THE ASSIGNEE HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY HERETO OR ANY BENEFICIARY HEREOF ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS PLEDGE.

15. Notices. Notices and other communications hereunder shall be in writing and shall be sent in accordance with the Credit Agreement.

16. Invalidity. If any provision of this Pledge shall at any time for any reason be declared invalid, void or otherwise inoperative by a court of competent jurisdiction, (i) such declaration or decision shall not affect the validity of any other provision or provisions of this Pledge or the validity of this Pledge as a whole; (ii) the other provisions hereof shall remain in full force and effect in such jurisdiction and shall be construed in favor of the Assignee in order to carry out the intentions of the parties hereto as nearly as may be possible; and (iii) the invalidity and unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction. In the event that it should transpire that by reason of any law or regulation, or by reason of a ruling of any court, or by any other reason whatsoever, the assignment herein contained is either wholly or partly defective, the Assignor hereby undertakes to furnish the Assignee with an alternative assignment or alternative security and/or to do all such other acts as, in the sole reasonable opinion of the Assignee, shall be required in order to ensure and give effect to the full intent of this Pledge.

17. Counterparts. This Pledge may be signed in any number of counterparts, each of which shall be an original with the same effect as if the signatures thereto and hereto were upon the same instrument.

18. Headings. In this Pledge, section headings are inserted for convenience of reference only and shall be ignored in the interpretation of this Pledge.

19. Assignee Benefit. In obtaining the benefits of this Pledge, the Assignee shall be entitled to the benefit of every provision of the Credit Agreement and the other Loan Documents relating to the rights, exculpations or conduct of, affecting the liability of or otherwise affording protection to the Security Trustee thereunder. Without limiting the generality of the foregoing, and notwithstanding anything contained herein to the contrary, nothing contained in this Pledge shall require the Assignee to exercise any discretionary acts, and any provisions of this Pledge that authorize or permit the Assignee to approve, consent to, disapprove, request, determine, waive, act or decline to act, in its discretion, shall be subject to the Assignee receiving instruction from the Majority Lenders (or, if the relevant Loan Document expressly stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties) to take such action or to exercise such rights.

Re: Vessels listed on Schedule 1 hereto

Dear Sirs:

We refer to that senior secured credit agreement dated [●], 2024 (as the same may be amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among, *inter alios*, (1) SEACOR Marine Foreign Holdings Inc., as borrower, (2) SEACOR Marine Holdings Inc., as parent guarantor, (3) the entities listed on Schedule 1-A thereto, including each Owner (as defined below), as subsidiary guarantors, (4) the lenders listed on Schedule 1-B thereto (the "Lenders"), (5) Kroll Agency Services Limited, as facility agent (the "Facility Agent") and (6) Kroll Trustee Services Limited, as security trustee (the "Security Trustee").

We hereby confirm that we have been appointed as the manager of the vessels listed on Schedule 1 hereto (the "Vessels") opposite the owners described therein (the "Owners"), pursuant to separate management agreements (each, a "Management Agreement"), each dated as of [_____], between the Owners and ourselves. We hereby represent and warrant that the copy of each Management Agreement attached hereto is a true and complete copy of that Management Agreement, and that there have been no amendments or variations thereto or defaults thereunder by us or, to the best of our knowledge and belief, the Owners.

In consideration of the Lenders (as defined in the Credit Agreement) granting their approval to our appointment as manager of the Vessels, we hereby irrevocably and unconditionally undertake with the Finance Parties (as defined in the Credit Agreement) as follows:

- (a) all claims of whatsoever nature which we have or may at any time hereafter have against or in connection with a Vessel, its earnings, insurances or requisition compensation, or against an Owner, shall rank after and be in all respects subordinate to all of the rights and claims of the Finance Parties (as defined in the Credit Agreement) against such property or persons; provided, however, so long as no Event of Default (as defined in the Credit Agreement) shall have occurred or be continuing, any amount due to us under each Management Agreement may be paid by such Owner;
- (b) we shall not institute any legal or quasi legal proceeds under any jurisdiction at any time hereafter against a Vessel, its earnings, insurances or requisition compensation, or against an Owner in any capacity without the Facility Agent's express, prior written consent;
- (c) we shall upon the Facility Agent's written request deliver to the Facility Agent all documents reasonably requested by the Facility Agent of whatever nature held by us or any sub-manager appointed by us in connection with an Owner or a Vessel, its earnings, insurances or requisition compensation;

- (d) we shall not do, or omit to do, or cause anything to be done or omitted, which might be contrary to or incompatible with the obligations undertaken by an Owner under the Credit Agreement and the other Loan Documents (as defined in the Credit Agreement);
- (e) we shall not agree or purport to agree to any material amendment or variation or termination of any Management Agreement without the prior written consent of the Majority Lenders (such consent not to be unreasonably withheld, conditioned or delayed), except where the amendment or variation is required to comply with applicable laws or regulations;
- (f) we shall direct and procure that all moneys payable to us or through us with respect to any charter or other contract of employment with respect to each Vessel ("Charter Revenue"), net costs and operating expenses of the Vessel and any fees payable to us, shall be remitted to the Borrower's Earnings Account (as defined in the Credit Agreement) as soon as possible after receipt thereof;
- (g) we shall ensure that no moneys payable to us or through us with respect to any charter or other contract of employment with respect to each Vessel shall be paid into or through any account which is pledged or assigned to, or otherwise encumbered or subject to any rights of setoff in favor of, any entity or person other than the Security Trustee;
- (h) we shall procure that any sub-manager appointed by us will, on or before the date of such appointment, enter into an undertaking in favor of the Lenders in substantially the same form as this letter;
- (i) we shall advise the Facility Agent in writing prior to our ceasing to be the manager of each Vessel; and
- (j) we shall immediately advise the Facility Agent in writing if a Vessel's Safety Management Certificate is withdrawn.

Upon satisfaction of the indebtedness of each Owner to the Lenders under the Credit Agreement and the other applicable Loan Documents, our obligations hereunder shall terminate.

The provisions of this letter shall be governed by, and construed in accordance with, the laws of the State of New York.

Any legal action or proceeding with respect to this letter may be brought in any New York State court or Federal court of the United States of America sitting in New York City and any appellate court from any thereof or such other courts having jurisdiction over such action or proceeding as the Lender may select. By execution and delivery of this letter and for the exclusive benefit of the Lenders, we irrevocably and generally and unconditionally accept the jurisdiction of such courts.

The Owner will advise the Security Trustee promptly of any change of address for the purpose of service of process. 2. GUARANTY

(a) The Parent Guarantor hereby unconditionally and irrevocably:

(i) guarantees to the Security Trustee for the account of the Finance Parties, as a primary obligor and not merely as a surety, punctual payment and performance by the Borrower of all its payment and performance obligations under the Loan Documents;

(ii) undertakes that whenever the Borrower does not pay any amount (whether for principal, interest, fees, expenses or otherwise) when due (whether at stated maturity, by acceleration or otherwise) under or in connection with any Loan Document, the Parent Guarantor shall immediately on demand pay that amount as if it were the primary obligor; and

(iii) agrees with the Security Trustee on behalf of the Finance Parties that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of the Borrower not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Loan Document on the date when it would have been due. The amount payable by such Parent Guarantor under this indemnity will not exceed the amount it would have had to pay under this Guaranty if the amount claimed had been recoverable on the basis of a guarantee (all obligations referred to in clauses (i) through (iii) above are herein referred to as the "Obligations").

(b) This Guaranty is a guaranty of payment and not of collection and the Parent Guarantor expressly agrees that it shall not be necessary or required that any of the Finance Parties exercise any right, assert any claim or demand or enforce any remedy whatsoever against the Borrower or any other Person before or as a condition to the obligations of the Parent Guarantor hereunder. This Guaranty is a primary obligation of the Parent Guarantor and shall be an absolute, unconditional, present, and continuing obligation and shall not be subject to any counterclaim, setoff, deduction, diminution, abatement, recoupment, suspension, deferment, reduction, or defense based on any claim the Parent Guarantor or any other person may have against the Borrower or any other person, and shall not be released, discharged or affected by any circumstance whatsoever, including without limitation: (a) the unenforceability, invalidity, irregularity or lack of genuineness of the Credit Agreement, the Note, any other Loan Document or any of the obligations under the Credit Agreement, the Note and the other Loan Documents; (b) any amendment, modification, termination, or removal of, or addition or supplement to, the Credit Agreement, the Note or any other Loan Document, or any change in time, manner, or place of payment or performance of any Obligation; (c) any assignment, mortgage, release, exchange, addition, or transfer of any Collateral; (d) any failure, refusal, omission or delay on the part of the Borrower or any other Person to conform or comply with any term of the Credit Agreement, the Note or any other Loan Document or any other agreement; (e) any waiver, consent, extension, indulgence, surrender, settlement, subordination, release, compromise, or other agreement, or the exercise or non-exercise of any right or remedy thereunder, with or without consideration; (f) the occurrence and/or continuance of any bankruptcy, insolvency, reorganization, liquidation, arrangement, adjustment of debt, relief of debtors, dissolution, or similar proceeding with respect to the Borrower, or any other Person, including without limitation any modification of the Borrower obligations under the Credit Agreement, the Note or any other Loan Document in connection with any such proceeding; (g) any defect in the title, condition, compliance with specifications, design, operation, or fitness for use of, or any damage to or loss of, or governmental prohibition or restriction, condemnation, requisition, or seizure of, any Collateral for any reason; (h) any merger, consolidation, restructuring, termination of existence, sale of assets, or change in the ownership of any membership interests or shares of capital stock of either of the Borrower or the Parent Guarantor; (i) any present or future law, regulation, or order in any jurisdiction (whether of right or in fact) or any agency thereof affecting any term of any Obligation or any rights of any of the Finance Parties with respect thereto, including, without limitation, any law, regulation or order purporting to vary the terms of payment or to restrict the right or power of the Borrower or of the Parent Guarantor to make payment of its Obligations to the Finance Parties; or (j) any other circumstances whatsoever which might otherwise constitute a defense available to, or a discharge of, the Borrower or the Parent Guarantor.

3. REPRESENTATIONS AND WARRANTIES

The Parent Guarantor further covenants to use commercially reasonable efforts to deliver at the Obligors' sole cost and expense (including the fees and expenses of the Lenders' counsel) an amendment to this Guaranty in form and substance satisfactory to the Majority Lenders evidencing the amendment of this Guaranty to include such additional or stricter financial covenants, provided that the execution and delivery of such amendment shall not be a precondition to the effectiveness of such amendment as provided for in this sub-clause (xvii), but shall merely be for the convenience of the parties hereto. For the avoidance of doubt, this paragraph (xvii) shall not apply to Refinanced Indebtedness while such Indebtedness is outstanding.

(b) The Parent Guarantor hereby covenants and undertakes with the Security Trustee on behalf of the Finance Parties that, from the date hereof and so long as any principal, interest or other monies are owing by any of the Obligors under or in connection with the Credit Agreement, the Note, the other Loan Documents or any of them, it will not, without the prior written consent of the Security Trustee on behalf of the Finance Parties other than as expressly permitted by the terms of the Credit Agreement and the other Security Documents:

(b) The Parent Guarantor hereby waives, to the extent permitted by applicable law: (i) any notice required by law or otherwise to preserve any rights hereunder or under the Credit Agreement, the Note or any other Loan Document against the Parent Guarantor or against the Borrower, or any of them, including without limitation: (A) acceptance, presentment, demand, protest, or proof of nonperformance of any Obligation, (B) notice of the sale of any Collateral or the transfer the Obligor, or any of them, of any interest in any Collateral or the Credit Agreement, the Note or any other Loan Document, (C) notice of the acceptance of this Guaranty and of any change in any of the Obligor's financial condition, (D) notices of the creation, renewal, extension, or accrual of any Obligation or any of the matters referred to in Section 2 (Guaranty) hereof, or any notice of or proof of reliance by any of the Finance Parties upon this Guaranty or acceptance of this Guaranty (the Obligations, and any of them, shall conclusively be deemed to have been created, contracted, incurred or renewed, extended, amended or waived in reliance upon this Guaranty and all dealings between the Obligor or the Parent Guarantor and the Finance Parties shall be conclusively presumed to have been had or consummated in reliance upon this Guaranty), and (E) notices which may be required by statute, rule of law or otherwise, now or hereafter in effect, to preserve intact any rights of any of the Finance Parties against the Parent Guarantor; (ii) the prior exercise of any remedy contained in the Credit Agreement, the Note or any other Loan Document or otherwise available to the Finance Parties; (iii) any requirement of diligence on the part of any Person including without limitation diligence in making any claim or commencing suit hereon or on the Credit Agreement, the Note or any other Loan Document, and any requirement to mitigate damages or exhaust remedies under the Credit Agreement, the Note or any other Loan Document; (iv) the right to interpose all substantive and procedural defense of the law of

guaranty, indemnification, suretyship, or other applicable law except the defense of prior payment or prior performance by any of the Obligor or the Parent Guarantor of the Obligations; (v) all rights and remedies accorded by applicable laws to guarantors or sureties, including any extension of time conferred by any law now or hereafter in effect; (vi) any right or claim of right to cause a marshaling of any of the Obligor's assets or to cause any of the Finance Parties to proceed against any of the Obligor or any collateral held by any of the Finance Parties at any time or in any particular order; (vii) rights to the enforcement, assertion, or exercise by any of the Finance Parties of any right, power, privilege, or remedy conferred herein or in the Credit Agreement, the Note or any other Loan Document or otherwise; (viii) notices of the sale, transfer or other disposition of any right, title to, or interest in the Credit Agreement, the Note or any other Loan Document; and (ix) any other right whatsoever which might otherwise constitute a discharge, release, or defense of the Parent Guarantor hereunder or of any of the Obligor under the Credit Agreement, the Note or any other Loan Document or which might otherwise limit recourse against the other Obligor. No failure to exercise and no delay in exercising, on the part of any of the Finance Parties, any right, power, or privilege shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise thereof, or the exercise of any other power or right. The obligations of the Parent Guarantor hereunder shall not be affected by receipt by any of the Finance Parties of any proceeds of any security at any time held by any of the Finance Parties. The rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by law.

(c) The Parent Guarantor agrees that so long as any of the Obligor remains under any actual or contingent liability under the Credit Agreement, the Note and the other Loan Documents any rights which the Parent Guarantor may at any time have by reason of the performance by the Parent Guarantor of its obligations hereunder (i) to be indemnified by any of the Obligor and/or (ii) to claim any contribution from the Borrower or any other guarantor of the Borrower obligations under the Credit Agreement, the Note or the other Loan Documents and/or (iii) to take the benefit (in whole or in part) of any security taken pursuant to this Guaranty or the Credit Agreement, the Note or any other Loan Documents by, all or any of the persons to whom the benefit of the Parent Guarantor's obligations are given, shall be exercised by the Parent Guarantor in such manner and upon such terms as the Finance Parties may require and further agrees to hold any monies at any time received by it as a result of the exercise of any such rights or otherwise for and on behalf of and to the order of the Finance Parties for application in or towards payment of any sums at any time owed by the Obligor under the Credit Agreement, the Note or the other Loan Documents.

(d) The Parent Guarantor further agrees that its liabilities hereunder shall be unconditional irrespective of any other circumstance which might otherwise constitute a discharge at law or in equity of a guarantor or surety. The Parent Guarantor further guarantees that all payments made by the Borrower, the Parent Guarantor or any of them, to any of the Finance Parties on any obligation hereby guaranteed will, when made, be final and agrees that, if any such payment is recovered from, or repaid by, any of the Finance Parties in whole or in part in any bankruptcy, insolvency or similar proceeding instituted by or against the Borrower, the Parent Guarantor or any of them, this Guaranty shall continue to be fully applicable to such obligation to the same extent as though the payment so recovered or repaid had never been originally made on such obligation.

(e) The Finance Parties may enforce the obligations of the Parent Guarantor hereunder without in any way first pursuing or exhausting any other rights or remedies which the Finance Parties may have against any of the other Obligor, or against any other person, firm or corporation, or against any security any of the Finance Parties may hold.

(f) The Parent Guarantor hereby irrevocably waives all rights of subrogation (whether contractual, under Section 509 of Title 11 of the United States Code entitled "Bankruptcy" as now or hereafter in effect, or any successor thereto (herein called the "Bankruptcy Code"), under common law, or otherwise) to the claims of any of the Finance Parties against the Obligor, or any of them, and all contractual, statutory or common law rights of contribution, reimbursement, indemnification and similar rights and

“claims” (as such term is defined in the Bankruptcy Code) against the Obligors, or any of them, which arise in connection with, or as a result of, this Guaranty, until such time as the obligations of the Obligors under or in connection with the Credit Agreement, the Note and the other Loan Documents have been indefeasibly paid in full.

(g) The Parent Guarantor shall not assign, transfer, hypothecate or dispose of any claim that it has or may have against the Obligors, or any of them, while any indebtedness of the Obligors to any of the Finance Parties remains unpaid, without the written consent of the Finance Parties.

(h) Any delay in or failure to exercise any right or remedy of any of the Finance Parties shall not be deemed a waiver of any obligation of the Parent Guarantor or right of any of the Finance Parties. This Guaranty may be modified, and the Finance Parties’ rights hereunder waived, only by an agreement in writing signed by the Finance Parties.

(i) Notice of acceptance by the Finance Parties of this Guaranty and of the incurring of any or all of the obligations hereby guaranteed is hereby waived by the Parent Guarantor, and this Guaranty and all of the terms and provisions hereof shall immediately be binding upon the Parent Guarantor from the date of execution hereof.

7. BENEFIT OF GUARANTY; ASSIGNMENT

The 2024 SMFH Credit Facility consolidates the Company’s debt capital structure into a single credit facility maturing in the fourth quarter of 2029 and provides financing for the Shipbuilding Contracts. The Company also announced the entry into definitive agreements to sell two anchor handling towing and supply (“AHTS”) vessels for total proceeds of \$22.5 million.

The proceeds from the 2024 SMFH Credit Facility will be used to, among other things, refinance \$203.7 million of principal indebtedness under multiple secured debt facilities and \$125.0 million of unsecured indebtedness due in 2026, inclusive of \$35.0 million of convertible debt. The 2024 SMFH Credit Facility also provides up to \$41.0 million in borrowings to finance up to 50% of the Shipbuilding Contracts. Borrowings under the 2024 SMFH Credit Facility will bear interest at a rate of 10.30% per annum and principal will be repaid in an initial quarterly installment of \$5.0 million in March 2025, followed by quarterly installments of \$7.5 million for the refinanced indebtedness and 2.13% of the principal amount borrowed to fund the Shipbuilding Contracts.

Additional information about the terms of the 2024 SMFH Credit Facility can be found in our Current Report on Form 8-K filed today with the U.S. Securities and Exchange Commission.

John Gellert, SEACOR Marine’s Chief Executive Officer, commented: “I am pleased to announce these transactions of strategic importance to the Company. The new financing with EnTrust Global consolidates all our debt under a single facility maturing in 2029 and addresses \$125.0 million of near-term maturities previously due in 2026 to The Carlyle Group. The early redemption of \$35.0 million of convertible debt eliminates approximately 10% of dilution overhang on the Company’s common stock. The new financing also allows us to retain financial flexibility and support our growth initiatives by financing up to 50% of our order of two PSVs. This order comes at a competitive price point and with an attractive delivery schedule of the fourth quarter of 2026 and first quarter of 2027 for each of the PSVs. These vessels expand and complement our PSV fleet as we implement our asset rotation strategy aimed at renewing our fleet with high-specification, environmentally efficient assets to replace older, lower specification assets. We will partly fund this new construction program with \$22.5 million of proceeds from the sales of our last remaining AHTS vessels, marking our exit from the AHTS asset class effective January 2025. I would like to extend my gratitude to EnTrust Global, our sole lender, for their continuing support, as well as The Carlyle Group, for their partnership as a lender since 2015.”
